3. COUNCIL COMMENTS & QUESTIONS

4. ADJOURNMENT

Respectfully submitted,

/s/: Ryan Garcia

City Administrator

South St. Paul City Council Work Session

Session Notes for February 24, 2025

1. CALL TO ORDER

Mayor Francis called the City Council Work Session to order at 7:00 PM on February 24, 2025

No formal Council Action is taken at a work session meeting, this is a summary of discussion that took place.

Present: Jimmy Francis, Todd Podgorski, Lori Hansen, Pam Bakken, Tom Seaberg, Joe Kaliszewski, Matt Thompson

Staff Present: Ryan Garcia, City Administrator, Shannon Young, Director of Parks & Recreation, Brian Wicke, Police Chief, Michael Healy, Planning Manager

2. DISCUSSION ITEMS

A. Boards & Commissions Update

Mayor Francis and the City Council reviewed the openings for 2025 appointments to City Boards and Commissions. Council was encouraged by the level of interest in serving on boards and commissions, and agreed that the work undertaken throughout 2024 by the City's various boards and commissions was impactful in helping to guide Council priorities for 2025 and beyond. Council agreed that the interest by incumbents to continue serving in most cases carried significant weight, and was reflective of the value these members place in their ability to contribute to the City's continued improvement and operations. Council agreed that they will be prepared to further discuss and finalize appointments at the March 3, 2025 Council Meeting.

3. COUNCIL COMMENTS & QUESTIONS

A. City Administrator's Update

Mr. Garcia thanked Council for the opportunity to participate in the upcoming Local Government Reimagined series offered by the International City Management Association. Mr. Garcia looked forward to professional development in topics ranging from harnessing Artificial Intelligence for greater public service delivery to how to navigate and leverage federal funding in a rapidly changing environment. Mr. Garcia plans to deliver a summary presentation of this series in April-May of this year.

Mr. Garcia updated Council on the Wakota Crossing industrial development concept. Braun Intertec has been retained by the Danner Family Limited Partnership to investigate environmental and geotechnical soil and groundwater conditions at their 35 acre property. The developer continues to plan for industrial development to commence

in multiple phases beginning as early as 3rd Quarter 2025. As part of the developer's plan, the extension of a roadway connection between Hardman Avenue South and Verderosa Avenue, with public utilities, is proposed to be explored through additional preliminary design and planning work in Spring 2025. This work is funded through the Federal Community Project Funding Economic Development Initiative (earmark) of \$3,000,000 awarded in 2022.

Mr. Garcia briefly advised that the legislature – particularly the Senate Jobs and Economic Development Committee – continues to hear testimony on various projects seeking DEED funding in 2025. There is some concern that a \$6,000,000 appropriation that was approved for the growth and relocation of a local SSP business (Long Cheng Meats) in 2022 will be clawed back in 2025 due to the business not yet having encumbered the funds. Staff has encouraged the business to act with haste to complete their application process with DEED, and also to reach out to members of the Committee to build an understanding of the importance of this project.

Mr. Garcia acknowledged that preliminary interest in a public-private partnership towards the adaptive reuse of the former SSP Library has surfaced. Mr. Garcia confirmed with Council that assuming this interest is sustained beyond initial “tire-kicking” a re-release of the Request for Proposal will be issued to capture all current market interest in this property.

Finally, Mr. Garcia advised that the March 3 EDA meeting featured an agenda item seeking approval of a District Masterplan and Stormwater Guide for the Hardman Triangle as well as an amendment to the Development Agreement with Blue River Holdings LLC for the South St. Paul Animal Hospital development on South Concord Exchange. Mayor Francis commented that given the significant setbacks and time held in limbo on the Animal Hospital project, in the future the EDA should be cautious about working with inexperienced developers.

4. ADJOURNMENT

There being no further business to come before the City Council at the regular work session meeting, Mayor Francis declared the meeting adjourned at 8:18 PM.

Respectfully submitted,
/s/: Ryan Garcia
City Administrator

MEETING TYPE

Regular Meeting

AGENDA ITEM

Local Affordable Housing Aid Agreement with Dakota County Community Development Agency

ACTION TO BE CONSIDERED OR DESIRED OUTCOME

Through Consent, Motion to Approve the Local Affordable Housing Aid Agreement with Dakota County CDA.

OVERVIEW

Local Affordable Housing Aid (LAHA) was established by the State of Minnesota to assist metropolitan local governments like South St. Paul to develop and preserve affordable housing within their jurisdictions, to keep families from losing housing and to help those experiencing homelessness find housing. Funded through a metropolitan sales tax (which went into effect October 1, 2023), Local Affordable Housing Aid began distributions to Cities and Counties in 2024. For 2024, LAHA funding to the City of South St. Paul was certified at a total of \$120,170.48. Per Statute, the City has three years to commit the 2024 funding (no later than December 31, 2027) to a qualifying project. Failure to commit the funds in the 3-year timeframe will result in funds being returned to MHFA for statewide housing needs. Future distributions through this program are projected to be between \$250,000 - \$400,000 per year, although precise amounts are dependent upon actual sales taxes collected and a state distribution formula.

A Note About Area Median Income

Throughout this memo, we reference Area Median Income ("AMI") frequently. For the reader's reference, the following should be understood about AMI:

- Most commonly, an income level for a family of four (2 adults, 2 minor children) is used as a benchmark when citing certain levels relative to AMI for housing programs. **All of the figures below are measured as AMI for a family of four.**
- In South St. Paul, the AMI that is used in determining eligibility for various housing programs is the Minneapolis-St. Paul Metropolitan Statistical Area Median Household Income.
- For 2024 (2025 data are not yet released), the Area Median Income is \$124,200.
- 120% AMI is \$149,040.

- 115% AMI is \$142,830.
- 80% AMI is \$97,800. The 80% of Area Median Income limit is capped at the U.S. national median family income, so this figure is less than 80% of the Metro Area's median family income.
- 50% AMI is \$62,100.
- Unfortunately, there is no source of data that measures how many households in South St. Paul meet the different AMI levels. Each year HUD publishes income limits for different AMI levels and different household sizes, which we use for our loan programs.

Qualifying Projects for LAHA

Local Affordable Housing Aid is required by Statute to be spent on a “qualifying project”. Qualifying Projects are defined by statute as:

- Emergency rental assistance for households earning less than 80 percent of area median income as determined by the United States Department of Housing and Urban Development
- Financial support to nonprofit affordable housing providers in their mission to provide safe, dignified, affordable and supportive housing; and
- Projects designed for the purpose of construction, acquisition, rehabilitation, demolition or removal of structures, construction financing, permanent financing, interest rate reduction, refinancing, and gap financing of housing to provide affordable housing to households that have incomes which do not exceed:
 - For homeownership projects, 115% of the greater of state or area median income as determined by the United States Department of Housing and Urban Development; priority is given to projects that provide affordable housing to households earning 80% or less of the area median income.
 - For rental housing projects, 80% of the greater of state or area median income as determined by the United States Department of Housing and Urban Development; priority is given to projects that provide affordable housing to households earning 50% or less of the area median income.
- Housing developed or rehabilitated with LAHA must be affordable to the local work force.

Recommendation for LAHA Deployment in South St. Paul

In late 2023, the Council discussed options for LAHA-supported initiatives in South St. Paul and expressed a preference for the 2024 LAHA distribution to be dedicated to supporting the revived Home Improvement Loan Program in the community if possible. In June of 2024, staff from the Dakota County Community Development Agency (CDA) attended a Council worksession to share their ideas about potential partnership opportunities with communities in Dakota County, potentially with the CDA administering certain programs (rehab loans, radon mitigation, and affordable housing production were discussed in June) on behalf of Cities that "opted in" to

partnering with CDA. In late-September 2024, CDA Staff presented a proposal to all Dakota County communities, including South St. Paul, for administration of an expanded Rehab Loan Program and a new Radon Mitigation Grant program. In December 2024, Council approved Resolution 2024 - 153 to commit to having the CDA administer at least \$120,000 in SSP's LAHA allocation for a period of 3 years.

Currently, the Dakota County CDA administers a rehab loan program on behalf of South St. Paul through the Community Development Block Grant (CDBG) program (which may be in danger of elimination or cuts from the federal government); CDA has found that for several years the amount of available funding through CDBG for loans in South St. Paul has been insufficient to meet demand. As such, there is a waiting list for this program. Nonetheless, the CDA's existing CDBG program provides the infrastructure and expertise for Dakota County to administer some or all of our LAHA funds with virtually no administrative impact. The proposed Radon Mitigation Grant program would be a new initiative of the CDA, whereby income-qualified households would be eligible for Radon Testing and (as needed if testing indicates that radon levels in the home meet certain EPA thresholds) installation of radon mitigation systems at no cost to the homeowner. As it relates to these programs that are proposed to be funded with LAHA, Dakota County intends to prioritize applications for funding from households earning 80% or less of the Area Median Income (AMI), while households earning between 80% and 115% AMI will be placed on a waiting list and become eligible in the event that funds are left over after serving all interested households meeting the 80% AMI threshold. CDA could also refer these households to our "in-house" loan programs.

All things considered, Staff believes that the proposed partnership with Dakota County CDA for administration of the LAHA funds as proposed represents the best opportunity to put these funds to work towards the implementation of the City's Master Housing Strategy. This Agreement, commits the City at least \$120,000 per year (unless for some unforeseen circumstance our allocation is less than that) for a term of three years from our LAHA allocation towards this partnership. By taking this approach, we do retain some flexibility in future years should new priorities or opportunities for LAHA-funded initiatives emerge. Staff suggests that a 5-year update to the Master Housing Strategy be considered in 2025 or 2026, which might help us identify such opportunities.

SOURCE OF FUNDS

Local Affordable Housing Aid is Aid received from the State of Minnesota, funded through a 0.25% Metropolitan Sales Tax. Beginning in 2025, aid recipients must submit a report annually, no later than December 1 of each year, to the Minnesota Housing Finance Agency. The report must include documentation of the location of any unspent funds and of qualifying projects completed or planned with the funds.

LOCAL AFFORDABLE HOUSING AID AGREEMENT
between
CITY of SOUTH ST. PAUL
and
DAKOTA COUNTY COMMUNITY DEVELOPMENT AGENCY

THIS LOCAL AFFORDABLE HOUSING AID AGREEMENT (the “Agreement”) is entered into as of the _____ day of _____, 2025 by and between the City of South St. Paul, Minnesota (the “City”), with offices at 125 Third Avenue North, South St. Paul, MN 55075, a municipal corporation and political subdivision of the state of Minnesota, and the Dakota County Community Development Agency (the “CDA”), 1228 Town Centre Drive, Eagan, Minnesota 55123, a public body politic and corporate; also referred to as “Party” or “Parties.”

WHEREAS, the State of Minnesota created Local Affordable Housing Aid (“LAHA”) under Minnesota Statutes, Section 477A.35, as may be amended, which established distributions to metropolitan area counties and tier I cities located in a metropolitan county for qualifying projects as defined in Section 477A.35, subd. 4 (“Qualifying Projects”).

WHEREAS, the City desires to engage the CDA to receive the City’s LAHA funds and administer Qualifying Projects on behalf of the City.

WHEREAS, the CDA desires to serve in this role with its experience in and staffing of housing finance, preservation, and development.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained in this Agreement, the sufficiency is hereby acknowledged, it is agreed by and between the Parties as follows:

1. **TERM.** This Agreement shall commence as of the date written above and shall continue until all duties are fulfilled, unless sooner terminated under the terms of the Agreement.
2. **DUTIES OF THE CDA.**
 - 2.1 Authorized to Act on Behalf of the City. The CDA shall act as the agent for the City to administer LAHA funds according to state statutes, laws, and rules. The CDA shall assume all duties and obligations that would otherwise be imposed upon the City, specifically:
 - a. Spending the funds received under this Agreement on Qualifying Projects, including disbursements to the CDA, eligible individuals and subrecipients, as well as to contractors, affordable housing developers, and vendors, all after determining that the use meets all requirements of Qualifying Projects.

- b. Maintaining complete and accurate records of funds received and all disbursements.
 - c. Ensuring timely expenditure of LAHA funds by December 31 in the fourth year following the allocation of the funds by the Minnesota Department of Revenue. If funds cannot be spent on Qualifying Projects by the deadline due to factors outside of the control of the CDA, the CDA will work with the City to transfer funds to a local housing trust fund.
 - d. Preparing an annual report, as required starting December 1, 2025, under Minnesota Statutes, Section 477A.35, subd. 6(b).
- 2.2 Compliance. The CDA shall comply with all applicable state and local LAHA requirements.
- 2.3 Identification and Use of LAHA Funds.
 - a. All LAHA funds received and expended under this Agreement will be spent solely on Qualifying Projects defined under Minnesota Statutes, Section 477A.35, subd. 4.
 - b. CDA will be responsible for the administration of those Qualifying Projects identified in Exhibit A, in a manner satisfactory to the City and consistent with any required standards.

3. USE OF FUNDS.

- 3.1 Qualifying Projects. Per Minnesota Statutes, Section 477A.35, a broad list of LAHA uses are defined as Qualifying Projects. The CDA has offered to administer on behalf of the City the LAHA collaboration Qualifying Projects identified in Exhibit A. Exhibit A will be amended if there are changes to the list of Qualifying Projects in Minnesota Statutes or the CDA and the City agree to changes in the Qualifying Projects.
- 3.2 Allocation of LAHA Funds to CDA. The City will annually take formal action by resolution to allocate LAHA funds to the CDA for one, two, or all LAHA collaboration Qualifying Projects. These changes will be reflected in Exhibit B, which the CDA will update annually and deliver to the City. The CDA reserves the right to update the adjustment of the LAHA collaboration Qualifying Projects, as needed, including ongoing activities from previous fiscal years.

4. TRANSFER OF FUNDS.

- 4.1 Transfer by the City. The City shall transfer the LAHA funds received from the State to the CDA. Upon receipt of the annual authorizing City resolution, the CDA will submit a written request for the LAHA funds to the City. The

Parties shall cooperate and mutually agree upon the amount, timing, and transfer of LAHA funds to the CDA.

4.2 Retention of Funds. The CDA shall deposit and maintain the LAHA funds received under this Agreement in a separate internal account. The CDA shall maintain appropriate records of LAHA funds. The CDA shall administer and disburse all LAHA funds in accordance with this Agreement.

4.3 Program Income. Program income is the gross income received by the CDA that was generated from the use of the City's LAHA funds. The primary example is the payment of principal on loans made using LAHA funds.

Any program income generated from LAHA funds will be classified and distributed based on rules and guidance issued from the State as it becomes available.

Any program income on hand at the end of the expiration of this Agreement or received after expiration of this Agreement shall be paid over to the City unless the City and the CDA have entered into subsequent agreements.

4.4 Funding Contingency. The CDA's obligations under this Agreement are specifically contingent upon the disbursement of LAHA funds by the State and the City's transfer of LAHA funds to the CDA.

4.5 CDA Expenses. Unless allowable as a Qualifying Project, administrative and salary expenses incurred by the CDA will be paid by the CDA's special benefit levy and/or program service fees. If/when administrative and salary expenses are eligible, such costs will be assessed proportionally amongst the City and other CDA LAHA collaboration parties.

5. RECORDS AND REPORTS.

5.1 Records. The CDA shall maintain complete and accurate records of LAHA funds received and all disbursements.

5.2 Reports. The CDA shall prepare quarterly progress reports on the Qualifying Projects regarding project pipeline, project start and completion dates, amount spent on Qualifying Projects, and other information as requested. Identifying data for individual clients will be aggregated. The CDA shall prepare the annual report for the City to submit to the Minnesota Housing Finance Agency.

5.3 Access to Records. The CDA agrees to provide the City, its designated auditors, or any of its authorized representatives access to any financial reports, documents, papers, and records of the CDA that are directly pertinent to this Agreement for the purposes of making audits, examinations, excerpts, and transcriptions.

- 5.4 Record Retention. Pursuant to Minnesota Statutes, Section 16C.05, subd.5, Minnesota Statutes, Section 16B.98, subd. 8 and applicable requirements, the CDA shall maintain records under this Agreement for a minimum of six (6) years from the end of this Agreement.

6. INDEMNIFICATION.

- 6.1 The CDA agrees to hold harmless, indemnify, and defend the City, its officials, agents, and employees against any and all third-party claims of whatever nature, expenses (including attorneys' fees), losses, damages or lawsuits for damages that arise as a result of the willful misconduct, negligent acts, errors, and/or omissions of the CDA in the performance of this Agreement.
- 6.2 Nothing in this Agreement (including, but not limited to, indemnification or insurance provisions) shall be deemed a waiver by either Party of the limits of liability set forth in Minnesota Statutes, Section 466.04 or a waiver of any available immunities or defenses. The CDA's obligation to hold and save harmless in this Agreement shall be limited by the limitations on liability set forth in Minnesota Statutes, Section 466.04, as may be amended from time to time.
- 6.3 The CDA shall notify the City within five (5) business days of actual receipt of any of the potential claims against the CDA that may arise as a consequence of any of the work or services performed or furnished by the CDA under the terms of this Agreement.

- 7. TERMINATION.** If the CDA materially fails to fulfill its obligations under this Agreement, the City may suspend or terminate this Agreement upon written notice to the CDA specifying the reason for termination. If the Agreement is terminated, the CDA shall pay over any unexpended funds and program income to the City. The CDA shall no longer be responsible for reporting on LAHA funds.

- 8. DATA PRIVACY.** All data collected, created, received, maintained, disseminated, or used for any purposes in the course of the CDA's performance under this Agreement is governed by the Minnesota Government Data Practices Act, Minnesota Statutes, Chapter 13 or any other applicable state statutes and any state rules adopted to implement LAHA, as well as state statutes and federal regulations on data privacy. The CDA agrees to abide by these statutes, rules, and regulations as they may be amended.

- 9. DISPUTE RESOLUTION.** In the event that a dispute arises between the Parties as to the interpretation or performance of this Agreement, then upon written request of either Party, representatives with settlement authority for each Party shall meet and confer in good faith to resolve the dispute. If the Parties are unable to resolve the dispute, they shall make every effort to settle the dispute through mediation or other alternative dispute resolution methods. If the Parties are unable

to resolve the dispute through these methods, either Party may commence an action in Dakota County District Court.

10. GENERAL PROVISIONS.

- 10.1 Compliance with Laws. The Parties shall abide by all applicable federal, state, or local laws, statutes, ordinances, rules, and regulations now in effect or hereunder adopted pertaining to activities governed by this Agreement. The CDA shall be responsible for the performance of any contractors unless otherwise agreed in writing.
- 10.2 Minnesota Law to Govern. This Agreement shall be governed by and construed in accordance with the substantive and procedural laws of the State of Minnesota, without giving effect to the principles of conflict of laws.
- 10.3 Independent Contractor. The CDA is an independent contractor and nothing herein shall be construed to create the relationship of employer and employee or joint venture between the City and the CDA. The CDA shall at all times be free to exercise initiative, judgment, and discretion as to how best to provide the services pursuant to this Agreement. The CDA acknowledges and agrees that the CDA is not entitled to receive any of the benefits received by City employees and is not eligible for workers or reemployment compensation benefits.
- 10.4 Modifications. Any alternations, variations, modifications, or waivers of the provisions of this Agreement shall only be valid when they have been reduced to writing and signed by authorized representatives of the Parties.
- 10.5 Severability. The provisions of this Agreement shall be deemed severable. If any part of this Agreement is rendered void, invalid, or unenforceable, such rendering shall not affect the validity or enforceability of the remainder of this Agreement unless the part or parts which are void, invalid, or otherwise unenforceable shall substantially impair the value of the entire Agreement with respect to either Party.
- 10.6 Survival of Terms. The following components of this Agreement will survive the termination or expiration of this Agreement: 4.4, 5.1, 5.2, 5.3, 6, 7, and 8.
- 10.7 Assignment. Neither Party may assign any interest in this Agreement without prior written consent of the other Party. Any non-approved transfer, assignment or conveyance shall be void.
- 10.8 Certification and Signatures.
 - a. Each Party certifies and warrants that it has the legal authority to enter into and perform under this Agreement and that its governing

body has authorized the execution and acceptance of this Agreement.

- b. Each person executing this Agreement on behalf of a Party certifies and warrants that such person is duly and validly authorized to legally execute and bind the Party to the terms of this Agreement.
- c. The Parties agree that electronic signatures to this Agreement shall be as valid as original signatures of the Parties and shall be effective to bind the Parties to this Agreement.

10.9 Rights and Remedies. All rights and remedies available to either the City or the CDA under the terms of this Agreement or by law are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.

10.10 Notices. Notices required to be provided pursuant to this Agreement shall be provided to the following named persons and address unless otherwise stated in this Agreement or in an amendment to this Agreement.

10.11 Liaison. To assist the Parties in the day-to-day performance of this Agreement, liaisons shall be designated by the City and the CDA. The Parties shall keep each other continually informed. At the time of the execution of this Agreement, the following persons are the designated liaisons:

EXHIBIT A TO SUBRECIPIENT AGREEMENT

DAKOTA COUNTY COMMUNITY DEVELOPMENT AGENCY (CDA) AND THE CITY OF SOUTH ST. PAUL (City)

Local Affordable Housing Aid (LAHA) funds will be committed to the following Qualifying Projects. CDA has offered to administer the following LAHA Collaboration Qualifying Projects on behalf of the City.

1. Expanded Single-Family Home Improvement Loan Program. Increase the number of loans made through the CDA's Home Improvement Loan Program, which provides zero percent, deferred loans up to \$35,000 for home improvement projects that prioritize health, safety, and structural integrity concerns.

LAHA funds will be administered in accordance with the Home Improvement Loan Program policy and procedures handbook, as periodically amended. Households at or below 80% of the Area Median Income (AMI) will be prioritized. If/when there are no priority households on the waiting list to be served, the CDA will then consider serving households above 80% AMI to the maximum LAHA income limit of 115% AMI.

2. Radon Testing and Mitigation Grant Program. This grant program will provide free testing services to clients of the CDA's Home Improvement Loan Program and will provide free mitigation systems for those clients whose homes have radon levels exceeding allowable levels, as determined by the US Environmental Protection Agency. The CDA will discuss with City the expansion of the program to other eligible homeowners if there is interest and CDA staff capacity.

As the Home Improvement Loan Program and the Radon Testing and Mitigation Grant Program serve the same clients, the CDA reserves the right to combine the funding for these two programs into one account to best serve the needs of clients.

3. Residential Preservation and New Construction Gap Financing Program. This program will expand the existing CDA-administered gap financing resources for affordable residential multi-family and single-family preservation and new construction. The CDA will work with the City to identify potential projects that need gap financing.

EXHIBIT B TO SUBRECIPIENT AGREEMENT

DAKOTA COUNTY COMMUNITY DEVELOPMENT AGENCY (CDA) AND THE CITY OF SOUTH ST. PAUL

Local Affordable Housing Aid (LAHA) funds will be committed to the following Qualifying Projects. Exhibit B will be amended on an annual basis, or as needed, through the term of this Agreement.

CURRENT YEAR ALLOCATION – 2024

All funds must be committed by December 31, 2027, and fully expended by December 31, 2028

- Qualifying Project 1: HOME IMPROVEMENT LOAN PROGRAM – Administered by CDA
 - Description: The Home Improvement Loan Program assists low and moderate-income homeowners in improving and maintaining their homes in a decent, safe, and sanitary condition. The program offers deferred loans up to \$35,000 with zero percent interest rates to homeowners earning 115 percent or below area median income, and prioritizing homeowners with incomes at or below 80 percent area median income.
 - Schedule: Ongoing
 - Budget: \$90,000.00

- Qualifying Project 2: RADON TESTING AND MITIGATION GRANT PROGRAM – Administered by CDA
 - Description: The Radon Testing and Mitigation Grant Program assists clients of the Home Improvement Loan Program with free radon testing and installation of a mitigation system, if needed. Clients will receive free radon tests to be performed by professional radon testing providers. Clients whose homes have radon levels greater than 4.0 pCi/L (picocuries of radon per liter of air) will receive a mitigation system. Every effort will be made to ensure the radon levels in the subject homes post-mitigation will not exceed 2.0 pCi/L.
 - Schedule: Ongoing
 - Budget: \$30,000.00

CITY COUNCIL AGENDA REPORT

DATE: March 3, 2025
DEPARTMENT: Technology
PREPARED BY: Ian Hardie
AGENDA ITEM NUMBER: 8.E.

MEETING TYPE

AGENDA ITEM

Purchase of Scheduled Replacement Computers and IT Equipment

ACTION TO BE CONSIDERED OR DESIRED OUTCOME

As a general practice, IT tries to replace the computer inventory in the individual departments en masse and on a rotating basis. In keeping with the equipment replacement schedule, staff will focus on replacing the computers for the Police Department in 2025. The city will be replacing 30 computers, 10 Wifi Access Points, backup storage, server, 8 switches and security cameras with a total cost of \$356,400.

OVERVIEW

Authorize the scheduled purchase of replacement computers and related equipment.

Approve Right of First Refusal at the South St. Paul Airport

ACTION TO BE CONSIDERED OR DESIRED OUTCOME

Adopt Resolution No. 2025-29, Approve Right of First Refusal at Fleming Field with Hans Meyer

OVERVIEW

Hans Meyer is considering leasing a hangar lot in the West Hangar Area at the airport. Mr. Meyer is working on the construction plans and finalizing the details and costs to build the hangar as soon as possible.

SOURCE OF FUNDS

N/A

ATTACHMENTS

1. 1831 Lysdale Right of First Refusal 3-3-25 Meyer
2. ROFR Resolution 3-3-25

RIGHT OF FIRST REFUSAL AGREEMENT TO LEASE WEST SIDE HANGAR LOT

THIS RIGHT OF FIRST REFUSAL AGREEMENT (Agreement) is made, entered into and effective this 3rd day of March, 2025, by and between City of South St. Paul, a Minnesota municipal corporation, (City) and Hans Meyer. (Prospective Tenant). For and in mutual consideration and subject to the terms and conditions of this Agreement, and in reliance upon the representations, recitals, warranties and covenants of the parties herein contained, the parties hereby agree as follows:

ARTICLE 1 **RECITALS**

Recital No. 1. Prospective Tenant desires to lease certain real property from City for the purposes of constructing and utilizing an aircraft hangar.

Recital No. 2. Prospective Tenant intends to incur certain expenses, including, but not limited to, design and architectural services related to its proposed utilization of the Hangar Property.

Recital No. 3. Prospective Tenant desires to purchase a leasehold Right of First Refusal to lease the Hangar Property so as to prevent Prospective Tenant from incurring unnecessary expenses, in the event the City leases the Hangar Property to someone else prior to the City entering into a lease with Prospective Tenant.

ARTICLE 2 **DEFINITIONS**

2.1 Terms. The following terms, unless elsewhere defined specifically in this Agreement, shall have the following meanings as set forth below.

2.2 City. “City” means the City of South St. Paul, Minnesota, a Minnesota municipal corporation.

2.3 Prospective Tenant. Prospective Tenant means Hans Meyer.

2.4 Hangar Property. “Hangar Property” means, individually and collectively, that certain real property located in the County of Dakota, State of Minnesota, described and identified on the attached Exhibit A. Hangar Property shall also include all of the right, title and interest of the City in and to any easements, access, permits, rights-of-way, privileges, appurtenances and right to the same belonging to or inuring to the Hangar Property.

ARTICLE 3
RIGHT TO LEASE

3.1 Right To Lease For Hangar Construction. From the date of this Agreement until 3rd day of September, 2025, City shall not lease the Hangar Property without first providing Prospective Tenant a right to lease the Hangar Property. If City desires to lease the Hangar Property to another identified third party tenant, then City shall provide Prospective Tenant with a written offer that comprises the following:

- a) written notice to Prospective Tenant of intent to lease;
- b) an outline of all the other terms and conditions of the proposed lease;
- c) the total proposed lease amount.

Prospective Tenant shall have ten (10) days from such offer to elect in writing to lease the Hangar Property for the price and in the manner described in the offer. If Prospective Tenant within the ten (10) day period elects to lease, then Prospective Tenant shall provide written notice to the City and the lease shall be executed within twenty (20) days after Prospective Tenant has given such written notice.

If as a result of the process set forth above, Prospective Tenant has not elected to lease, then the City shall have the right to lease the Hangar Property to the third party tenant.

3.2 Payment/Lease Credit. As consideration for the Right of First Refusal granted to Prospective Tenant in Section 3.1 above, Prospective Tenant has paid City \$100.00 the receipt of which City acknowledges. In the event that the parties enter into a lease for the Hangar Property, the \$100.00 payment shall be credited, by City, to rent payable thereunder.

3.3 Termination. The rights granted to Prospective Tenant hereunder, including, specifically the Right of First Refusal created by Section 3.1, shall terminate on the earlier of the following:

- a.) September 3, 2025.
- b.) Such time as the Prospective Tenant and City enter into a lease for the Hangar Property.

ARTICLE 4

MISCELLANEOUS

4.1 Headings. The headings in this Agreement are for convenience only and are not part of this Agreement and do not in any way limit or amplify the terms and provisions hereof. It is understood and agreed that this Agreement has been made following negotiation by the parties and it is, therefore, not to be construed against any party because of draftsmanship.

4.2 Modifications. All modification to this Agreement must be in writing and signed by the parties hereto.

4.3 Entire Understanding. This Agreement constitutes the entire understanding between the parties hereto with respect to the subject matter of this Agreement and supersedes all prior arrangements and understandings between the parties hereto.

4.4 Counterparts. This Agreement may be executed simultaneously in any number of counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

4.5 Governing Law. This Agreement shall be governed by the laws of the State of Minnesota.

4.6 Binding Upon the Hangar Property. This Agreement runs with the Hangar Property and shall be binding upon the Hangar Property.

4.7 Binding Upon Parties and Assigns. This Agreement shall be binding upon the parties hereto and their heirs, successors and assigns.

4.8 Amendment and Waiver. The parties hereto may by mutual written agreement amend this Agreement in any respect. Any party hereto may extend the time for the performance of any of the obligations of another, waive any inaccuracies in representations by another contained in this Agreement or in any document delivered pursuant hereto which inaccuracies would otherwise constitute a breach of this Agreement, waive compliance by another with any of the covenants contained in this Agreement, waive performance of any obligations by the other or waive the fulfillment of any condition that is precedent to the performance by the party so waiving of any of its obligations under this Agreement. Any agreement on the part of any party for any such amendment, extension or waiver must be in writing. No waiver of any of the provisions of this Agreement shall be deemed, or shall constitute, a waiver of any other provisions, whether or not similar, nor shall any waiver constitute a continuing waiver.

ARTICLE 5

NOTICE TO PUBLIC

5.1 Notice to Public. Upon recording, this Agreement shall serve as notice to the public of Hans Meyer's right of first refusal to lease the Hangar Property.

ARTICLE 6
NOTICES

Any notices hereunder shall be deemed sufficiently given by one party to the other if in writing and if and when delivered or tendered either in person or by depositing it in the United States mail in a sealed envelope, by certified mail, return receipt requested, with postage and postal charges prepaid, addressed as follows:

If to City: Terminal Building
1725 Henry Avenue
South St. Paul, MN 55075
Attn: Airport Manager

If to Prospective Tenant: Hans Meyer
787 Summerbrooke Ct
Eagan, MN 55123

hdmeyer@gmail.com
612-232-3329

or to such other address as the party addressed shall have previously designated by notice given in accordance with this Section. Notices shall be deemed to have been duly given on the date of service if served personally on the party to whom notice is to be given, or on the day of mailing if mailed as provided above, provided, that a notice not given as above shall, if it is in writing, be deemed given if and when actually received by a party.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and year hereinabove first set forth.

MEETING TYPE

Regular Meeting

AGENDA ITEM

Approve Amendment No. 1 with Kimley-Horn for additional preliminary design services for the extension of Verderosa Avenue from Hardman Avenue to the existing Verderosa Avenue limits

ACTION TO BE CONSIDERED OR DESIRED OUTCOME

Approve Amendment No. 1 with Kimley-Horn for \$34,400 for additional preliminary design services to extend Verderosa Avenue and public utilities from Hardman Avenue to the existing Verderosa Avenue limits.

OVERVIEW

Over the past few years, staff has collaborated with various entities to redevelop the EDA-owned parcel located south of the MCES site (Wakota Industrial). Recent discussions with the Danner Family Limited Partnership have also indicated an interest in redeveloping their property. As a result, extending Verderosa Avenue to Hardman Avenue is necessary to support the planned Danner development and provide additional connectivity to the proposed Wakota Industrial parcel.

Kimley-Horn has been engaged in preparing plans and specifications for extending Verderosa Avenue to serve the Wakota Industrial development, and these plans are currently 90% complete. Given the proposed development site at Danner, staff recommends an amendment to Kimley-Horn's contract to include additional preliminary engineering layouts for extending Verderosa Avenue to Hardman Avenue.

SOURCE OF FUNDS

Capital project funds with reimbursement from HUD Community Project Funding.

ATTACHMENTS

1. KH Amend No. 1 - Verderosa Avenue

**AMENDMENT NUMBER 1 TO THE AGREEMENT BETWEEN CITY OF SOUTH ST. PAUL AND
KIMLEY-HORN AND ASSOCIATES, INC.**

This is Amendment Number 1 dated March 3rd, 2025, to the agreement between The City of South St. Paul ("Client") and Kimley-Horn and Associates, Inc. ("Consultant") dated April 1, 2024 ("the Agreement") concerning the Verderosa Avenue Extension Project (the "Project").

The Consultant has entered into the Agreement with Client for the furnishing of professional services, and the parties now desire to amend the Agreement.

The Agreement is amended to include services to be performed by Consultant for additional compensation as set forth below in accordance with the terms of the Agreement, which are incorporated by reference.

Consultant will perform the scope of services detailed on Exhibit A.

For the additional services set forth in Exhibit A, the City shall pay additional compensation with a not to exceed cost of \$34,400.00. A detailed breakdown of fee is provided below in Exhibit A.

IN WITNESS WHEREOF, the parties to this Amendment have hereunto set their hands and seals as of the date first above written.

Date: March 3, 2025

Exhibit A to Amendment 1 – Scope of Services

Amendment No. 1 includes providing additional preliminary engineering services for Verderosa Avenue Extension from Hardman Avenue to the existing Verderosa Avenue limits. The following additional construction phase services will be provided as a part of this amendment.

PROJECT UNDERSTANDING

Kimley-Horn understand that the City of South St. Paul is seeking additional preliminary engineering layout, approximately 1,850 linear feet, for an extension of Verderosa Avenue from the previous project limits, located at the southeastern corner of the former MCES Site, to Hardman Avenue. The segment of roadway will serve the planned Danner development site and provide additional connectivity to proposed development of the former MCES site (Wakota Industrial). Watermain and sanitary sewer will need to be extended from Hardman Avenue to serve the development sites. Coordination with the Army Corps of Engineers will be necessary to understand restrictions, design constraints, and permitting requirements for the proposed roadway and utility improvements on and adjacent to the levee.

We understand the City is seeking preparation of preliminary engineering layout and cost estimates for the roadway and public utility improvements with the understanding that the project is anticipated to be constructed in 2026.

Exhibit B illustrates the additional project area associated with Amendment No. 1.

SCOPE OF WORK

Task 1 Project Management, Coordination, and Meetings

Task 1.1 – General Project Management and Coordination

Kimley-Horn will provide overall project management and utilize internal project management tools to monitor budgets, staff roles, and responsibilities for the project. We will communicate project updates directly with the City's project manager.

Task 1.2 – Project Team Meetings

Kimley-Horn will prepare materials for and conduct the following meetings assumed to be necessary to complete the preliminary design.

- One (1) project kickoff meeting
- Up to two (2) project team meetings
- One (1) coordination meeting with the Danner development team
- Up to two (2) meetings with Army Corp of Engineers (ACOE) to introduce proposed improvements and identify design constraints and permitting requirements.

Kimley-Horn will have up to two (2) staff present at each meeting and will be responsible for scheduling, agenda, and summary notes.

Task 2 Preliminary Engineering Design Layout

Task 2.1 – Preliminary Layout

Kimley-Horn will complete a preliminary design layout based on the alignment provided in the site plans for the Wakota Industrial Site and the Danner Site. The layout will include roadway plan and profile as well as watermain and sanitary sewer layout. The layout will include Verderosa Avenue from Hardman Avenue to the existing roadway terminus, located at the Trailhead and Boat Launch parking lots to understand any profile adjustments that may be necessary to the previously prepared plans. The final Preliminary Layout will include the proposed right of way and

utility easements to be dedicated by adjacent development. We have assumed one (1) round of comments from the City and/or developer staff to finalize the preliminary layout.

Task 2.2 – Preliminary Cost Estimate

Kimley-Horn will complete an Engineer's Opinion of Probable cost with the layout as part of the final submittal.

Task 3 Wakota Industrial Site Preliminary Grading

Kimley-Horn will prepare a preliminary grading plan for the adjacent Wakota Industrial Site to aid in the development of the profile for Verderosa Avenue. The preliminary grading will include approximate elevations and earthwork volumes associated with grading the site to accommodate the current Wakota Industrial site plan as provided by the City. We have assumed one round of revisions to the grading plan based on City comments.

This scope of services does not include any topographical survey or geotechnical investigation.

SCHEDULE

Notice to Proceed	March 3, 2025
Prepare Preliminary Layout	April 18, 2025
Finalize Preliminary Layout	May 30, 2025

For the Additional Services set forth above, Client shall pay Consultant the following additional compensation:

Task 1 – Project Management, Coordination, and Meetings	\$ 8,700
Task 2 – Preliminary Engineering Design Layout	\$ 16,700
Task 3 – Wakota Industrial Site Preliminary Grading	\$ 7,500
Reimbursable Expenses	\$ 1,500
Total	\$ 34,400

Kimley-Horn will not exceed the total amount shown above without authorization from the Client. Our total estimated not-to-exceed cost for the scope of services included as a part of this Amendment is, therefore, **\$34,400** including all labor and reimbursable expenses.

AGENDA ITEM

Approve Land Lease at the South St. Paul Airport

ACTION TO BE CONSIDERED OR DESIRED OUTCOME

Adopt Resolution No. 2025-30 Approving Land Lease at Fleming Field with NB Aircraft Services, LLC for 1875 Hinz Lane.

OVERVIEW

The City Council is required to approve land leases at the airport. City staff has prepared a land lease for Lot 11, Block 3, Airport Rearrangement, also known as 1875 Hinz Lane for NB Aircraft Services, LLC on the approved lease form.

The lease is a 10-year lease with two additional 10-year renewals for a total of 30 years.

Airport staff recommends approval of this lease.

LEASE AGREEMENT

THIS LEASE AGREEMENT (“Lease”) is made as of the 3rd day of March, 2025, between the City of South St. Paul, a municipal corporation of the State of Minnesota, (“Landlord”) and NB Aircraft Services, LLC. (“Tenant”), each of the foregoing being sometimes referred to individually as “party” or collectively as “parties.”

IN CONSIDERATION OF the mutual agreements herein expressed and for valuable consideration, the parties agree as follows:

SECTION 1 **LEASE**

- 1.1 Landlord hereby leases to Tenant and Tenant hereby leases from Landlord the following real property situated upon the South St. Paul Municipal Airport (“Airport”), a public Airport owned and operated by Landlord, located in the County of Dakota, State of Minnesota:

Lot 11, Block 3, Airport Rearrangement 4th Addition

according to the plat thereof on file and of record in the office of the Dakota County Recorder (“Leased Premises”), together with buildings and improvements, if any, located on the Leased Premises. Said Lease Premises has 4,550.0 total square feet.

- 1.2 Tenant shall have the privilege of using the public portions of the Airport, such as runways and other public facilities provided by Landlord, upon such terms and subject to the rules, regulations and charges for such use as they now exist or may hereafter be established by Landlord by ordinance, resolution or agreement with Tenant.
- 1.3 Tenant agrees that Tenant is leasing the Leased Premises on an “as-is,” “where is” and “with all faults” basis, based upon Tenant’s own judgment, and Tenant disclaims any reliance upon any statement or representation whatsoever made by Landlord regarding the Leased Premises or the Airport. Landlord makes no warranty with respect to the Leased Premises, either express or implied. Landlord specifically disclaims any warranty of merchantability or fitness for any particular purpose and liability for any consequential damages arising out of the use or the inability to use the Leased Premises, or any part thereof.

SECTION 2 **LEASE TERM**

The term of this Lease (“Term”) shall be ten (10) years commencing on March 3, 2025 (“Commencement Date”), unless earlier terminated as provided in this Lease.

SECTION 3
LEASE RENEWAL

- 3.1 Tenant shall have the option to extend the initial Term of this Lease for an additional term of ten (10) years ("First Extended Term") from and after the expiration of the initial Term of this Lease, by giving written notice of the exercise of this option to Landlord not less than one (1) year prior to the expiration of the initial Term of this Lease. Tenant shall also have an option to extend the First Extended Term of this Lease for an additional term of ten (10) years ("Second Extended Term") from and after the expiration of the First Extended Term of this Lease, by giving written notice of the exercise of this option to Landlord not less than one (1) year prior to the expiration of the First Extended Term of this Lease. Each option to renew and each extended term is subject to the following terms and conditions:
- (i) No default exists in the performance by Tenant of any of the terms of this Lease;
 - (ii) Each extended term shall be on the terms, covenants and conditions of the then current lease terms for the same type of tenants (noncommercial, commercial with direct access to public road, or commercial without direct access to public road) and at the highest rental rate for the particular type of tenancy;
 - (iii) With respect to the Second Extended Term that the option for the First Extended Term has been exercised; and
 - (iv) That the Lease Term and any extension term shall not cause the Lease to continue for more than thirty (30) years from the Commencement Date of the Lease.

SECTION 4
RENT

- 4.1 During each year of this Lease, Tenant shall pay to Landlord on or before September first of each year an annual rent ("Rent") as calculated in this Section. In the event of any fractional year occurring during the Term of this Lease, Tenant shall pay rent on a pro rata basis calculated on the ratio of the actual number of days of possession by Tenant to the total number of days in the year in question.
- 4.2 In addition to being an event of default entitling Landlord to terminate this Lease, failure to pay Rent by March first of each year shall result in a late fee equal to \$50 or five percent (5%) of the Rent due, whichever is greater, per month for each month that the Rent is late. Nothing in this paragraph shall be interpreted as a waiver of any of the Landlord's rights on the Tenant's default pursuant to any other provision of this Lease.

- 4.3 The Annual Rent shall be calculated by multiplying the total square footage of the Leased Premises by the rate set forth in Exhibit A, attached hereto and incorporated herein by reference. At the commencement of any Extended Lease Term, the Annual Rent shall be adjusted upward to the highest rental rate for the Tenant's particular type of tenancy. Thereafter, the Annual Rent shall be increased by three percent (3%) each year for the duration of the Extended Lease Term.
- 4.4 Tenant shall pay to Landlord as additional rent, payable on the same terms as the Rent set forth in this Section, a fee for improvements to the Airport made by Landlord that constitute a special benefit to the Leased Premises ("Infrastructure Fee"). The Infrastructure Fee for the Leased Premises is \$3.25 multiplied by the square footage of the Leased Premises and shall be paid in full (100%) on the date the Lease is signed or one-half (50%) on the date this Lease is signed, and the balance, plus interest at seven percent (7%) per annum on the unpaid balance, in three (3) installments on or before the first, second and third anniversary dates of the commencement of this Lease.
- 4.5 Tenant shall pay to Landlord at the time this lease is signed, a Park Dedication Fee of \$1,282.61 ("Park Dedication Fee").

SECTION 5 **USE OF LEASED PREMISES**

- 5.1 The Leased Premises and the building(s) presently thereon and/or those buildings which will be built thereon by Tenant shall be used solely for the following purposes and for no other purpose by Tenant or by other parties to whom Tenant may assign this Lease: [check use(s)]
- X Aircraft storage and uses customarily incidental to aircraft storage, including aircraft storage for rent
- X Construction of building
- Other (specify) _____
- 5.2 Use of the Leased Premises for any purpose not expressly provided for in this Section shall constitute a default under this Lease unless Landlord provides written approval for such use prior to commencement of the use.

SECTION 6 **CONDUCT OF OPERATIONS**

- 6.1 In the conduct of their authorized activities on the Leased Premises and in the Airport, Tenant and any person or entity operating under any agreement with Tenant, shall furnish services on a fair, equal and non-discriminatory basis to all users thereof, and shall charge fair, reasonable and non-discriminatory prices for each unit of sale or service; provided,

however, that Tenant and those operating under agreement with Tenant shall be allowed to make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

- 6.2 Tenant shall have the nonexclusive privilege to use the public portions of the Airport, including, without limitation, parking areas, taxiways and roads, subject to the rules and regulations which now exist or are hereafter enacted by Landlord regarding such use and subject to such usage charges as may be established by Landlord.
- 6.3 This Lease shall not be construed in any manner to grant Tenant, or those claiming under Tenant, the exclusive right to use any part of the Airport, except the Leased Premises.

SECTION 7

TENANT'S COMMITMENT TO CONSTRUCTION OF BUILDING

- 7.1 Tenant agrees that any building constructed by Tenant upon the Leased Premises shall be constructed at no cost to Landlord, and that construction of the building useable for its Tenant's intended purpose(s) shall be completed and a Certificate of Occupancy shall be issued within one (1) year of the commencement of the initial Term of this Lease. If Tenant fails to complete construction of the building and obtain a Certificate of Occupancy within one (1) year of the commencement of the initial Term of this Lease, Tenant shall have an additional six (6) months to complete construction of the building and obtain a Certificate of Occupancy, provided that prior to the end of the initial one year time period allowed for construction of the building, Tenant can prove to the Landlord that Tenant has entered into a binding contract with a builder to construct the building and that a building permit for construction of the building has been issued to Tenant by the City of South St. Paul.
- 7.2 If Tenant is unable to complete construction of the building and obtain a Certificate of Occupancy within the time period specified in Section 7.1, then, in addition to any other remedies that may be contained in this Lease Agreement, Tenant shall forfeit and Landlord shall be permitted to retain any payment(s) made by Tenant as provided in Section 4 for Rent, the Infrastructure Fee and/or the Park Dedication Fee.
- 7.3 The construction of all buildings and the buildings themselves must be built pursuant to the Building Standards Policy attached as Exhibit B, which is herein incorporated by reference.
- 7.4 Before commencing any erection, rebuilding, enlargement or extension of a building, and before commencing any repair or alteration costing in excess of One Thousand Dollars (\$1,000), Tenant shall furnish to Landlord for Landlord's approval:
 - (i) The plans for such work;

- (ii) The estimated cost of completing the work;
 - (iii) Unless waived in writing by Landlord, a bond or other security in amount, form and with surety satisfactory to Landlord, conditioned for the commencement and completion and payment for such work, and against loss or damage by reason of mechanic's liens; and
 - (iv) An insurance policy issued by an insurance company approved by Landlord and in an amount satisfactory to Landlord naming Landlord as an additional insured and protecting Landlord from all liability to persons or property for damages arising out of the contemplated work.
- 7.5 Tenant shall only proceed with the construction of a building upon the Leased Premises after receipt of written approval from Landlord for the plans for the building.
- 7.6 Regardless of whether or not the foregoing bonds, security and insurance are waived by Landlord, Tenant shall:
- (i) Prior to the commencement of any construction, repair or alteration, procure from the necessary authorities any building or other permits that may be required;
 - (ii) Do or cause the work to be done in a good and workmanlike manner and to be completed within the required time and in conformity with such building codes, zoning ordinances and regulations and orders of any lawful authority applicable to the Airport;
 - (iii) Keep the Leased Premises and every building, structure and improvement on the Leased Premises free and clear from all liens for labor performed and materials furnished therefore;
 - (iv) Defend, at Tenant's own cost and expense, each and every lien asserted or filed against any portion of the Leased Premises, or against the building, structure or improvement thereon and pay each and every judgment made or given against any portion of the Leased Premises, or against the building, structure or improvement thereon; and
 - (v) Indemnify and hold Landlord harmless from each and every claim, demand, action and cause of action arising out of or in connection with any act or omission of Tenant, or of any agent, employee or contractor of Tenant, with respect to the removal, erection, alteration, enlargement or extension of any building, structure or improvement on the Leased Premises, or arising out of or in connection with the assertion or filing of any lien on said land or against any building, structure or improvement thereon.

SECTION 8

BUILDING MAINTENANCE

Tenant, at Tenant's own cost and expense, shall take good care of the Leased Premises and shall repair, replace and maintain the buildings, structures and improvements located thereon and shall keep and maintain the same in good order and repair and in a clean and neat condition. Tenant shall not suffer or permit any waste or nuisance on the Leased Premises or anything thereon which interferes with the rights of other tenants or the Landlord in connection with the use of the Airport Leased Premises not leased to Tenant. Landlord shall not be required to repair, replace or maintain any buildings, structures or improvements on the Leased Premises.

SECTION 9

INSURANCE

- 9.1 At all times during the Term of this Lease, Tenant shall keep all buildings on the Leased Premises insured against fire, vandalism, malicious mischief, and windstorm loss or damage for an aggregate amount equal to one hundred percent (100%) of the fair market value of the buildings or the insurable value, whichever is greater, and any money received from said insurance as a result of any loss or damage to the building shall be divided between Tenant and Landlord as their interest may appear. The policies shall be in a form satisfactory to Landlord, and copies of the insurance policies or certificates thereof evidencing such coverage and that such insurance is payable to Landlord and Tenant shall be furnished to Landlord. Upon the occurrence of loss of or damage to the building, Tenant shall within thirty (30) days repair, rebuild, replace or remove the building, unless Landlord consents in writing to an extended time, which consent shall not be unreasonably withheld or delayed.
- 9.2 Tenant shall, at Tenant's sole cost and expense, maintain in effect at all times during the Term of this Lease a "Commercial General Liability Insurance" policy on an "occurrence" rather than on a "claims made" basis, with a total combined policy limit of not less than the limitation of liability of Landlord under Minnesota Statutes Chapter 466, or any successor statute, which policy shall include, but not be limited to, coverages for Bodily Injury, Property Damage, Personal Injury and Contractual Liability (applying to this Lease), or an equivalent form (or forms), so long as such equivalent form (or forms) affords coverage which is at least as broad as the above. Such policy shall name Landlord as an additional insured. Policies for such liability coverage shall be in a form and issued by an insurer reasonably acceptable to Landlord and shall require at least thirty (30) days prior written notice to Landlord of termination or material alteration. Tenant's liability insurance shall be primary with respect to Landlord and its agents and not participating with any other available insurance. Tenant shall deliver to Landlord on the Commencement Date of this Lease and on each Anniversary Date thereafter insurer-certified copies of such policies, certificates or other evidence reasonably satisfactory to Landlord confirming the terms of

such insurance, confirming that premiums thereon have been paid at least one (1) year in advance and confirming that the policies are in full force and effect.

- 9.3 Tenant shall carry owners-tenants combined single limit coverage for bodily injury, property damage and all damages for any one incident of at least One Million Dollars (\$1,000,000.00).
- 9.4 Each party hereto waives all claims for recovery from the other party for any loss or damage to any of its property insured under valid and collectible insurance policies to the extent of any recovery collectible under such insurance, subject to the limitation that this waiver shall apply only when permitted by the applicable policy of insurance. The parties agree to use good faith efforts to have any and all fire, extended coverage or any and all material damage insurance which may be carried endorsed with the following subrogation clause: "This insurance shall not be invalidated should the insured waive any writing prior to a loss, any or all right of recovery against any party for loss occurring to the property described therein."

SECTION 10 **INDEMNIFICATION**

- 10.1 Tenant agrees to indemnify and hold Landlord harmless from any and all loss, damage, claims, judgments, litigation expenses and costs for any injury to persons or damage to property from any act or omission of Tenant, its employees, agents, subsidiaries, licensees and sublessees while on or about the Airport or the Leased Premises, and Landlord shall not be liable to any extent for, nor will Tenant make any claim against Landlord for or on account of any injury, loss or damage to the Leased Premises, the buildings or structures thereon, the personal property and facilities located therein, or to any person or property at any time on the Leased Premises whether occasioned by fire, water, smoke, steam, gas, electricity or other agency or instrumentality which may come or be on the Leased Premises or occasioned by any other cause. The Tenant's indemnity obligation is not limited by the insurance required in Sections 9.1 and 9.2.
- 10.2 Nothing in this Lease shall cause Landlord in any way to be construed as partner, joint venture or associated in any way with Tenant in the operation of the Leased Premises, or subject Landlord to any obligation, loss, charge or expense connected with or arising from the operation or use of the Leased Premises or any part thereof.

SECTION 11 **PAYMENT OF TAXES AND OTHER CHARGES**

Tenant shall pay all taxes, assessments, license fees or other charges that may be levied or assessed during the Term of this Lease upon or against the Leased Premises, any improvements or equipment on the Leased Premises, or on account of the transacting of business thereon by Tenant,

including but not limited to all real and personal property taxes. If Tenant shall fail to pay any of the taxes, assessments, license fees or other charges when the same become due, Landlord may pay the same, together with any cost or penalty which may accrue thereon, and collect the entire amount so paid from Tenant and Tenant agrees to pay the entire amount to Landlord upon demand. Tenant recognizes and agrees that the word "taxes" as used in this Section includes any tax which may be imposed and required to be collected pursuant to Minnesota Statutes Section 272.01, subd. 2, or similar successor statute, for the privilege of using and possessing the Leased Premises, which are tax exempt, in the same amount and to the same extent as though Tenant were the owner of the Leased Premises. Tenant acknowledges that the Leased Premises is assessed separately from the Airport for purposes of assessing property taxes, and that Tenant is responsible for paying all such personal property taxes or property taxes to Dakota County.

SECTION 12

SERVICES AND UTILITIES

- 12.1 All utilities for the Leased Premises shall be separately metered. Tenant shall be responsible for any repairs to utilities or utility connections on the Leased Premises. If Tenant fails to make required repairs to any utilities or utility connections within ten (10) days after Landlord has sent written notice to Tenant that the repairs need to be made, Landlord may make such required repairs and Tenant shall pay to Landlord the cost of performing such repair within five (5) days after receipt of a bill for the repair charges.
- 12.2 Tenant agrees to promptly pay all claims, in addition to Rent, for all utilities or other services supplied to or consumed by Tenant on the Leased Premises, including, without limitation, gas, electricity, water, telephone, trash collection, storm water utility and all similar services provided by Landlord.
- 12.3 Tenant shall provide, at Tenant's expense, security lighting and proper electrical service to the Leased Premises. All utility connections, electrical or otherwise, shall be underground.

SECTION 13

TENANT'S FINANCING

- 13.1 Tenant shall have the right to subject the leasehold estate and any and all improvements to one or more mortgages as security for a loan or loans or other obligation of Tenant, provided that:
- (i) The mortgage and all rights acquired under it shall be subject to all of the terms, covenants conditions and restrictions contained in this Lease and to all rights and interests of Landlord, except as otherwise provided in this Lease; and
 - (ii) Tenant shall give Landlord prior notice of any mortgage, together with a copy of it.

- 13.2 If Tenant defaults under the terms of any permitted leasehold mortgage, and the mortgagee acquires Tenant's leasehold estate, whether by exercising its power of sale by judicial foreclosure, or by an assignment in lieu of foreclosure, or of exercise of power of sale, Landlord agrees to postpone the obligation to pay Rent during the sixty (60) days following the mortgagee's acquisition, conditioned upon the following:
- (i) Payments of all taxes, assessment, and insurance premiums required by this Lease to be paid by Tenant are current, or are brought current by mortgagee, and are kept current;
 - (ii) Payments of all utility charges are current or are brought current by mortgagee, and are kept current;
 - (iii) The mortgagee performs all Tenant's obligations with respect to the Leased Premises and keeps any improvements in good order and repair; and
 - (iv) Within seventy-five (75) days following mortgagee's acquisition, mortgagee cures any Rent default of Tenant out of income and rent remaining after paying items (ii) through (iii) above and after mortgagee's reasonable expenses incurred in operating the Leased Premises and improvements.

SECTION 14
RIGHT TO REMOVE BUILDING(S) AT END OF LEASE TERM

- 14.1 Upon termination of this Lease, whether on account of default or by lapse of time, if Tenant shall have paid all taxes, assessments, Rent and other charges payable by Tenant under the terms of this Lease, and shall have kept and performed all the terms and conditions of this Lease, Tenant shall have the privilege of removing from the Leased Premises all buildings or property thereon belonging to Tenant and shall restore the Leased Premises to as good condition as they were in when they were entered upon by Tenant, reasonable wear and tear excepted, provided Tenant does so within sixty (60) days after the termination of this Lease. If said buildings or property are not so removed within said sixty (60) day period, Tenant hereby conveys and transfers the same to Landlord and the title thereto shall vest in Landlord without further act or conveyance; provided, however, that if following commencement of removal or notice of intention to remove, Tenant shall demonstrate to Landlord that for reasons beyond the control of Tenant such removal cannot be completed within said sixty (60) day period, Landlord may allow Tenant a reasonable extension of time for such removal.
- 14.2 At Landlord's sole discretion, Tenant may be required to remove any and all buildings from the Leased Premises at the end of the Lease Term, regardless of whether the requirements of Section 14.1 have been met. Landlord shall inform Tenant in writing no less than ninety (90) days prior to the end of the Lease Term or Extension Term if Landlord

will require Tenant to remove the building(s) from the Leased Premises. Tenant's failure to remove the building(s) at Landlord's direction shall result in Landlord removing the building(s) at Tenant's sole expense.

SECTION 15
TENANT'S RIGHT TO SUBLEASE OR ASSIGN

- 15.1 Sublease. Tenant may not sublease all or any part of the Leased Premises unless and until a building is constructed on the Leased Premises. Provided a building has been constructed on the Leased Premises, Tenant may sublease all or any part of the Leased Premises only if Tenant first obtains the prior written approval of Landlord, which Landlord approval may not be withheld if all of the conditions in Section 15.3 are met.
- 15.2 Assignment. Tenant may not assign all or any part of the Leased Premises unless and until a building is constructed on the Leased Premises. Notwithstanding the foregoing, Tenant may, voluntarily or by operation of law, assign, mortgage, pledge or otherwise transfer this Lease provided Tenant first obtains the prior written consent of Landlord, which Landlord consent can be withheld, in Landlord's sole discretion, for any reason or no reason. If Tenant is a corporation, then any transfer of this Lease by merger, consolidation or liquidation, or any change in ownership of the shares of voting stock so as to result in a change of the present effective voting control of Tenant shall constitute an assignment of this Lease, and as such, shall require the prior written consent of Landlord.
- 15.3 Landlord's written consent to any proposed assignment or transfer shall not be withheld or delayed if, in the sole discretion of the Landlord, all of the following conditions are satisfied:
- (i) The proposed assignee or sublessee has a net worth at least equal to Tenant's net worth as of the date of the signing of this Lease, or the date of the proposed assignment, whichever is greater;
 - (ii) The proposed assignee or sublease is creditworthy considering the obligations to be assumed under the Lease;
 - (iii) The proposed assignee or sublessee has experience in operations similar to that being conducted on the Leased Premises;
 - (iv) The use of the Leased Premises will comply with all the requirements of this Lease;
 - (v) Tenant and Tenant's guarantor(s) (if any) and the proposed assignee or sublessee agree to a written amendment to the Lease, in form and substance acceptable to Landlord, that the Rent as of the effective date of such assignment shall be equal to the highest per square foot rent charged for a similar lease at the Airport; and

- (vi) The proposed assignee or sublessee will continue to use the Leased Premises for the same purpose as the Tenant or for a similar purpose as determined and approved by Landlord at Landlord's sole discretion;
 - (vii) Tenant pays a lease transfer fee to the Landlord in the amount of \$1,000.
- 15.4 If the Lease is assigned to an entity or person other than a member of the Tenant's immediate family before the Infrastructure Fee and accrued interest are fully paid, the Infrastructure Fee and accrued interest shall be due and payable in full on the date the assignment is approved by Landlord.
- 15.5 If Tenant desires to assign the Lease, it shall so notify Landlord in writing at least thirty (30) days prior to the proposed effective date of the assignment. Tenant shall provide Landlord with a copy of the proposed assignment and any other relevant information requested by Landlord.

SECTION 16

QUIET ENJOYMENT

- 16.1 Landlord covenants and agrees with Tenant that upon Tenant's paying said Rent and keeping, paying and performing all the terms, covenants and conditions of this Lease on Tenant's part to be kept, paid and performed, Tenant may, except for reasons beyond the control of Landlord, peaceably and quietly have and hold the Leased Premises for the Term of this Lease.
- 16.2 Notwithstanding the above, Landlord and its agents or representatives shall have the right to enter the Leased Premises and buildings thereon, to inspect the same for operations conducted from and on the Leased Premises and for the purpose of making repairs or improvements to any adjoining premises or to the Airport and to install through or upon the Leased Premises such pipes, wires and appurtenances as it may deem necessary or useful to the operation of the Airport, but the making of such repairs, improvements, or installations shall be done in such manner as will not interfere materially with the use and enjoyment of the Leased Premises by Tenant, except in cases of emergency.

SECTION 17

LANDLORD'S OPERATION OF AIRPORT

Landlord shall properly maintain, operate and manage the Airport at all times in a safe manner consistent with generally accepted good practice in the State of Minnesota for airports of similar size and character. If, for any reason beyond the control of Landlord (including without limitation, war, strikes, riots or acts of God) Landlord shall fail to properly maintain, operate and manage the Airport, such failure shall not operate as a breach of this Lease or render Landlord

liable for damages. This section shall not be construed to bind Landlord to operate a traffic control tower at the Airport, nor be construed to bind Landlord to maintain the Leased Premises.

SECTION 18
DEFAULT BY TENANT

18.1 The following shall constitute a default by Tenant:

- (i) Tenant fails to pay Rent and/or the Infrastructure Fee and such failure to pay shall is not cured within five (5) days from the due date of the payment;
- (ii) Tenant fails to complete construction of the building and obtain a Certificate of Occupancy within the time period specified in Section 7.1.
- (iii) Tenant fails to pay all taxes, assessments, license fees or other charges that may be levied or assessed during the Term of this Lease upon or against the Leased Premises, any improvements or equipment on the Leased Premises, or on account of the transacting of business thereon by Tenant, including but not limited to all real and personal property taxes and such default shall continue for thirty (30) days after notice of said failure to pay is given to Tenant by the Landlord or Dakota County.
- (iv) Tenant fails to observe or perform any of the non-monetary terms, covenants or conditions of this Lease, and such default shall continue for thirty (30) days after notice of default is given by the Landlord or Tenant shall have failed to commence the cure of such default within thirty (30) days after such notice;
- (v) Notwithstanding the requirement contained in Section 18.1(iii) hereof relating to giving the Tenant a thirty (30) day period to cure a non-monetary default, in the event of an emergency as determined by the Landlord, the Landlord may perform the work or improvement to be performed by the Tenant without giving any notice to the Tenant and without giving the Tenant the thirty (30) day period to cure the default. In such case, the Tenant shall within thirty (30) days after written billing by the Landlord reimburse the Landlord for any and all costs incurred by the Landlord.
- (vi) A petition to reorganize Tenant or for an arrangement of its unsecured debts is filed;
- (vii) Tenant is adjudicated bankrupt;
- (viii) A receiver or trustee of Tenant's property is appointed by any Court;
- (ix) Tenant makes a general assignment for the benefit of creditors;

- (x) The entirety of Tenant's interest in Tenant's property shall be taken by garnishment, attachment, execution or other process of law; or
 - (xi) The Leased Premises is abandoned for a period of thirty (30) days.
- 18.2 In the event of any default, in addition to any other remedies available to Landlord at law or equity, Landlord shall have the following rights:
- (i) Immediately, or at any time thereafter, without further notice to Tenant, to re-enter into or upon the Leased Premises, or any part thereof, and take possession of the same fully and absolutely without such re-entry working a forfeiture of the Rents or other charges to be paid and of the covenants, terms and conditions to be performed by Tenant for the full Term of this Lease, and in the event of such re-entry Landlord may seek the collection of the Rents or other charges to be paid under this Lease or for the properly measured damages and for the collection of its reasonable attorney's fees; and
 - (ii) Landlord shall further have all other rights and remedies including injunctive relief, ejectment or summary proceedings in unlawful detainer, and any or all legal remedies, actions and proceedings, and all such shall be cumulative Landlord shall be entitled to its reasonable attorney's fees arising from or attributable to any such breach.
- 18.3 In the event of any default, in addition to any other remedies available to Landlord at law or in equity, including those set forth in Paragraph 18.2, Landlord shall have the immediate right and option to terminate this Lease and all rights of Tenant hereunder by giving written notice of such intention to terminate. In the event that Landlord shall so terminate this Lease as a result of Tenant's default, Landlord may:
- (i) Retain any payment(s) made by Tenant as provided in Section 4 *[for Rent, Infrastructure Fee and/or the Park Dedication Fee]* prior to the termination of this Lease.
 - (ii) Recover from Tenant the amount of any unpaid Rent which had been earned at the time of such termination;
 - (iii) Recover from Tenant all expenses incurred by Landlord in terminating, repossessing and reletting the Leased Premises including but not limited to costs of repairs, brokerage and legal fees, and the collection of Rent;
 - (iv) Recover from Tenant any deficiency between the Rent for the remainder of the Term and the payments, if any, received by Landlord from any reletting of the Leased Premises, or, if elected by Landlord as liquidated and final damages for lost Rent, in

addition to the deficiencies accruing through the date of such election, a lump sum equal to the present value (calculated by discounting at the stated rate of interest payable under any first mortgage or deed of trust on the Property or one (1) percent per annum over the discount rate of the Federal Reserve Bank of Minneapolis, whichever is less) as of the date of such election of the amount by which Rent for the remainder of the Term exceeds the then reasonable rental value of the Leased Premises over the remainder of the Term; and

- (v) Recover from Tenant any reasonable attorneys' fees incurred by Landlord in enforcing its rights hereunder.

SECTION 19 **WAIVER**

Landlord's waiver of any of the rights remedies, terms or conditions of this Lease on any occasion shall not constitute a waiver of any rights, remedies, terms or conditions with respect to any subsequent breach or default under the terms of this Lease.

SECTION 20 **LEGAL COSTS**

If Landlord incurs any costs to collect or recover any amount due or to become due under this Lease or to recover possession of the Leased Premises or files suit upon Tenant for the collection of any amount due or to become due or the recovery of possession of the Leased Premises or the enforcement of any of Tenant's covenants hereunder, Landlord will be entitled to reimbursement of its reasonable attorneys' fees and costs where Landlord is successful in its efforts for the collection of any amounts due or the recovery of possession of the Leased Premises.

SECTION 21 **LIEN ON TENANT'S PROPERTY**

As security for the payment to Landlord of all sums required to be paid by Tenant under the terms of this Lease, Tenant does hereby grant a lien upon and does mortgage to Landlord the buildings, structures and/or improvements located or to be located upon the Leased Premises at any time during the Term of this Lease, and does hereby authorize Landlord upon failure of Tenant to cure any default within the time provided for in Section 18, to take said property and sell and dispose of the same, to foreclose the lien hereby created in the manner provided by the laws of the State of Minnesota subject, however, to the lien of mortgages given by Tenant to finance the construction of the building to be constructed pursuant to this Lease, retaining such amount as shall pay any sums due and owing Landlord under the terms of this Lease, and any attorney's fees and expenses as may have been incurred in connection therewith, and returning the excess, if any, to Tenant. In the event of sale, Landlord may bid in and become the purchaser of the property sold under foreclosure hereunder.

SECTION 22
CONDEMNATION

If it shall be in the public interest, Landlord shall have the power to condemn any part or the entirety of the Leased Premises even though it is a party to the Lease. In the event Landlord receives notification of any condemnation proceedings affecting the Leased Premises, Landlord will provide notice of the proceeding to Tenant within fifteen (15) days. If a condemning authority takes all or any part of the Leased Premises as part of a taking or condemnation action, this Lease will automatically terminate as of the day of the taking or condemnation. Tenant waives any and all claim to any portion of a condemnation award awarded to Landlord.

SECTION 23
DESTRUCTION OF LEASED PREMISES

If the buildings on the Leased Premises are partially or completely destroyed, either Landlord or Tenant shall have the right to terminate this Lease upon thirty (30) days written notice to the other party.

SECTION 24
LEASE AMENDMENTS

- 24.1 Any of the terms of this Lease may be amended upon the mutual agreement, in writing, of Landlord and Tenant, which must be executed with the same formalities as this instrument.
- 24.2 This Lease is subject to the approval of federal and state agencies. The parties agree to modify this Lease as may be necessary to obtain approval by any federal or state agencies, provided, however, that such modification does not substantially change the Term, Rent or area leased. If the modification would substantially change the Term, Rent or area leased, either party may terminate this Lease by written notice to the other party.

SECTION 25
BINDING ON SUCCESSORS

Except as herein otherwise provided, all the terms, covenants and conditions of this Lease shall be binding upon and inure to the benefit of the legal representatives, successors, assigns and subsidiaries of both Landlord and Tenant.

SECTION 26
COMMITMENTS TO FEDERAL OR STATE AGENCIES

Nothing herein shall be construed to prevent Landlord from making such commitments as

it desires to the Federal Government or to the State of Minnesota in order to qualify for the expenditure of federal or state funds on the Airport.

SECTION 27 **AIRCRAFT REGISTRATION**

Tenant agrees that any aircraft that is based at, stored at or utilizes the Airport under this Lease shall be currently in compliance with the aircraft registration requirements set forth in Minnesota Statutes Chapter 360.

SECTION 28 **APRON AND TAXIWAY**

- 28.1 Apron. At Tenant's own expense, Tenant shall construct, maintain, repair and replace an apron to serve the Leased Premises.
- 28.2 Taxiway. If Landlord constructs a taxiway to serve the Leased Premises as well as other areas, Landlord may require Tenant to pay the amount resulting from the following formula:
- (i) First, Landlord shall calculate the total cost of construction of the taxiway, including all engineering, legal and administrative costs associated therewith;
 - (ii) Second, the amounts that Landlord actually receives from federal and state grants for the taxiway, if any, shall be subtracted from the total cost;
 - (iii) Third, the resulting figure from steps (i) and (ii) above shall be multiplied by a factor where the denominator is the total amount of leased or to be leased frontage that abuts taxiway (including the frontage leased to Tenant as well as others) and the numerator is the frontage of the Leased Premises abutting the taxiway;
 - (iv) The figure resulting from step (iii) above shall be paid by Tenant.

SECTION 29 **SIGNS**

Tenant may erect suitable advertising signs on the Leased Premises to advertise Tenant's business, provided that the form, type, size and method of installation shall first be approved by Landlord.

SECTION 30 **AVIATION FUEL**

Tenant shall not have the right to sell, dispense, give or transfer aviation fuel, except to fuel aircraft owned by or exclusively leased to Tenant. There shall be no storage of flammable materials, liquids or fuels in open containers in or upon the Leased Premises.

SECTION 31
LEASE SUBJECT TO GOVERNMENT DEED RESTRICTIONS

- 31.1 Tenant understands and agrees that all terms and conditions of the deed between Landlord and the Navy Department, which deed is known as the Surplus Property Deed, which consists of a Quit Claim Deed dated December 22, 1950, and a corrected deed October 4, 1951, are herewith incorporated by reference into the terms of this Lease. In the event of any conflict between this Lease and that deed and all conditions imposed by the deed or other governmental grants, reservations, statutes or regulations, this Lease shall stand amended to conform thereto. In the event such reformation substantially impairs the rights and obligations of this Lease, the Lease shall stand terminated by written notice from Landlord to Tenant, such notice to include the basis for the termination and Rents to be prorated as of that date. Specifically, but not in limitation hereof, it is understood and agreed that this Lease is also subject to the so-called "Sponsor's Assurances" made by Landlord to the State and/or Federal Governments in connection with improvement grants, parts of which are as follows:

"The Sponsor agrees that it will operate the Airport for the use and benefit of the public, on fair and reasonable terms, and without unjust discrimination. In furtherance of this covenant (but without limiting its general applicability and effect), the Sponsor specifically covenants and agrees:

- (a) That in any agreement, contract, lease or other arrangement under which a right or privilege at the Airport is granted to any person, firm or corporation to render any service or furnish any parts, materials or supplies (including the sale thereof) essential to the operation of aircraft at the Airport, the Sponsor will insert and enforce provisions requiring the contractor:
 - (1) to furnish good, prompt and efficient service adequate to meet all the demands for its service at the Airport;
 - (2) to furnish said service on a fair, equal and nondiscriminatory basis to all users thereof, and
 - (3) to charge fair, reasonable and nondiscriminatory prices for each unit of sale or service: Provided, however, that the contractor may be allowed to make

reasonable and nondiscriminatory discounts, rebates or similar types of price reductions to volume purchasers.

- (b) That it will not exercise or grant any right or privilege which would operate to prevent any person, firm or corporation operating aircraft at the Airport from performing any services on its own aircraft with its own employees (including but not limited to, maintenance and repair) that it may choose to perform;
- (c) That is the Sponsor exercises any of the rights or privileges set forth in subsection (a) of this paragraph, it will be bound by and adhere to the condition specified for contractors set forth in said subsection (a).”

SECTION 32

HAZARDOUS SUBSTANCES

32.1 Tenant shall take no act or allow any act to be taken that will subject the Leased Premises to “superfund” type liens or claims by regulatory agencies or other entities arising from the actual or threatened release, deposit or existence of hazardous substances (defined below) in, on or about the Leased Premises. Tenant agrees to indemnify, defend and hold Landlord harmless from and against any and all claims, penalties, forfeitures, suits or liabilities of any type or nature (including cost of defense, settlement and reasonable attorneys’ fees) incurred by Landlord hereafter or for which Landlord shall become responsible for or pay as a result of any or all of the following:

- (i) Death or bodily injury to any person;
- (ii) Structural damage to any property;
- (iii) Contamination of or detrimental effect upon the environment; or
- (iv) Violation of governmental laws, orders or regulations

as a result of or due to the actual or threatened release of hazardous substances claimed or alleged to have been deposited, stored, disposed of, placed or otherwise located in, on or about the Leased Premises.

32.2 Tenant shall not store or possess any hazardous substances on the Leased Premises unless the same are stored or possessed in a manner that complies with all applicable laws, and in no event shall Tenant dispose of any hazardous substances on the Leased Premises without the express prior written consent of Landlord, which consent may be withheld at

Landlord's sole discretion.

- 32.3 As used in this Lease, the term "hazardous substances" is defined to include any substances, wastes, contaminants or pollutants that are now or hereafter shall be included within the definition of such term or similar replacement term, under any federal, state or local statute, ordinance, code or regulation now existing or hereafter enacted or amended, including but not limited to the Minnesota Environmental Response and Liability Act, Minnesota Statutes Chapter 115B; Minnesota Petroleum Tank Release Clean-Up Act, Minnesota Statutes Chapter 115C as amended by Superfund Amendments and Reauthorization Act of 1986; the Asbestos Abatement Act, Minnesota Statutes Sections 326.70 through 326.81; and the State Environmental Lien Statute, Minn. Stat. §514.672, et. Seq.
- 32.4 Tenant shall promptly provide Landlord with copies of all notices or reports received or submitted by it to or from any governmental agency or other third party with respect to the storage, processing, disposal, release or threatened release of hazardous substances into or onto the Leased Premises or any adjacent property.

SECTION 33

GENERAL PROVISIONS

- 33.1 The Leased Premises are to be used primarily for the storage of aircraft. No more than twenty (20) percent of the floor area of a building may be used for non-aviation vehicles or items, and any non-aviation vehicles may not exceed forty-eight (48) inches in height as measured from the floor to the highest point of the vehicle. No vehicle may be stacked or placed on top of another vehicle or any object in such a manner that the total height of the combination of the vehicle(s) exceeds forty-eight (48) inches in height.
- 33.2 Tenant shall comply with all terms and conditions set forth in the most recently adopted South St. Paul Airport Operations Manual and any amendments or revisions to the Manual.
- 33.3 Tenant shall comply with the all terms and conditions set forth in the Airport Contract Requirements attached as Exhibit C and incorporated herein by reference, and any amendments or revisions to the same.
- 33.4 Tenant and Tenant's employees, agents, contractors and invitees shall, at all times while on or about any part of the Airport, obey all Airport traffic rules and regulations.

- 33.5 Tenant agrees that this Lease shall terminate in the event of the withdrawal or revocation of any permit or approval to operate the Airport granted to Landlord by the agencies or agency having jurisdiction over the Airport, or the revocation of the licenses issued to Landlord for the operation of the Airport with the rents prorated as of such termination.
- 33.6 Tenant agrees that the Leased Premises are subject to all easements and encumbrances of record. Tenant shall not interfere with said easements.
- 33.7 Tenant agrees that the Leased Premises are subject to the right of Landlord to locate, construct, maintain, reconstruct and repair an Airport beacon and wiring relating thereto on the subject Leased Premises; Landlord shall also have a right of access to the Leased Premises for the purpose of locating, construction, maintaining, reconstructing and repairing the Airport beacon and wiring.

SECTION 34 **NOTICES**

- 34.1 All notices or communications required or permitted by this Lease must be written and may be given personally or sent by certified United States mail, postage prepaid, or overnight courier at the following addresses:

If to Landlord: Terminal Building
1725 Henry Avenue
South St. Paul, MN 55075
Attn: Airport Manager

If to Tenant: NB Aircraft Services, LLC
Attn: Robby Timmons
1830 Brighton Trail
Woodbury, MN 55125

903-372-4424
robbywtimmons@gmail.com

- 34.2 Either party may change their address by providing written notice of the party's new address to the other party.

SECTION 35 **DATA PRACTICES ACT**

Information supplied by Tenant to Landlord is subject to the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13 (the "Act"). Such information shall become public

unless it falls into one of the exceptions of the Act. Tenant shall notify Landlord in writing of any data Tenant believes is classified as non-public.

SECTION 36

ENTIRE AGREEMENT

This Lease contains the entire agreement between the parties. No promise, representation, warranty, or covenant not included in this Lease has been or is relied on by either party. Each party has relied on his/her/its own examination of this Lease, the counsel of her/her/its own advisors and the warranties, representations, and covenants in the Lease itself. The failure or refusal of either party to inspect the Leased Premises or improvements, to read the Lease or other documents or to obtain legal or other advice relevant to this transaction constitutes a waiver of any objection, contention or claim that might have been based on such reading, inspection or advice.

SECTION 37

CAPTIONS; TABLE OF CONTENTS

The table of contents and the captions of the various sections of this Lease are for convenience and ease of reference only and do not define, limit, augment or describe the scope, content, or intent of this Lease or of any part or parts of this Lease.

SECTION 38

COUNTERPARTS

This Lease may be executed in two or more counterparts, each of which shall be an original, but all of which shall constitute one and the same instrument.

SECTION 39

GOVERNING LAW

This Lease shall be governed, construed and enforced in accordance with the laws of the State of Minnesota.

SECTION 40

CONFLICT OF INTEREST

Tenant represents and warrants that no official, officer, or employee of Landlord has or will have any interest, direct or indirect, in this Lease or the transactions contemplated by it.

SECTION 41

MEMORANDUM OF LEASE

If either party requests the other party to do so, the parties shall execute a memorandum of

lease in recordable form acceptable to both parties. The memorandum of lease may be recorded by either party at its expense in the appropriate land records office.

SECTION 42
THIRD PARTY BENEFICIARIES

Neither this Lease nor any provision of it shall create any right in favor of or impose any obligation upon any person or entity other than the parties to this Lease and their respective successors and permitted assigns.

SECTION 43
COMPLIANCE WITH LAWS AND REGULATIONS

Tenant shall comply with all laws of the United States the State of Minnesota and with all ordinances, rules, regulations and orders of any of the foregoing, and of any department thereof. Tenant shall comply with all ordinances, rules and regulations of Landlord relating to the Leased Premises and with respect to control of ground and air traffic, aircraft operations and the general use of the Airport.

SECTION 44
FORCE MAJEURE

The time within which any of the parties hereto shall be required to perform any act or acts under this Lease, except for payment of monies, shall be extended to the extent that the performance of such act or acts shall be delayed by acts of God, fire, windstorm, flood, explosion, collapse of structures, riot, war, labor and/or legal disputes, delays or restrictions by government bodies, inability to obtain or use necessary materials, or any cause beyond the reasonable control of such party (any such delay being called "unavoidable delay" in this Lease), provided however, that the party entitled to such extension hereunder shall give prompt notice to the other party of the occurrence causing such delay.

SECTION 45
NON-DISCRIMINATION

Tenant, Tenant's successors in interest and permitted assigns, as a part of the consideration hereof, do covenant and agree to the following as covenants running with the land:

- (i) That no person shall be excluded from participation in, denied the benefits of or be otherwise subjected to discrimination in the use of the facilities on the Leased Premises on the grounds of race, sex, color, creed or national origin;
- (ii) That in the construction of any improvements on, over, or under such land and the furnishing of services thereon, no person shall be excluded from participation in,

denied the benefits of or otherwise be subjected to discrimination on the grounds of race, sex, color, creed or national origin; and

- (iii) That Tenant shall use the Leased Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federal-assisted programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and said Regulations as may be amended. In the event of a breach of any of the above nondiscrimination covenants, Landlord shall have the right to terminate this Lease and to re-enter and repossess the Leased Premises, and hold the same as if said Lease had never been made or issued.

SECTION 46 **SEVERABILITY**

If any provision of this Lease or the application thereof to either party or any circumstance is unenforceable to any extent, the remainder of this Lease and the application of such provision to the other party or circumstances will not be affected thereby and will be enforceable to the greatest extent permitted by law.

IN WITNESS WHEREOF, the parties have executed this Lease, or caused it to be executed by their or its duly authorized representative(s), as of the day and year first above written.

EXHIBIT C

AIRPORT CONTRACT REQUIREMENTS

1. (/a) Tenant for itself, its heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land, that in the event facilities are constructed, maintained, or otherwise operated on the Leased Premises for a purpose for which a DOT program or activity is extended or for another purpose involving the provision of similar services or benefits, Tenant shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as said Regulations may be amended. (49 CFR Part 21 – DOT Title VI Assurance – AC 150/5100-15A)
2. (/a) Tenant for itself, its personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that:
 - (a) No person on the grounds of race, color or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of the Leased Premises;
 - (b) That in the construction of any improvements on, over, or under such Leased Premises and the furnishing of services thereon, no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination; and
 - (c) That Tenant shall use the Leased Premises in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as said Regulations may be amended. (49 CFR Part 21 – DOT Title VI Assurance – AC 150/5100-15A)
3. (/b) Tenant agrees to furnish service on a fair, equal and not unjustly discriminatory basis to all users thereof, and to charge fair, reasonable, and no unjustly discriminatory prices for each unit or service, PROVIDED, that Tenant may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers. (Grant Assurance 22)
4. (/b) Tenant assures that it will comply with pertinent statutes, Executive Orders and such rules as are promulgated to assure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or handicap be excluded from participating in any activity conducted with or benefiting from Federal assistance. This Provision obligates Tenant or

its transferee for the period during which Federal assistance is extended to the airport program, except where Federal assistance is to provide, or is in the form of personal property or real property or interest therein or structures or improvements thereon. In these cases, the Provision obligates Tenant or any transferee for the longer of the following periods:

- (a) The period during which the Leased Premises is used by the sponsor or any transferee for a purpose for which Federal assistance is extended, or for another purpose involving the provision of similar services or benefits; or
- (b) The period during which the Airport sponsor or any transferee retains ownership or possession of the Leased Premises.

In the case of contractors, this Provision binds the contractors from the bid solicitation period through the completion of the contract. (AAIA of 1982, Section 520 – AC 150/5100-15A)

- 5. (/b) Tenant agrees that it practices nondiscrimination in their activities and will provide DBE participation in their leases as required by the sponsor, in order to meet the sponsor's goals, or required by the FAA in order to obtain an exemption from the prohibition against Long-term exclusive leases. (49 CFR Part 23 – AC 150/5100-15A)
- 6. (/b) Tenant agrees that it shall insert the above five provisions in any lease (agreement, contract, etc.) by which Tenant grants a right or privilege to any person, firm or corporation to render accommodations and/or services to the public on the Leased Premises. (See the documents referenced for the above clauses)
- 7. (/b) It is hereby specifically understood and agreed that nothing herein contained shall be construed to grant or authorize the granting of an exclusive right to provide aeronautical services to the public as prohibited by Section 308(a) of the Federal Aviation Act of 1958, as amended, and Landlord reserves the right to grant to others the privilege and right of conducting any one or all activities of an aeronautical nature. (Federal Aviation Act of 1958 Section 308(a) – AC 150/5100-16A)
- 8. (/c) Landlord reserves the right to further develop or improve the landing area of the Airport as it sees fit, regardless of the desires or view of Tenant, and without interference or hindrance. (FAA Order 5190.6A - AGL-600)
- 9. (/c) Landlord reserves the right, but shall not be obligated to Tenant, to maintain and keep in repair the landing area of the Airport and all publicly-owned facilities of the Airport, together with the right to direct and control all activities of Tenant in this regard. (FAA Order 5190.5A – AGL-600)

10. (/c) This Lease shall be subordinate to the provisions of and requirements of any existing or future agreement between Landlord and the United States, relative to the development, operation, or maintenance of the Airport. (FAA Order 5190.6A – AGL-600)
11. Tenant agrees to comply with the notification and review requirements covered in Part 77 of the Federal Aviation Regulations in the event any future structure or building is planned for the Leased Premises, or in the event of any planned modification or alteration of any present or future building or structure situated on the Leased Premises. (FAA Order 5190.6A – AGL-600)
12. There is hereby reserved to Landlord, its successors and assigns, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the Leased Premises. This public right of flight shall include the right to cause in said airspace any noise inherent in the operation of any aircraft used for navigation or flight through the said airspace or landing at, taking off from, or operation on the Airport. (FAA Order 5190.6A – AGL-600)
13. By accepting this, Tenant expressly agrees for itself, its successors and assigns that it will not erect nor permit the erection of any structure or object nor permit the growth of any tree on the Leased Premises, above a mean sea level elevation of 840.0* feet. In the event the aforesaid covenants are breached, Landlord reserves the right to enter upon the Leased Premises and to remove the offending structure or object and cut the offending tree, all of which shall be at the expense of Tenant. (FAA Order 5190.6A – AGL-600)
14. By accepting this Lease, Tenant expressly agrees for itself, its successors and assigns that it will not make use of the Leased Premises in any manner which might interfere with the landing and taking off of aircraft from the Airport or otherwise constitute a hazard. In the event the aforesaid covenant is breached, Landlord reserves the right to enter upon the Leased Premises and cause the abatement of such interference at the expense of Tenant. (FAA Order 5190.6A – AGL-600)
15. (/d)** This Lease and all the provisions hereof shall be subject to whatever right the United States Government now has or in the future may have or acquire affecting the control, operation, regulation, and taking over of the Airport or the exclusive or nonexclusive use of the Airport by the United States during the time of war or national emergency. (Surplus Property Act of 1944 – FAA Order 5190.6A – AGL-600)
16. (/b) It is clearly understood by Tenant that no right or privilege has been granted which would operate to prevent any person, firm, or corporation operating aircraft on the Airport from performing any services on its own aircraft with its own regular employees (including, but not limited to maintenance and repair) that it may choose to perform. (Assurance 22 – FAA Order 5190.6A – AGL-600)

17. (/e) This Lease is subject to the requirements of the U.S. Department of Transportation's regulations 49 CFR Part 23, Subpart F. Tenant agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement covered by 49 CFR Part 23, Subpart F. Tenant also agrees to include the above statements in any subsequent complementary aeronautical activity agreements that it enters into and cause those businesses to similarly include the statements in further agreements. (49 CFR Part 23, Subpart F)

Notes

- /a Mandatory in all leases/agreements if airport is obligated by a Federal Agreement since January 30, 1965.
- /b Mandatory in all leases/agreements for aeronautical services at airports subject to continuing obligations under FAAP/ADAP/AIP Agreements.
- /c Mandatory in all Use Agreements permitting aeronautical operations from adjoining non-airport property.
- /d Mandatory in all leases/agreements at airports acquired in whole or in part under Federal Surplus Property Transfer (unless the National Emergency Use Provision of the Surplus Transfer Document has been specifically released by the FAA).
- /e Mandatory in all complementary aeronautical activity leases/agreements executed after June 1, 1992.
- * Insert the number of feet mean sea level applicable to the most critical area of the parcel contained in this Lease in accordance with Part 77 of the Federal Aviation Regulations. If required, the area of a lease may be subdivided as shown on a property map to provide more than one height limitation, or more restrictive height limitations may be imposed at the discretion of the Sponsor.
- ** If the airport is not subject to the National Emergency Use Provision generally contained in Surplus Property Instruments of Disposal, Paragraph 15 above may be modified to exclude that portion of the provision, "or the exclusive or nonexclusive use of the Airport by the United States during the time of war or national emergency."

CITY COUNCIL AGENDA REPORT

CONTRACTOR'S APPLICATION FOR PAYMENT

Application is made for payment, as shown below, in connection with the contract.
Continuation Sheet, AIA Document G703, is attached.

1. ORIGINAL CONTRACT SUM \$2,095,000.00
2. Net change by Change Orders \$308,851.42
3. CONTRACT SUM TO DATE (Line 1 ± 2) \$2,403,851.42
4. TOTAL COMPLETED & STORED TO DATE \$2,403,851.42
(Column G on G703)
5. RETAINAGE:
 - a. 0 % of Completed Work \$0.00
(Columns D + E on G703)
 - b. 0 % of Stored Material \$0.00
(Columns F on G703)
 - Total Retainage (Line 5a + 5b or
Total in Columns I on G703) \$0.00
6. TOTAL EARNED LESS RETAINAGE \$2,403,851.42
(Line 4 less Line 5 Total)
7. LESS PREVIOUS CERTIFICATES FOR PAYMENT
(Line 6 from prior Certificate) \$2,283,658.85
8. CURRENT PAYMENT DUE \$120,192.57
9. BALANCE TO FINISH, INCLUDING RETAINAGE
(Line 3 less Line 6) \$0.00

G703-1992

CITY COUNCIL AGENDA REPORT

DATE: March 3, 2025
DEPARTMENT: Human Resources
PREPARED BY: Sandy Haima
AGENDA ITEM NUMBER: 8.J.

MEETING TYPE

Regular Meeting

AGENDA ITEM

JPA between Dakota County Statewide Health Improvement Program (SHIP)

ACTION TO BE CONSIDERED OR DESIRED OUTCOME

OVERVIEW

Action to be Considered:

Adopt Resolution #2025-31 accepting the Joint Powers Agreement between Dakota County Public Health and the City of South St. Paul, in which the City has been awarded a SHIP grant for the worksite Wellness program.

Overview:

The City of South St. Paul Wellness Committee applied for and was awarded a grant through Dakota County Public Health for Minnesota Statewide Improvement Program (SHIP) funds. The SHIP funds will be utilized as the following:

Worksite Wellness SHIP Grant: Will include establishing or improving fundamental elements of a healthy workplace and implementing policies, environmental systems and social support changes in selected focus strategies. The new initiative will be implemented organization-wide per the work plan. The Wellness Committee will receive up to \$2000 which will include one 2025 registration fee for the Midwest Health Program Conference. The joint power agreement is attached.

SOURCE OF FUNDS

SHIP grants are reimbursed funds through Dakota County.

City of South St. Paul
Dakota County, Minnesota

RESOLUTION NO. 2025-031
RESOLUTION ACCEPTING JOINT POWERS AGREEMENT WITH
DAKOTA COUNTY PUBLIC HEALTH AND THE CITY OF SOUTH ST. PAUL

WHEREAS, two or more government units may enter into an agreement to cooperatively exercise any power common to the contacting Parties and one of the participating governmental units may exercise one of its powers on behalf of the other governmental units;

WHEREAS, Dakota County has received a grant of monies from the State of Minnesota acting through the Minnesota Department of Health Grant Project Agreement No.183510 for implementation of the County's Statewide Health Improvement Program (SHIP)

WHEREAS, Dakota County is permitted to make sub-grants of its SHIP funds and the County solicited and considered applications from entities for use of such funds;

WHEREAS, Dakota County has awarded the City of South St. Paul with SHIP funds described as South St. Paul Worksite Wellness grant.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of South St. Paul agrees to and accepts the funding to be used the City of South St. Paul for the agreed upon purposes as described in the attached grant contract.

Adopted this 3rd day of March 2025

City Clerk

**JOINT POWERS AGREEMENT FOR WORKSITE WELLNESS
BETWEEN THE COUNTY OF DAKOTA AND
CITY OF SOUTH ST PAUL**

This Joint Powers Agreement (“Agreement”) is entered into by and between the County of Dakota, a political subdivision of the State of Minnesota, by and through its Department of Public Health, and City of South St Paul, 125 3rd Ave. N., South St. Paul, MN 55075 (“Contractor”), by and through their respective governing bodies.

RECITALS

WHEREAS, the County and the Contractor are governmental units as that term is defined in Minn. Stat. §471.59;

WHEREAS, under Minn. Stat. §471.59, subd.1, two or more governmental units may enter into an agreement to cooperatively exercise any power common to the contracting Parties, and one of the participating governmental units may exercise one of its powers on behalf of the other governmental units;

WHEREAS, the County has received a grant of monies from the State of Minnesota acting through the Minnesota Department of Health Grant Project Agreement No. 183510 for implementation of the County’s Statewide Health Improvement Program (“SHIP”);

WHEREAS, the County is permitted to make sub-grants of its SHIP funds and the County has solicited and considered grant applications from entities for use of such funds; and

WHEREAS, the County has awarded Contractor with SHIP funds described herein based the grant expenditures outlined in Exhibit 2, Service Grid.

NOW, THEREFORE, in consideration of the mutual promises and covenants herein, the County and Contractor hereby agree as follows:

1. Effective Date. This Agreement shall be effective as of the later date of signature by the parties.
2. Purpose. The purpose of this Agreement is to provide funding by the County to the Contractor so that the Contractor may participate in the Dakota County SHIP Worksite Wellness program. All funds provided by the County are to be used by the Contractor solely for the purposes described in Exhibit 2, Service Grid.
3. Contractor Obligations under State Contracts. The grant funds provided to Contractor under this agreement are subject to the terms and conditions contained in both the Master Grant Contract between Dakota County and the State of Minnesota dated September 18, 2019, as may be periodically amended, and the SHIP Grant Project Agreement between the Dakota County

Community Health Board and the State of Minnesota dated October 1, 2020, as may be periodically amended, including amendments dated August 23, 2021 and October 18, 2022. (“State Contracts”). See Exhibit 7. Contractor agrees to comply with all terms and conditions contained in such contracts that are applicable to the County. County will provide future State Contract amendments, if any, to the Contractor within 30 days of execution.

4. County Obligations. The County agrees to reimburse the Contractor in an amount not to exceed \$2,000.00 for costs incurred in performing services fulfilling the Purpose described above from the Effective Date through October 31, 2025.
5. Reimbursement and Reporting. After this Agreement has been executed by both parties, the Contractor may claim reimbursement for expenditures incurred in connection with the performance of activities that are eligible for reimbursement in accordance with this Agreement.

The County will reimburse the Contractor within 45 calendar days of the Contractor’s submission of invoices to the County. Invoices must be submitted using the form in Exhibit 6. All requests for reimbursement must be submitted by October 31, 2025. The Contractor must certify that the requested reimbursements are accurate, appropriate and eligible in accordance with the State Contracts, that it has documentation of the actual expenditures for which reimbursement is sought, and that such expenditures have not been otherwise reimbursed. Contractor must provide their changes & testimonials using the form in Exhibit 3, Change and Testimonial Tracker. Contractor must provide their responses for sustainability using the form in Exhibit 4, Sustainability Checklist. Contractor must complete all of its responsibilities using the form in Exhibit 5, Deliverable Checklist.

6. Authorized Representatives. The following named persons are designated as the Authorized Representatives of the parties for purposes of this Agreement. These persons have authority to bind the party they represent and to consent to modifications, except that the Authorized Representatives shall have only authority specifically granted by their respective governing boards. Notice required to be provided pursuant this Agreement shall be provided to the following named persons and addresses unless otherwise stated in this Agreement, or in a modification to this Agreement.

The County's Authorized Representative is:
 Marti Fischbach, Community Services Director
 Telephone: 651-554-5742
 Email: Marti.Fischbach@co.dakota.mn.us

Marti Fischbach, or his/her successor, has the responsibility to monitor the Contractor’s performance pursuant to this Agreement and the authority to approve invoices submitted for reimbursement.

The Contractor's Authorized Representative is:

Name: Ryan Garcia, City Administrator

Telephone: 651-554-3278

Email: rgarcia@sspmn.org

The parties shall provide written notification to each other of any change to the Authorized Representative. Such written notification shall be effective to change the designated liaison under this Agreement, without necessitating an amendment of this Agreement.

7. Assignment. The Contractor may neither assign nor transfer any rights or obligations under this Agreement without the prior consent of the County and a fully executed assignment agreement, executed by the County and the Contractor.
8. Use of Subcontractors. The Contractor shall not engage subcontractors under this Agreement without the express written consent of the County. It is Contractor's responsibility to make sure all subcontractors are subject to the provisions of this Agreement that are applicable to Contractor.
9. Indemnification. It is understood and agreed the provisions of the Municipal Tort Claims Act, Minn. Stat. Ch. 466, and other applicable laws govern liability arising from the parties' acts or omissions. Parties agree to indemnify, defend and hold harmless the other, its officers, agents and employees against any and all liability, loss, costs, damages, claims or actions its officers, agents or employees may hereafter sustain, incur, or be required to pay, arising out of or by reason of any act or omission of the indemnifying party, its officers, agents, subcontractors or employees, in the execution, performance or failure to adequately perform its obligations pursuant to this Agreement.
10. Insurance Terms. In order to protect itself and to protect the County under the indemnity provisions set forth above, Contractor shall, at its expense, procure and maintain policies of insurance covering the term of this Agreement. All retentions and deductibles under such policies shall be paid by the Contractor.
11. Audit. The Contractor shall maintain books, records, documents and other evidence pertaining to the costs or expenses associated with the work performed pursuant to this Agreement. Upon request the Contractor shall allow the County, Legislative Auditor or the State Auditor to inspect, audit, copy or abstract all of the books, records, papers or other documents relevant to this Agreement. The Contractor shall use generally accepted accounting principles in the maintenance of such books and records, and shall retain all of such books, records, documents and other evidence for a period of six (6) years from the date of the completion of the activities funded by this Agreement.

12. Data Practices. The Contractor agrees with respect to any data that it possesses regarding the Agreement to comply with all of the provisions of the Minnesota Government Data Practices Act contained in Minnesota Statutes Chapter 13, as the same may be amended from time to time.
13. Relationship of the Parties. Nothing contained in this Agreement is intended or should be construed as creating or establishing the relationship of co-partners or joint ventures between the County and the Contractor, nor shall the County be considered or deemed to be an agent, representative or employee of the Contractor in the performance of this Agreement. Personnel of the Contractor or other persons while engaging in the performance of this Agreement shall not be considered employees of the County and shall not be entitled to any compensation, rights or benefits of any kind whatsoever.
14. Governing Law, Jurisdiction and Venue. Minnesota law, without regard to its choice-of-law provisions, governs this Agreement. Venue for all legal proceedings arising out of this Agreement, or its breach, must be with the appropriate state court with competent jurisdiction in Dakota County.
15. Compliance with Law. The Contractor agrees to conduct its work under this Agreement in compliance with all applicable provisions of federal, state, and local laws, ordinances, or regulations, and further agrees to comply with Exhibit 1, Standard Assurances. The Contractor is responsible for obtaining and complying with all federal, state, or local permits, licenses, and authorizations necessary for performing the work.
16. Default and Remedies.
 - (a) Events of Default. The following shall, unless waived in writing by the County, constitute an event of default under this Agreement: If the Contractor fails to fully comply with any material provision, term, or condition contained in this Agreement.
 - (b) Notice of Event of Default and Opportunity to Cure. Upon the County's giving the Contractor written notice of an event of default, the Contractor shall have thirty (30) calendar days in which to cure such event of default, or such longer period of time as may be reasonably necessary so long as the Contractor is using its best efforts to cure and is making reasonable progress in curing such events of default (the "Cure Period"). In no event shall the Cure Period for any event of default exceed two (2) months. Within ten (10) calendar days after receipt of notice of an event of default, the Contractor shall propose in writing the actions that the Contractor proposes to take and the schedule required to cure the event of default.
 - (c) Remedies. Upon the Contractor's failure to cure an event of default within the Cure Period, the County may enforce any or all of the following remedies, as applicable:
 - (1) The County may refrain from disbursing the grant monies; provided, however, the County may make such a disbursement after the occurrence of an event of default without thereby waiving its rights and remedies hereunder.

- (2) The County may enforce any additional remedies it may have in law or equity.
- (3) The County may terminate this Agreement and its obligation to provide funds under this Agreement for cause by providing thirty (30) days' written notice to the Contractor. Such notice to terminate for cause shall specify the circumstances warranting termination of the Agreement. Cause shall be a material breach of this Agreement and any supplemental agreement or modification to this Agreement or an event of default. Notice of Termination shall be made by certified mail or personal delivery to the Authorized Representative of the other Party. For purposes of termination and default, all days are calendar days.
17. Non-Appropriation. Notwithstanding any provision of this Agreement to the contrary, this Agreement may be terminated immediately by the County in the event sufficient funds from the County, State, or Federal sources are not appropriated, obtained and continued at least the level relied on for the funding of this Agreement, and the non-appropriation of funds did not result from any act or bad faith on the part of the County.
18. Special Conditions. The Contractor understands and agrees that it will perform the work contemplated by this Agreement in such a way as to comply with and enable the County to comply with all of the requirements imposed upon the County in the State Contracts, including but not limited to the following:
- (a) Any publicity given to the activities occurring as a result of this Agreement, including notices, informational pamphlets, press releases, research, reports, signs and similar public notices shall identify that it is "Supported by the Statewide Health Improvement Partnership, Minnesota Department of Health and Dakota County Public Health Department" and shall not be released unless approved in writing by these entities' authorized representatives.
 - (b) The Contractor shall indemnify, save and hold the Department, its representatives and employees harmless from any and all claims or causes of action, including reasonable attorney fees incurred by the Department, arising from the performance of the activities funded by this Agreement by the Contractor or its agents or employees.
 - (c) The Contractor, by executing this Agreement, grants to the Department a perpetual, irrevocable, no-fee right and license to make, have made, reproduce, modify, distribute, perform and otherwise use the Materials for any and all purposes, in all forms and manners that the Department, in its sole discretion, deems appropriate.
19. Exhibits. The following exhibits are attached to and incorporated within this Joint Powers Agreement.
- Exhibit 1: Standard Assurances;
 - Exhibit 2: Service Grid;

Exhibit 3: Change and Testimonial Tracker;

Exhibit 4: Sustainability Checklist;

Exhibit 5: Deliverable Checklist;

Exhibit 6: Invoice Form; and

Exhibit 7: SHIP Agreements

20. Waiver. If the County fails to enforce any provision of this Agreement, that failure shall not result in a waiver of the right to enforce the same or another provision of this Agreement.
21. Complete Agreement. This Agreement and Exhibits contain all negotiations and agreements between the County and the Contractor. Any amendment to this Agreement must be in writing and executed by the County and the Contractor. No other understanding regarding this Agreement, whether written or oral, may be used to bind either party. In the event of a conflict between the terms of any Exhibit and the body of this Agreement, this Agreement shall control.

The rest of this page is intentionally left blank. Signatures are on the following page.

IN WITNESS WHEREOF, the parties have executed this Agreement on the dates indicated below.

**EXHIBIT 1
STANDARD ASSURANCES**

1. **NON-DISCRIMINATION.** During the performance of this Contract, the Contractor shall not unlawfully discriminate against any employee or applicant for employment because the person is a member of a protected class under, and as defined by, federal law or Minnesota state law including, but not limited to, race, color, creed, religion, sex, gender, gender identity, pregnancy, national origin, disability, sexual orientation, age, familial status, marital status, veteran's status, or public assistance status. The Contractor will take affirmative action to ensure that applicants are employed and that employees are treated during employment without unlawful discrimination.. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices which set forth the provisions of this nondiscrimination clause.

The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of Contractor, state that all qualified applicants will receive consideration for employment without regard to race, creed, color, religion, sex, national origin, disability, sexual orientation, age, marital status, veteran's status, or public assistance status.

No funds received under this Contract shall be used to provide religious or sectarian training or services.

The Contractor shall comply with any applicable federal or state law regarding non-discrimination. The following list includes, but is not meant to limit, laws which may be applicable:

A. The Equal Employment Opportunity Act of 1972, as amended, 42 U.S.C. § 2000e *et seq.* which prohibits discrimination in employment because of race, color, religion, sex, or national origin.

B. Equal Employment Opportunity-Executive Order No.11246, 30 FR 12319, signed September 24, 1965, as amended, which is incorporated herein by reference, and prohibits discrimination by U.S. Government contractors and subcontractors because of race, color, religion, sex, or national origin.

C. The Rehabilitation Act of 1973, as amended, 29 U.S.C. § 701 *et seq.* and 45 C.F.R. 84.3 (J) and (K) implementing Sec. 504 of the Act which prohibits discrimination against qualified handicapped persons in the access to or participation in federally-funded services or employment.

D. The Age Discrimination in Employment Act of 1967, 29 U.S.C. § 621 *et seq.* as amended, and Minn. Stat. § 181.81, which generally prohibit discrimination because of age.

E. The Equal Pay Act of 1963, as amended, 29 U.S.C. § 206(d), which provides that an employer may not discriminate on the basis of sex by paying employees of different sexes differently for the same work.

F. Minn. Stat. Ch. 363A, as amended, which generally prohibits discrimination because of race, color, creed, religion, national origin, sex, marital status, status with regard to public assistance, disability, sexual orientation, or age.

G. Minn. Stat. § 181.59 which prohibits discrimination against any person by reason of race, creed, or color in any state or political subdivision contract for materials, supplies, or construction. Violation of this section is a misdemeanor and any second or subsequent violation of these terms may be cause for forfeiture of all sums due under the Contract.

H. Americans with Disabilities Act of 1990, 42 U.S.C. §§ 12101 through 12213, 47 U.S.C. §§ 225, 611, with regulations at 29 C.F.R. § 1630, which prohibits discrimination against qualified individuals on the basis of a disability in term, condition, or privilege of employment.

I. Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d, *et seq.* and including 45 CFR Part 80, prohibits recipients, including their contractors and subcontractors, of federal financial assistance from discriminating on the basis of race, color or national origin which includes not discriminating against those persons with limited English proficiency.

J. The Pregnancy Discrimination Act of 1978, which amended Title VII of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000e *et seq.* which prohibits discrimination on the basis of pregnancy, childbirth, or related medical conditions.

K. Equal Protection of the Laws for Faith-based and Community Organizations-Executive Order No. 13279, signed December 12, 2002 and as amended May 3, 2018. Prohibits discrimination against grant seeking organizations on the basis of religion in the administration or distribution of federal financial assistance under social service programs, including grants and loans.

L. Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended, 38 U.S.C. 4212, with regulations at 41 C.F.R. Part 60-250, which prohibits discrimination in employment against protected veterans.

2. **DATA PRIVACY.** For purposes of this Contract, all data created, collected, received, stored, used, maintained, or disseminated by Contractor in the performance of this Contract are subject to the requirements of the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13, ("MGDPA") and the Minnesota Rules implementing the MGDPA. Contractor must comply with the MGDPA as if it were a governmental entity. The remedies in Minn. Stat. § 13.08 apply to the Contractor. Contractor does not have a duty to provide access to public data to a data requestor if the public data are available from the County, except as required by the terms of this Contract. If Contractor is a subrecipient of federal grant funds under this Contract, it will comply with the federal requirements for the safeguarding of protected personally identifiable information ("Protected PII") as required in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 CFR Part 200, and the County Protected PII procedures, which are available upon request. Additionally, Contractor must comply with any other applicable laws on data privacy. All subcontracts shall contain the same or similar data practices compliance requirements.

3. **RECORDS DISCLOSURE/RETENTION.** Contractor's bonds, records, documents, papers, accounting procedures and practices, and other evidences relevant to this Contract are subject to the examination, duplication, transcription, and audit by the County and either the Legislative or State Auditor, pursuant to Minn. Stat. § 16C.05, subd. 5. Such evidences are also subject to review by the Comptroller General of the United States, or a duly authorized representative, if federal funds are used for any work under this Contract. The Contractor agrees to maintain such evidences for a period of six (6) years from the date services or payment were last provided or made or longer if any audit in progress requires a longer retention period.

4. **WORKER HEALTH, SAFETY AND TRAINING.** Contractor shall be solely responsible for the health and safety of its employees in connection with the work performed under this Contract. Contractor shall make arrangements to ensure the health and safety of all subcontractors and other persons who may perform work in connection with this Contract. Contractor shall ensure all personnel of Contractor and subcontractors are properly trained and supervised and, when applicable, duly licensed or certified appropriate to the tasks engaged in under this Contract. Each Contractor shall comply with federal, state, and local occupational safety and health standards, regulations, and rules promulgated pursuant to the Occupational Health and Safety Act which are applicable to the work to be performed by Contractor.

5. **PROHIBITED TELLECOMMUNICATIONS EQUIPMENT/SERVICES.** If Contractor is a subrecipient of federal grant funds under this Contract, Contractor certifies that, consistent with Section 889 of the John S. McCain National Defense Authorization Act for Fiscal Year 2019, Pub. L. 115-232 (Aug. 13, 2018) (the "Act"), and 2 CFR § 200.216, Contractor will not use funding covered by this Contract to procure or obtain, or to extend, renew, or enter into any contract to procure or obtain, any equipment, system, or service that uses "covered telecommunications equipment or services" (as that term is defined in Section 889 of the Act) as a substantial or essential component of any system or as critical technology as part of any system. Contractor will include this certification as a flow down clause in any agreement related to this Contract.

6. **CONTRACTOR GOOD STANDING.** If Contractor is not an individual, Contractor must be registered to do business in Minnesota with the Office of the Minnesota Secretary of State and shall maintain an active/in good standing status with the Office of the Minnesota Secretary of State, and shall notify County of any changes in status within five calendar days of such change. Business entities formed under the laws of a jurisdiction other than

Minnesota must maintain a certificate of authority (foreign corporations, limited liability companies, limited partnerships, and limited liability limited partnerships), or a statement of foreign qualification (foreign limited liability partnerships), or a statement of partnership authority (general partnerships). See Minn. Stat. §§ 303.03 (corporations); 322C.0802 (limited liability companies); 321.0902 and 321.0907 (foreign limited partnership); 321.0102(7) (foreign limited liability limited partnerships); 323A.1102(a) (foreign limited liability partnership); 321.0902 and 321.0907 (foreign general partnerships).

7. **CONTRACTOR DEBARMENT, SUSPENSION, AND RESPONSIBILITY CERTIFICATION.** Federal Regulation 45 CFR 92.35 prohibits the State/Agency from purchasing goods or services with federal money from vendors who have been suspended or debarred by the federal government. Similarly, Minn. Stat. § 16C.03, subd. 2 provides the Commissioner of Administration with the authority to debar and suspend vendors who seek to contract with the State/Agency. Vendors may be suspended or debarred when it is determined, through a duly authorized hearing process, that they have abused the public trust in a serious manner.

By signing this Contract, the Contractor certifies that it and its principals* and employees:

A. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from transacting business by or with any federal, state, or local governmental department or agency; and

B. Have not within a three (3) year period preceding this Contract: 1) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract; 2) violated any federal or state antitrust statutes; or 3) committed embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property; and

C. Are not presently indicted or otherwise criminally or civilly charged by a governmental entity for: 1) commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction; 2) violating any federal or state antitrust statutes; or 3) committing embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property; and

D. Are not aware of any information and possess no knowledge that any subcontractor(s) that will perform work pursuant to this Contract are in violation of any of the certifications set forth above; and

E. Shall immediately give written notice to the Authorized Representative should Contractor come under investigation for allegations of fraud or a criminal offense in connection with obtaining, or performing a public (federal, state, or local government) transaction; violating any federal or state antitrust statutes; or committing embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property.

*"Principals" for the purposes of this certification means officers; directors; owners; partners; and persons having primary management or supervisory responsibilities within a business entity (e.g. general manager; plant manager; head of a subsidiary, division, or business segment and similar positions).

8. **HEALTH DATA PRIVACY.** When applicable to the Contractor's duties under this Contract, the Contractor agrees to comply with the requirements of the Health Insurance Portability and Accountability Act (HIPAA), the Health Information Technology for Economic and Clinical Health Act (HITECH), Minnesota Health Records Act, and any other applicable health data laws, rules, standards, and requirements in effect during the term of this Contract.

9. **APPEALS.** The Contractor shall assist the County in complying with the provisions of Minn. Stat. § 256.045, Administrative and Judicial Review of Human Services Matters, if applicable.

10. **REPORTING.** Contractor shall comply with the provisions of the "Child Abuse Reporting Act", Minn. Stat. § 626.556, as amended, and the "Vulnerable Adult Reporting Act", Minn. Stat. § 626.557, as amended, and any rules promulgated by the Minnesota Department of Human Services, implementing such Acts.

11. **PSYCHOTHERAPISTS.** Contractor has and shall continue to comply with the provisions of Minn. Stat. Ch. 604, as amended, with regard to any currently or formerly employed psychotherapists and/or applicants for psychotherapist positions.

12. **EXCLUDED MEDICAL ASSISTANCE PROVIDERS.** By signing this contract, Provider certifies that it is not excluded. 42 U.S.C. § 1397 *et seq.* (subch. XX) of the Social Security Act.

13. **MDHS THIRD-PARTY BENEFICIARY.** The following applies to contracts related to adult mental health services; see Minn. Stat. § 245.466, subd. 2. Contractor acknowledges and agrees that the Minnesota Department of Human Services is a third-party beneficiary and as a third-party beneficiary, is an affected party under this Contract. Contractor specifically acknowledges and agrees that the Minnesota Department of Human Services has standing to and may take any appropriate administrative action or sue Contractor for any appropriate relief in law or equity, including, but not limited to, rescission, damages, or specific performance of all or any part of the Contract between the County Board and Contractor. Contractor specifically acknowledges that the County Board and the Minnesota Department of Human Services are entitled to and may recover from Contractor reasonable attorneys' fees and costs and disbursements associated with any action taken under this paragraph that is successfully maintained. This provision shall not be construed to limit the rights of any party to the Contract or any other third party beneficiary, nor shall it be construed as a waiver of immunity under the Eleventh Amendment to the United States Constitution or any other waiver of immunity. (Minn. Stat. § 245.466, subd. 3; Minn. R. 9525.1870, subp. 2).

Directions for Online Access to Excluded Providers

To ensure compliance with this regulation, identification of excluded entities and individuals can be found on the Office of Inspector General (OIG) website at https://oig.hhs.gov/exclusions/exclusions_list.asp

Attycv/Exh SA (Rev. 1-23)

Exhibit 2 Service Grid

The Contractor responsibilities include the establishing or improving fundamental elements of a healthy workplace and implementing policy, environmental, systems and social support changes in the selected focus strategy. The new initiative will be implemented organization-wide per the work plan.

County will provide up to a \$2,000 payment from the Statewide Health Improvement Partnership (SHIP) and the Minnesota Department of Health (MDH) upon receipt and acceptance of the Contractor performing the following:

Contractor Deliverables

- Contractor will attend regularly scheduled meetings, likely monthly or as determined by both parties. During meetings contractor will provide updates on project milestones, work status, and other relevant project issues through email, phone and/or video check-ins.
- Submit goals/work plan by **July 1, 2025**.
- Submit pre- and post- photos; include photos of signage of changes (if applicable) per health promotion specialist with mutually agreed upon due dates.
- Submit baseline and post- assessment if applicable with mutually agreed upon due dates.
- Complete organizational assessments
- Submit following documents by **October 31, 2025**
 - Change and testimonial tracker (Exhibit 3)
 - Sustainability checklist (Exhibit 4)
 - Deliverable checklist (Exhibit 5)
 - new or revised Contractor policy (include policy before revision if applicable)
- Submit completed Deliverables Checklist to Dakota County Public Health Liaison by **October 31, 2025** (Exhibit 5)

County roles and responsibilities:

- Provide technical assistance and support through process.
- Organize and facilitate collaborative meetings which provide training on SHIP worksite wellness sub-strategies and peer-to-peer sharing opportunities.
- Research and provide worksite wellness tools and resources.
- Facilitate yearly organizational assessment and other assessments as needed.
- Provide evaluation and policy development expertise.
- Assist with reporting results.

Notes:

- The grant funds provided to Contractor under this agreement are also subject to the terms and conditions contained in both the Master Grant Contract and the Project Agreement between the Dakota County Community Health Board and the State of Minnesota. The County will provide copies of these contracts to Contractor upon request. Contractor agrees to comply with all such terms and conditions.
- Contractor shall submit all SHIP-related communications to public health liaison for pre-approval. **Please allow a minimum of 7 business days for approvals in advance of public release.**
- Contractor shall include SHIP tagline in all print and electronic documents: **Funding for this project was provided by the Statewide Health Improvement Partnership of Dakota County.**

Interpreters

County will pay for the actual costs of providing interpreter services to non-English speaking participants who are an open Dakota County case. The Contractor must receive prior written authorization of interpreter services costs from County staff prior to using those services. Unless specifically prior authorized by the County, the Contractor must access interpreters from those agencies under contract with the County to provide interpreter services.

State Contract

The grant funds provided to Contractor under this agreement are subject to the terms and conditions contained in both the Master Grant Contract and the Project Agreement between the Dakota County Community Health Board and the State of Minnesota. Contractor agrees to comply with all terms and conditions contained in such contracts. These agreements with the state are also attached to this agreement.

Insurance, Diversity, and Equity

The County embraces and supports person-centered practices and expects contractors to do the same. Person-centered practices are structured in a way to support a client's comfort and ability to express choice, control, and direction in all aspects of service delivery and support. While the nature of some services and service deliveries is such that it must account for factors beyond the client's choice, control and direction, including, but not limited to, the terms of this Contract, court orders, the safety of the client and others, and governing law, the County values consideration of the client's perspective, knowing that services are more efficient and effective when aligned with client choice. [For more information, refer to *Person-Centered, Informed Choice and Transition Protocol*, Minnesota Department of Human Services, issued 3/27/17 and updates.]

The County further recognizes that pervasive racism, discrimination and other institutional and community biases, as well as harm from historical trauma, are experienced by cultural communities and that this may contribute to overrepresentation of cultural communities in some County services. Appropriate service delivery often requires open discussion considering the real-life experiences of the people served, paying attention to the impact of pervasive racism and bias. At the referral level, it means inquiring with families about how to integrate their family or individual culture into service delivery. At the service level, it includes attention to outcomes for families receiving services in order to assess whether effectiveness differs in cultural communities and responding to any differences.

It is expected that while performing services for the County, the Contractor shall abstain from unacceptable behaviors including, but not limited to:

- Racial, ethnic or discriminatory jokes or slurs;
- Hostile, condemning, or demeaning communications, both verbal and written;
- Behavior demonstrating disrespect, dishonesty, intimidation, or disruption to the work relationship; and
- Retaliation against any person who reports or addresses unacceptable behavior.

It is the responsibility of the Contractor to ensure staff delivering services for the County are aware of these expectations and trained as needed to ensure respectful, cooperative and professional conduct in interactions with County staff and clients. If the County experiences or receives a report of an unacceptable behavior, it will share the report with Contractor. The Contractor must inform the County of steps taken to remedy the unacceptable behavior within ten (10) working days. If the unacceptable behavior persists, the County may terminate the Contract pursuant to the termination provision in the Contract.

Exhibit 3 - Change and Testimonial Tracker

List all changes related to wellness for this Contract period March 2025 - October 31, 2025
Organizational Supports (i.e., Leadership Support, Wellness Committee, Communication Strategies, etc.)

Policy Changes (i.e., New/Updates Policies, guidelines, overviews, employee handbooks, etc.)

Systems Changes (i.e., committee charters, processes and procedures, blueprint documents, employee handbooks, resource organization, new hire processes, intranet sites, mission/vision statements, branding, etc.)

Environmental Changes (i.e., New/Updated facilities, spaces, equipment, signage, vending, tangible items, etc. pictures are encouraged)

Additional Items/Wellness Activities (i.e., social support activities, tracking, surveys, etc.)

List 1-2 stories employee testimonials or stories about how these changes personally affected them.

Exhibit 4 Sustainability Checklist

Dakota County SHIP

Date: _____

This checklist provides a list of items researched as being critical for sustaining Policy, System, and Environmental (PSE) changes. The checklist should be completed with staff and/or consultants who you worked with to implement the PSE change or SHIP (Statewide Health Improvement Partnership) initiative at Contractor's organization.

1. Partner name and short description of SHIP project:

2. Does Contractor have a written plan for sustaining this initiative? Check one option:
 _____ Yes, a written plan is in place (please include a copy)
 _____ Not yet, a written plan will be in place within the next _____ months
 _____ No, we do not plan to create a written plan

3. If known, please provide name(s) and title(s) of Contractor's staff who plan to manage this initiative post-SHIP funding.

Name and Title:			
Select one box per item:	Yes	No	Notes
There is leadership support for the initiative post-SHIP funding.	☐	☐	
There are opportunities for staff to participate in sustaining this initiative (e.g., assist with implementation, offer feedback, receive/provide training).	☐	☐	
This initiative aligns with our organization's strategic plan.	☐	☐	
There are opportunities to partner with other agencies/vendors to support this initiative (e.g., share expertise, receive/provide training, expand networks, collaborate).	☐	☐	
We have identified potential funding sources or are able to draw from internal resources (e.g., staff time, part of our operational budget) to support this initiative.	☐	☐	
This initiative will meet the needs of our target audience.	☐	☐	
This initiative will be sustainable post SHIP funding.	☐	☐	
What other approaches, if any, are you considering to sustain this initiative?			
What leadership support(s) are in place to sustain this initiative?			
Have any other funds been received during this reporting period to support the project, list the amount and source:			

List and describe any barriers:

CHB Grant Project Agreement Template STATE FUNDS Version 1.8, 12/27/19
 Grant Project Agreement Number 183510
 Between the Minnesota Department of Health and Dakota County Community Health Board

**Minnesota Department of Health
 Community Health Board Grant Project Agreement**

This Grant Project Agreement, and amendments and supplements, is between the State of Minnesota, acting through its Commissioner of Health ("State") and the Dakota County Community Health Board, an independent organization, not an employee of the State of Minnesota, 1 Mendota Rd. W., Suite 410, West St. Paul, MN 55118, ("Grantee").

1. Under Minnesota Statutes 144.0742, the State is empowered to enter into a contractual agreement for the provision of statutorily prescribed public health services;
2. The State and the Grantee have entered into Master Grant Contract number 12-700-00068 ("Master Grant Contract") effective January 1, 2015 or subsequent Master Grant Contracts and amendments and supplements thereto;
3. The State, pursuant to Minnesota Statutes 145.986, is empowered to award Statewide health Improvement Partnership (hereinafter "SHIP") grants to convene, coordinate, and implement evidence-based strategies targeted at reducing the percentage of Minnesotans who are obese or overweight and at reducing the use of tobacco; and
4. The Grantee represents that it is duly qualified and willing to perform the duties described in this grant project agreement to the satisfaction of the State. Pursuant to Minnesota Statutes Section 16B.98, subdivision 1, the Grantee agrees to minimize administrative costs as a condition of this grant.

NOW, THEREFORE, it is agreed:

- 1 ***Incorporation of Master Grant Contract.*** All terms and conditions of the Master Grant Contract are hereby incorporated by reference into this grant project agreement.

2 ***Term of Agreement.***

2.1 Effective date. This grant project agreement shall be effective on November 1, 2020, or the date the State obtains all required signatures under Minnesota Statutes 16B.98. Subd. 5(a), whichever is later. The Grantee must not begin work until this contract is fully executed and the State's Authorized Representative has notified the Grantee that work may commence.

2.2 Expiration date. October 31, 2025, or until all obligations have been fulfilled to the satisfaction of the State, whichever occurs first, except for the requirements specified in this grant project agreement with completion dates which extend beyond the termination date specified in this sentence.

- 3 ***Grantee's Duties and Responsibilities.*** Grantee shall comply with the following grant requirements:

General. Grantee must:

1. Work with State to finalize Grantee's yearly work plan and budget. The annual budget and work plan must be approved in writing by State by November 1, 2020. If the work plan is not approved by November 1, 2020, Grantee cannot perform work under this agreement.
2. Perform the activities approved in the work plan.
3. Grantee will contact State if Grantee is no longer able to fulfill a work plan activity and Grantee must request approval before pursuing any additional activities not described in the original work plan. If Grantee fails to complete grant deliverables in a satisfactory manner, State has the authority to withhold further funds.

CHB Grant Project Agreement Template STATE FUNDS Version 1.8, 12/27/19
 Grant Project Agreement Number 183510
 Between the Minnesota Department of Health and Dakota County Community Health Board

4. Designate or hire a full-time SHIP project coordinator or equivalent. The Grantee's budget must include a minimum of one FTE to coordinate the activities of the grant.
5. Designate a SHIP staff person to facilitate evaluation tasks and communicate with State evaluation staff and contractors.
6. Designate, hire, or contract project, fiscal, and administrative staff with the appropriate training and experience to implement all SHIP activities and to fulfill payroll, accounting, and administrative functions.
7. Participate in site visits and grant reconciliation processes with State.
8. Participate in regularly scheduled calls and meetings with community specialists.
9. Participate in State-sponsored technical assistance calls, webinars and trainings.
10. Attend State-sponsored conferences, meetings and in-person trainings.
11. Comply with State product approval outlined in the *SHIP Communications Guide*.
12. Allow State and others to use any products or materials produced with SHIP funds.

Reporting

1. Participate in all required evaluation activities as outlined in the SHIP Application.
2. Completed progress and evaluation reports will be due quarterly. The schedule for quarterly reporting is provided below. The State will provide guidance regarding the required content of the reports.

Quarterly Reporting Period	Report Submission Due Date
November 1 – January 31	February 29
February 1 – April 30	May 3
May 1 – July 31	August 30
August 1 – October 31	November 30

Financial

1. Adhere to the request and approval process set forth by the State in the *SHIP Financial Guide*.
2. Obtain prior approval from the State for all subcontracts or mini-grants \$3,000 or more, significant changes in grant activities, changes of more than 10 percent to any budget line item, surveys and out-of-state travel.
3. Act in a fiscally-responsible manner, including following standard accounting procedures, charging the SHIP grant only for the activities stated in the grant agreement, spending grant funds responsibly, properly accounting for how grant funds are spent, maintaining financial records to support expenditures billed to the grant, and meeting audit requirements.
4. Ensure that a local match equaling at least ten percent of the total funding award is provided and documented.
5. Ensure that administrative costs are explained and justifiable. The State will accept up to the Grantee's current federally approved rate. If Grantee does not have a federally approved indirect cost rate, the State will accept an indirect rate of up to 10 percent of the total grant award.
6. Report to the State other funding sources, including grants from other sources, that are directed toward tobacco, obesity, and well-being, and have accounting systems in place to track SHIP-funded activities separately from activities funded through other sources.
7. Comply with the Minnesota Government Data Practices Act as it applies to all data created, gathered, generated, or acquired under the grant agreement.
8. Ensure SHIP funding does not supplant work funded through other sources. Use SHIP funds to develop new activities, expand or modify current activities that work to reduce tobacco use and exposure, prevent obesity, or increase well-being, and/or replace discontinued funds from the State, the federal government, or another third party previously used to reduce tobacco use and exposure, prevent obesity, or increase well-being. The Grantee may not use SHIP funds to replace federal,

 Grant Project Agreement Number 183510
 Between the Minnesota Department of Health and Dakota County Community Health Board

state, local, or tribal funding Grantee currently uses to reduce tobacco use and exposure, prevent obesity, or increase well-being.

Lobbying

Ensure funds are not used for lobbying, which is defined as attempting to influence legislators or other public officials on behalf of or against proposed legislation. Providing education about the importance of policies as a public health strategy is allowed with SHIP funds. Education includes providing facts, assessment data, reports, program descriptions, and information about budget issues and population impacts, but stopping short of making a recommendation on a specific piece of legislation. Education may be provided to legislators, public policy makers, other decision makers, specific stakeholders, and the general community. Lobbying restrictions do not apply to internal or non-public policies.

4 Consideration and Payment.

4.1 Consideration. The State will pay for all services performed by the Grantee under this grant project agreement as follows:

(a) Compensation. The Grantee will be paid monthly, on a reimbursement basis for services performed and acceptance of such services by the State's Authorized Representative, except the State reserves the right not to honor invoices that are submitted more than 30 days after the submission dates specified.

Budget periods for the five years are as follows:

Year 1: November 1, 2020 – October 31, 2021	\$782,859.00
Year 2: November 1, 2021 – October 31, 2022	To Be Determined
Year 3: November 1, 2022 – October 31, 2023	To Be Determined
Year 4: November 1, 2023 – October 31, 2024	To Be Determined
Year 5: November 1, 2024 – October 31, 2025	To Be Determined

(b) Total Obligation. The total obligation of the State for all compensation and reimbursements to the Grantee under this grant project agreement will not exceed \$782,859.00 (Seven Hundred Eighty-Two Thousand Eight Hundred Fifty-Nine Dollars).

(c) Budget Modifications. Modifications greater than 10 percent of any budget line item in the most recently approved budget (listed in 4.1(a) or incorporated in Exhibit B) requires prior approval from the State and must be indicated on submitted reports. Failure to obtain prior approval for modifications greater than 10 percent of any budget line item may result in denial of modification request and/or loss of funds. Modifications equal to or less than 10 percent of any budget line item are permitted without prior approval from the State provided that such modification is indicated on submitted reports and that the total obligation of the State for all compensation and reimbursements to the Grantee shall not exceed the total obligation listed in 4.1(b) or Exhibit B.

4.2 Terms of Payment.

(a) Invoices. The State will promptly pay the Grantee after Grantee presents an itemized invoice for the services actually performed and the State's Authorized Representative accepts the invoiced services. Invoices must be submitted in a timely fashion and according to the following schedule: Invoices shall be completed on a form prescribed by the State for each month and submitted within 45 days after the end of the month.

(b) Matching Requirements. Grantee certifies that the following matching requirement for the grant will be met by Grantee: A local match of ten percent of the total funding allocation will be provided and documented.

CHB Grant Project Agreement Template STATE FUNDS Version 1.8, 12/27/19
 Grant Project Agreement Number 183510
 Between the Minnesota Department of Health and Dakota County Community Health Board

- 5 **Conditions of Payment.** All services provided by Grantee pursuant to this grant project agreement must be performed to the satisfaction of the State, as determined in the sole discretion of its Authorized Representative. Further, all services provided by the Grantee must be in accord with all applicable federal, state, and local laws, ordinances, rules and regulations.
- 6 **Ownership of Equipment.** The State shall have the right to require transfer of all equipment purchased with grant funds (including title) to the State or to an eligible non-State party named by the State. This right will normally be exercised by the State only if the project or program for which the equipment was acquired is transferred from one grantee to another.
- 7 **Authorized Representatives.**
 - 7.1 **State's Authorized Representative.** The State's Authorized Representative for purposes of administering this grant project agreement is Meredith Ahlgren, Acting Supervisor, Community Initiatives, Office of Statewide Health Improvement Initiatives, 85 East Seventh Place, P.O. Box 64882, St. Paul, MN, 55164-0882, 651-201-5446, meredith.ahlgren@state.mn.us, or his/her successor, and has the responsibility to monitor the Grantee's performance and the final authority to accept the services provided under this grant project agreement. If the services are satisfactory, the State's Authorized Representative will certify acceptance on each invoice submitted for payment.
 - 7.2 **Grantee's Authorized Representative.** The Grantee's Authorized Representative is Bonnie Brueshoff, CHS Administrator, 1 Mendota Rd. W., Suite 410, West St. Paul, MN 55118, 651-554-6103, bonnie.brueshoff@co.dakota.mn.us, or his/her successor. The Grantee's Authorized Representative has full authority to represent the Grantee in fulfillment of the terms, conditions, and requirements of this agreement. If the Grantee selects a new Authorized Representative at any time during this grant project agreement, the Grantee must immediately notify the State.
- 8 **Termination.**
 - 8.1 **Termination by the State or Grantee.** The State or Grantee may cancel this grant project agreement at any time, with or without cause, upon thirty (30) days written notice to the other party.
 - 8.2 **Termination for Cause.** If the Grantee fails to comply with the provisions of this grant project agreement, the State may terminate this grant project agreement without prejudice to the right of the State to recover any money previously paid. The termination shall be effective five business days after the State mails, by certified mail, return receipt requested, written notice of termination to the Grantee at its last known address.
 - 8.3 **Termination for Insufficient Funding.** The State may immediately terminate this grant project agreement if it does not obtain funding from the Minnesota legislature or other funding source; or if funding cannot be continued at a level sufficient to allow for the payment of the work scope covered in this grant project agreement. Termination must be by written (e-mail, facsimile or letter) notice to the Grantee. The State is not obligated to pay for any work performed after notice and effective date of the termination. However, the Grantee will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed to the extent that funds are available. The State will not be assessed any penalty if this grant project agreement is terminated because of the decision of the Minnesota legislature, or other funding source, not to appropriate funds. The State must provide the Grantee notice of the lack of funding within a reasonable time of the State receiving notice of the same.
- 9 **Publicity.** Any publicity given to the program, publications, or services provided from this grant project agreement, including, but not limited to, notices, informational pamphlets, press releases, research, reports, signs, and similar public notices prepared by or for the Grantee or its employees individually or jointly with

Amendment #1 for Grant Project Agreement #183510
Between the Minnesota Department of Health and
Dakota County Community Health Board

Minnesota Department of Health Community Health Board Grant Project Agreement Amendment

Grant Project Agreement Start Date:	11/1/2020	Current Project Amendment Amount	\$782,859
Original Grant Project Agreement Expiration Date:	10/31/2025	Original Grant Project Agreement Amount:	\$782,859
Current Grant Project Agreement Expiration Date:	10/31/2025	Previous Project Amendment(s) Total:	N/A
Requested Grant Project Agreement Expiration Date:	N/A	Requested Total Grant Project Agreement Amount:	\$1,565,718

This Grant Project Agreement Amendment is between the State of Minnesota, acting through its Commissioner of the Minnesota Department of Health (hereinafter "State") and Dakota County Community Health Board, 1 Mendota Rd. W., Suite 410, West St. Paul MN 55118 (hereinafter "Grantee").

Recitals

1. The State has a grant project agreement with the Grantee identified as 183510 ("Original Grant Project Agreement") to address the leading preventable causes of illness and death such as tobacco use or exposure, poor diet, and lack of regular physical activity, and other issues as determined by the commissioner through the statewide health assessment.
2. The Agreement is being amended to add funding for Year 2.
3. The State and the Grantee are willing to amend the Original Grant Project Agreement as stated below.

Grant Agreement Amendment

Amended or deleted grant project agreement terms will be ~~struck out~~, and the added grant project agreement terms will be underlined.

REVISION 1. Clause 3. "Grantee's Duties and Responsibilities" is amended as follows:

General. Grantee must:

1. Work with State to finalize Grantee's yearly work plan and budget. The annual budget and work plan must be approved in writing by State by November 1 of each year, ~~2020~~. The Year 2 work plan will be submitted in two phases: November 1, 2021-April 30, 2022, to be approved by November 1, 2021, and May 1, 2022-October 31, 2022, to be approved by May 1, 2022. If the work plan is not approved by the due date, November 1, 2020; Grantee cannot perform work under this agreement.
2. Perform the activities in the approved work plan.
3. Grantee will contact State if Grantee is no longer able to fulfill a work plan activity and Grantee must request approval before pursuing any additional activities not described in the original work plan. If Grantee fails to complete grant deliverables in a satisfactory manner, State has the authority to withhold further funds.
4. Designate or hire a full-time SHIP project coordinator or equivalent. The Grantee's budget must include a minimum of one FTE to coordinate the activities of the grant.
5. Designate a SHIP staff person to facilitate evaluation tasks and communicate with State evaluation staff and contractors.

CHB Grant Project Agreement Amendment (03/2018)

Amendment #1 for Grant Project Agreement #183510
Between the Minnesota Department of Health and
Dakota County Community Health Board

6. Designate, hire, or contract project, fiscal, and administrative staff with the appropriate training and experience to implement all SHIP activities and to fulfill payroll, accounting, and administrative functions.
7. Participate in site visits and grant reconciliation processes with State.
8. Participate in regularly scheduled calls and meetings with State community specialists.
9. Participate in State-sponsored technical assistance calls, webinars and trainings.
10. Attend State-sponsored conferences, meetings and in-person trainings.
11. Comply with State product approval outlined in the *SHIP Communications Guide*.
12. Allow State and others to use any products or materials produced with SHIP funds.

Reporting

1. Participate in all required evaluation activities as outlined in the SHIP Application.
2. Completed progress and evaluation reports will be due quarterly. The schedule for quarterly reporting is provided below. The State will provide guidance regarding the required content of the reports.

Quarterly Reporting Period	Report Submission Due Date
November 1 – January 31	February 28 29
February 1 – April 30	May 30
May 1 – July 31	August 30
August 1 – October 31	November 30

Financial

1. Adhere to the request and approval process set forth by the State in the *SHIP Financial Guide*.
2. Obtain prior approval from the State for all subcontracts or mini-grants \$3,000 or more, significant changes in grant activities, changes of more than 10 percent to any budget line item, surveys and out-of-state travel.
3. Act in a fiscally-responsible manner, including following standard accounting procedures, charging the SHIP grant only for the activities stated in the grant agreement, spending grant funds responsibly, properly accounting for how grant funds are spent, maintaining financial records to support expenditures billed to the grant, and meeting audit requirements.
4. Ensure that a local match equaling at least ten percent of the total funding award is provided and documented.
5. Ensure that administrative costs are explained and justifiable. The State will accept up to the Grantee's current federally approved rate. If Grantee does not have a federally approved indirect cost rate, the State will accept an indirect rate of up to 10 percent of the total grant award.
6. Report to the State other funding sources, including grants from other sources, that are directed toward tobacco, obesity and well-being, and have accounting systems in place to track SHIP-funded activities separately from activities funded through other sources.
7. Comply with the Minnesota Government Data Practices Act as it applies to all data created, gathered, generated, or acquired under the grant agreement.
8. Ensure SHIP funding does not supplant work funded through other sources. Use SHIP funds to develop new activities, expand or modify current activities that work to reduce tobacco use and exposure, prevent obesity and increase well-being, and/or replace discontinued funds from the State, the federal government, or another third party previously used to reduce tobacco use and exposure, prevent obesity and increase well-being. The Grantee may not use SHIP funds to replace federal, state, local, or tribal funding Grantee currently uses to reduce tobacco use and exposure, prevent obesity or increase well-being.

Lobbying

Ensure funds are not used for lobbying, which is defined as attempting to influence legislators or other public officials on behalf of or against proposed legislation. Providing education about the importance of policies as a public health strategy is allowed with SHIP funds. Education includes providing facts,

DocuSign Envelope ID: 88F40BC4-A660-4792-BBAE-64B8969B7197

assessment data, reports, program descriptions, and information about budget issues and population impacts, but stopping short of making a recommendation on a specific piece of legislation. Education may be provided to legislators, public policy makers, other decision makers, specific stakeholders, and the general community. Lobbying restrictions do not apply to internal or non-public policies.

REVISION 2. Clause 4 (4.1a and 4.1b). "Consideration and Payment" is amended as follows:

(a) *Compensation.* The Grantee will be paid monthly, on a reimbursement basis for services performed and acceptance of such services by the State's Authorized Representative, except the State reserves the right not to honor invoices that are submitted more than 30 days after the submission date specified.

Budget periods for the five years are as follows:

Year 1: November 1, 2020 – October 31, 2021	\$782,859.00
Year 2: November 1, 2021 – October 31, 2022	\$782,859 To Be Determined
Year 3: November 1, 2022 – October 31, 2023	To Be Determined
Year 4: November 1, 2023 – October 31, 2024	To Be Determined
Year 5: November 1, 2024 – October 31, 2025	To Be Determined

(b) *Total Obligation.* The total obligation of the State for all compensation and reimbursements to the Grantee under this grant project agreement will not exceed \$1,565,718. ~~\$782,859.00 (Seven Hundred Eighty-Two Thousand Eight Hundred Fifty-Nine Dollars).~~

REVISION 3. Clause 4 (4.2a). "Terms of Payment" is amended as follows:

(a) *Invoices.* The State will promptly pay the Grantee after Grantee presents an itemized invoice for the services actually performed and the State's Authorized Representative accepts the invoiced services. Invoices must be submitted in a timely fashion and according to the following schedule: Invoices shall be completed and submitted on a form prescribed by the State for each month and submitted within 45 days after the end of the month, with the exception of June invoices, which should be submitted within 30 days after the end of the month.

REVISION 4. Clause 7. "Authorized Representatives" is amended as follows:

7.1 State's Authorized Representative. The State's Authorized Representative for purposes of administering this grant project agreement is Kristine Igo, Director, Meredith Ahlgren, Acting Supervisor, Community Initiatives, Office of Statewide Health Improvement Initiatives, 85 East Seventh Place, P.O. Box 64882, St. Paul, MN, 55164-0882, 651-201-5809, kris.igo@state.mn.us, 651-201-5446, meredith.ahlgren@state.mn.us, or his/her successor, and has the responsibility to monitor the Grantee's performance and the final authority to accept the services provided under this grant project agreement. If the services are satisfactory, the State's Authorized Representative will certify acceptance on each invoice submitted for payment.

7.2 Grantee's Authorized Representative. The Grantee's Authorized Representative is Marti Fischbach, Community Services Director, 1 Mendota Rd. W., Suite 500, West St. Paul MN 55118 651-554-5742, marti.fischbach@co.dakota.mn.us, Bonnie Brueshoff, CHS Administrator, 1 Mendota Rd. W., Suite 410, West St. Paul, MN 55118, 651-554-6103, bonnie.brueshoff@co.dakota.mn.us, or his/her successor. The Grantee's Authorized Representative has full authority to represent the Grantee in fulfillment of the terms, conditions,

and requirements of this agreement. If the Grantee selects a new Authorized Representative at any time during this grant project agreement, the Grantee must immediately notify the State.

Except as amended herein, the terms and conditions of the Original Grant Project Agreement and all previous amendments remain in full force and effect. The Original Grant Project Agreement, and all previous amendments, are incorporated by reference into this amendment.

Requested Grant Project Agreement Expiration Date:	N/A	Requested Total Grant Project Agreement Amount:	\$3,914,295.00

This Grant Project Agreement Amendment is between the State of Minnesota, acting through its Commissioner of the Minnesota Department of Health (hereinafter "MDH") and Board of Commissioners, acting as the Dakota County Community Health Board, 1 Mendota Rd. W., Suite 410, West St. Paul, MN 55118 (hereinafter "Grantee").

Recitals

- MDH has a grant project agreement with Grantee identified as 183510 ("Original Grant Project Agreement") to address the leading preventable causes of illness and death such as commercial tobacco use or exposure, poor diet, and lack of regular physical activity, and other issues as determined by the commissioner through the statewide health assessment.
- The Original Grant Project Agreement is being amended to add funding for Years 3 through 5.
- MDH and Grantee are willing to amend the Original Grant Project Agreement as stated below.

Grant Project Agreement Amendment

Amended or deleted grant project agreement terms will be ~~struck out~~, and the added grant project agreement terms will be underlined.

REVISION 1. Clause 3. "Grantee's Duties and Responsibilities" is amended as follows:

General. Grantee must:

- Work with State to finalize Grantee's yearly work plan and budget. The annual budget and work plan must be approved in writing by State by November 1 of each year. The Year 2 work plan will be submitted in two phases: November 1, 2021-April 30, 2022, to be approved by November 1, 2021, and May 1, 2022-October 31, 2022, to be approved by May 1, 2022. If the work plan is not approved by the due date, Grantee cannot perform work under this agreement.
- Perform the activities in the approved work plan.
- Grantee will contact State if Grantee is no longer able to fulfill a work plan activity and Grantee must request approval before pursuing any additional activities not described in the original work plan. If Grantee fails to complete grant deliverables in a satisfactory manner, State has the authority to withhold further funds.
- Designate or hire a full-time SHIP project coordinator or equivalent. The Grantee's budget must include a minimum of one FTE to coordinate the activities of the grant.
- Designate a SHIP staff person to facilitate evaluation tasks and communicate with State evaluation staff and contractors.

Amendment #2 for Grant Project Agreement # 183510
Between the Minnesota Department of Health and Board of Commissioners,
acting as the Dakota County Community Health Board

replace federal, state, local, or tribal funding Grantee currently uses to reduce commercial tobacco use and exposure, prevent obesity or increase well-being.

9. Adhere to the guidance set forth by MDH in the *Incentive Guidelines for MDH Grantees*. The Grantee may use grant funds to purchase incentive instruments in order to aid in meeting the goals and objectives of the grant agreement. The Grantee must have written effective policies and procedures on file before purchasing any incentive instruments. The Grantee is required to monitor and track incentive instruments. MDH reserves the right to inspect and review incentive instruments purchased and distributed, and related documents, as part of its monitoring oversight.

Lobbying

Ensure funds are not used for lobbying, which is defined as attempting to influence legislators or other public officials on behalf of or against proposed legislation. Providing education about the importance of policies as a public health strategy is allowed with SHIP funds. Education includes providing facts, assessment data, reports, program descriptions, and information about budget issues and population impacts, but stopping short of making a recommendation on a specific piece of legislation. Education may be provided to legislators, public policy makers, other decision makers, specific stakeholders, and the general community. Lobbying restrictions do not apply to internal or non-public policies.

REVISION 2. Clause 4 (4.1a and 4.1b). "Consideration and Payment" is amended as follows:

(a) *Compensation*. The Grantee will be paid monthly, on a reimbursement basis for services performed and acceptance of such services by the State's Authorized Representative, except the State reserves the right not to honor invoices that are submitted more than 30 days after the submission date specified.

Budget periods for the five years are as follows:

Year 1: November 1, 2020 – October 31, 2021	\$782,859.00
Year 2: November 1, 2021 – October 31, 2022	\$782,859.00
Year 3: November 1, 2022 – October 31, 2023	<u>\$782,859.00 To Be Determined</u>
Year 4: November 1, 2023 – October 31, 2024	<u>\$782,859.00 To Be Determined</u>
Year 5: November 1, 2024 – October 31, 2025	<u>\$782,859.00 To Be Determined</u>

(b) *Total Obligation*. The total obligation of the State for all compensation and reimbursements to the Grantee under this grant project agreement will not exceed \$3,914,295.00, ~~\$1,565,718.00~~.

REVISION 3. Clause 7 (7.1). "Authorized Representatives" is amended as follows:

7.1 *State's Authorized Representative*. The State's Authorized Representative for purposes of administering this grant project agreement is Fred Ndip, Supervisor, Community Initiatives Unit, Kristine Igo, Director, Office of Statewide Health Improvement Initiatives, 85 East Seventh Place, P.O. Box 64882, St. Paul, MN, 55164-0882, 651-431-2449, fred.ndip@state.mn.us, 651-201-5809, kris.igo@state.mn.us, or his/her successor, and has the responsibility to monitor the Grantee's performance and the final authority to accept the services provided under this grant project agreement. If the services are satisfactory, the State's Authorized Representative will certify acceptance on each invoice submitted for payment.

Except as amended herein, the terms and conditions of the Original Grant Project Agreement and all previous amendments remain in full force and effect. The Original Grant Project Agreement, and all previous amendments, are incorporated by reference into this amendment.

Distribution:

All parties on the DocuSign envelope will receive a copy of the fully executed grant agreement.

CITY COUNCIL AGENDA REPORT

DATE: March 3, 2025
DEPARTMENT: Public Works
PREPARED BY: Howie Steenberg
AGENDA ITEM NUMBER: 8.K.

MEETING TYPE

Regular Meeting

AGENDA ITEM

Purchase of Five Replacement Vehicles and Related Equipment from Boyer Trucks, TowMaster, North Country GM, and Crysteel Equipment

ACTION TO BE CONSIDERED OR DESIRED OUTCOME

Motion to approve the purchase of five replacement vehicles and related equipment from Boyer truck, TowMaster, North Country GM, and Crysteel Equipment in the amount of \$534,865.

OVERVIEW

The 2025 Central Garage fund has budgeted \$543,000 for the replacement of five vehicles used for various maintenance activities and transportation for all divisions of Public Works. The units being replaced are in the age range of 10 to 20 years old at the end of their useful life and are often taken out of service for repairs, which slows productivity down. The five units being replaced are unit #336 – 2006 Sterling Dump Truck, unit #338 - 2013 F-250 Utility Truck, unit #313 - 2013 Ford F-250 (vehicle was stolen and recovered and deemed a total loss). unit #346 - 2005 F-350 Passenger Van (Parks & Rec), and unit # 205 - 2015 F-150 w/Topper (Engineering) All quotes include tax, license, and fees.

2025 Western Star Dump Truck, Unit #336, State Contract #242593 & 222949	\$325,736
2025 1500 Crew Cab GMC 4x4, Unit #338, State Contract #222949 & 194857	\$ 49,335
2025 2500 Double Cab GMC 4x4, Unit #313, State Contract #258628 & 222959	\$ 62,283
2025 Chev Express Pass Van, Unit #346, State Contract #258628	\$ 50,831
2025 1500 Double Cab 4x4, Unit #205, State Contract #258628	\$ 46,680
Total	\$534,865

The Remaining \$8,135. and insurance check from unit # 313 (\$31,834.46) will be used to outfit the units with needed safety and communication equipment such as strobe lights, two-way radios, toolboxes and lift gate.

The retiring vehicles will be either traded in or sold at state auction upon arrival of new vehicles.

Staff recommends consideration of the purchase of five maintenance vehicles and related equipment from Boyer Trucks, TowMaster, North Country GM, and Crysteel Equipment using the State Contract in the amount of \$534,865.

General Terms and Conditions for the Sale of Goods by Subsidiaries of ASH North America, Inc

1. SCOPE AND VALIDITY

1.1. These General Terms and Conditions for the Sale of Goods (these "Terms") govern the sale and delivery of all goods and products (the "Products"), and all transactions incidental thereto, by such subsidiary of ASH North America, Inc. identified on the respective Confirmed Order (as defined below) as the seller or supplier ("Seller") to any of its customers (each a "Customer"). The liability of each such subsidiary under these Terms or any Confirmed Order shall be several and not joint. Customer acknowledges and agrees that nothing in these Terms or any Confirmed Order shall be construed as implying joint liability in any case of ASH North America, Inc. or any of its subsidiaries. Each Seller shall be solely responsible for its own acts or omissions under the respective agreement with Customer.

1.2. No other terms or conditions shall be of any force or effect unless otherwise specifically agreed upon by Seller in a writing duly executed by an authorized officer of Seller. These Terms supersede any and all prior oral quotations, communications, agreements, or understandings of the parties in respect to the sale and delivery of the Products. The Seller may issue additional Terms and Conditions of Sale for certain products. These shall apply in addition to the present Terms. Any additional or different terms or conditions contained in Customer's Order (as defined below), response to Seller's confirmation, or any other form or document supplied by Customer are hereby expressly rejected and are rendered null, void, and of no effect. These Terms may not be modified, amended, waived, superseded, or rescinded, except by written agreement signed by an authorized officer of Seller. Delivery of the Products by Seller does not constitute acceptance of any of Customer's terms and conditions and do not serve to modify or amend these Terms.

1.3. The issuance of an Order (as defined below) by Customer to Seller or any communication or conduct of Customer which confirms an agreement for the delivery of Products by Seller, as well as acceptance in whole or in part by Customer of any delivery of Products by Seller, shall be construed as Customer's acceptance of these Terms.

2. OFFERS, ORDERS AND CONFIRMATION

2.1. Unless otherwise specified by Seller in writing, all offers made by Seller are not binding and may be revoked by Seller at any time without any liability to Customer.

2.2. Customer shall issue to Seller orders for the purchase of Products, in written form via the order process determined by Seller from time to time (each, an "Order"). By issuing an Order to Seller, Customer makes an offer to purchase the Products pursuant to these Terms and the terms set forth on such Order. Provided that the Order contains the same terms as in Seller's corresponding offer, the Order shall be binding on Customer for six (6) weeks after Seller's receipt of such Order.

2.3. Seller may refuse an Order for any or no reason. No Order is binding upon Seller until Seller's acceptance of the Order in writing, the issuance of any governmental permit, license, or authority to Seller, as may be required under applicable laws, rules and regulations, and the receipt by Seller of a resale license to be provided by Customer (a "Confirmed Order").

2.4. Specifications and other information on drawings, data sheets, pictures, plans, brochures, catalogs, or Seller's website shall not be binding on Seller unless such specifications and information have been agreed to in writing by Seller in a Confirmed Order. Notwithstanding a Confirmed Order, Seller shall have no obligation to deliver Products to Customer or otherwise fulfill any of its obligations set forth in a Confirmed Order if Customer is in breach of any of its obligations hereunder or any Confirmed Order.

2.5. Customer may submit to Seller written requests to change the terms of a Confirmed Order (each such request, a "Change Order Request"). Seller may, at its sole discretion, consider such Change Order Request, provided that Seller will have no obligation to perform any Change Order Request unless and until Seller has agreed in writing to adopt such Change Order Request. If Seller elects to consider such a Change Order Request, then Seller shall promptly notify Customer of any adjustment to the applicable purchase price for the Products.

2.6. In the event Customer cancels any Confirmed Order for any reason, Customer shall reimburse to Seller all of Seller's costs and

expenses associated with or incurred due to such cancellation, including but not limited to the cost of raw materials, labor, and storage if cancellation occurs before Seller's commencement of production. In the event Customer cancels any Confirmed Order for any reason and Seller has started the production of the Product on the respective Confirmed Order, Customer shall pay to Seller the full purchase price.

2.7. Each Confirmed Order shall be considered a separate agreement between the parties, and any failure to deliver the Products under any Confirmed Order shall have no consequences for other deliveries of Products.

3. PRICES

3.1. Unless otherwise agreed to by the parties in the applicable Confirmed Order, the prices of the Products shall be FCA (agreed delivery location on the applicable Confirmed Order), Incoterms 2022.

3.2. Unless otherwise agreed by the parties in a Confirmed Order, the price of the Products shall not include transportation, insurance, packaging, and Tooling (as defined below) and other materials used for the manufacturing and delivery, sales or Heavy Vehicle Use Tax (HVUT), other use tax or any other similar applicable federal, state or foreign taxes, duties, levies, or charges in any jurisdiction in connection with the sale or delivery of the Products ("Taxes"). Such Taxes shall be payable by Customer, and if Seller is responsible for the collection thereof, such Taxes shall either be added to the price invoiced or be separately invoiced by Seller to Customer. Any special requests concerning shipping, transportation, and insurance shall be communicated to Seller in a timely manner and subject to Seller's prior written approval. Customer shall bear all costs resulting from such requests. In case of lead delivery times of more than two (2) months, Customer hereby acknowledges and agrees that Seller, may, at its sole discretion, increase or decrease the agreed prices on any Confirmed Order in the event of material price changes in wages, materials, energy or raw material after the date of the Confirmed Order.

4. PAYMENT TERMS

4.1. Except as set forth in Section 4.2 or unless otherwise agreed in writing by Seller, the purchase price for the Products and all other amounts due under a Confirmed Order shall be due and payable in US dollars within thirty (30) days following the date of Seller's invoice for such Products without any discount, deduction or offset whatsoever. In no event shall any loss, damage, injury or destruction, Force Majeure (as defined below), or any other event beyond Customer's control release Customer from its obligation to make the payments required herein. Payment of all amounts due hereunder shall be made by bank transfer or in any other manner set forth on Seller's invoice. Customer shall be solely responsible for any bank fees, or other fees, incurred due to the wire transfer or any other selected payment method. If Seller agrees to payment by credit card, Seller shall charge an appropriate transaction fee, which the Customer shall also pay.

4.2. In the event Seller becomes aware of circumstances or has reason to believe that there are circumstances that may have an adverse effect on Customer's financial condition, Seller may require the Customer to pay the total amount of the purchase price or fees, or a portion thereof prior to the delivery of the Products. Seller may, without any liability to Customer, refuse the delivery of any Product in the event the Customer fails to make the payment as required under this Section 4.2.

4.3. Time is of the essence for the payment of all amounts due to Seller under any Confirmed Order. If Customer fails to make payments of any amount when due, Customer shall pay interest to Seller at the rate of one percent (1%) per month or such lesser amount as may be permitted by applicable law starting from the due date until payment to Seller of such amount in full. In addition to the interest, Seller may, at its sole discretion, charge the Customer a flat fee of \$40 for each reminder notice issued to Customer due to late payments. If Customer fails to comply with these Terms or a Confirmed Order, or if Customer becomes insolvent, all balances then due and owing to Seller shall become due immediately, notwithstanding any payment terms agreed by the parties. All costs and expenses incurred by Seller with respect to the collection of overdue payments (including, without limitation, reasonable attorney's fees, expert fees, and other expenses of litigation) shall be borne by Customer. Every payment by Customer shall first be

applied to pay for Seller's cost of collection, then interest owed by Customer, and then to the oldest outstanding claim.

4.4. Notwithstanding anything in the foregoing Section 4.3 or Section 5, if the parties agreed on installment payments in a Confirmed Order and Customer fails to make any installment payment when due, the remaining balance including accrued interest, and any expenses incurred by Seller shall be due and payable to Seller promptly upon Customer's receipt of written notice of delinquency from Seller.

5. SECURITY INTEREST

5.1. If Seller extends credit to Customer for the purchase price for any Products (including but not limited to pursuant to Section 4.1.), or any other amounts due to Seller, Customer hereby grants to Seller as security for the timely payment and performance of all Customer's payment obligations to Seller, a first priority security interest (the "Security Interest") in all Products heretofore or in the future delivered to Customer and in the proceeds thereof for as long as such Products shall not have been sold by Customer in the ordinary course of business (the "Collateral"). Seller shall be entitled to file any and all financing, continuation, or similar statements under the Uniform Commercial Code in any jurisdiction and take any and all other action necessary or desirable, in Seller's sole and absolute discretion, to perfect its Security Interest in the Collateral and to establish, continue, preserve, and protect Seller's Security Interest in the Collateral. Customer agrees to take any and all actions and provide Customer with all information necessary to enable Seller to perfect and enforce its Security Interest in all jurisdictions and vis-à-vis any of Customer's creditors, and hereby irrevocably grants to Seller a power of attorney to execute all necessary statements or documents in Customer's name for the perfection and enforcement of such Security Interest. The Security Interest shall remain in force until payment in full of the entire purchase price for such Products, and any other amounts due to Seller by Customer. Seller may, without notice, change or withdraw extensions of credit at any time.

6. OBLIGATIONS OF CUSTOMER

6.1. Customer shall use the Products solely for their intended purpose and pursuant to Seller's instructions, and agrees to use only qualified personnel for the handling of the Products. Customer shall ensure that its customers, employees, agents, and other representatives comply with this Section 6.1. and shall be responsible for their acts and omissions.

7. DELIVERY AND ACCEPTANCE

7.1. Unless otherwise agreed in writing by Seller, all deliveries of Products shall be made FCA (agreed delivery location) (Incoterms 2020) and title to and risk of loss for the Products shall pass to Customer upon delivery pursuant to this Section 7.1.

7.2. Any delivery and performance times or dates communicated by or on behalf of Seller are estimates and shall not be binding on Seller. Seller may make partial delivery of Products to be delivered under any Confirmed Order and invoice Customer separately for such partial deliveries or performance. If Customer has not received the Products after six (6) weeks from the estimated delivery date, Customer may make a written request to Seller for delivery. Customer hereby acknowledges and agrees that the actual delivery date of the Products is conditioned upon the complete, accurate and timely delivery of materials from Seller's vendors and suppliers. No delay in delivery of any Products shall relieve Customer of its obligation to accept the delivery or performance thereof and make payments of any amounts due in accordance with these Terms, including but not limited to delays caused governmental restrictions on exports or imports and similar measures.

7.3. Customer's failure to accept the delivery of Products pursuant to a Confirmed Order shall not release or excuse Customer from its obligation to timely pay all amounts due in connection with such Confirmed Order. The Products shall be deemed delivered at the time they have been made available to Customer. If Customer rejects or revokes acceptance of Products, or fails to pay any amounts when due, Seller, in its sole and absolute discretion, may extend the period of delivery of Products by such period as Seller may deem reasonable with such period not exceeding three (3) months from the agreed delivery date, or withhold or cancel delivery of any Products, or cancel any or all Confirmed Orders without any further obligations to Customer whatsoever.

In such event, Customer shall be responsible for any and all costs and expenses incurred, or damages or losses suffered by Seller in connection with any such delay notwithstanding any action or inaction by Seller with regard to such delay. Any remaining Products that have not been accepted by Customer within the extended delivery period determined by Seller will be delivered and invoiced by Seller to Customer and Customer agrees to accept such delivery and pay for the purchase price and other amounts payable for the delivered Products.

8. EXAMINATION AND CONFORMITY TO ORDER

8.1. Promptly upon receipt of any Products, Customer shall conduct a full and complete inspection of such Products as to any defects and to confirm compliance with all requirements of the applicable Confirmed Order. Customer shall notify Seller in writing of any packaging defects, apparent defects, or non-compliance of such Products with the applicable Confirmed Order that Customer has or could reasonably have discovered during such inspection within seven (7) days from the date of receipt of such Products, and Customer shall notify Seller in writing within three (3) days of the date on which Customer shall first have become aware of any hidden defect or non-compliance which could not reasonably have been discovered during Customer's initial inspection of the Products. Such notification shall include reasonable details (including images) on the alleged defects including lot, batch, or Order numbers.

8.2. If Customer fails to timely notify Seller of any defects or other non-compliance of any Products delivered or Customer (or its customers, employees, agents, or representatives) uses, destroys, or modifies any Products that Customer knows or should have known to be defective or non-compliant without Seller's prior written consent, Customer shall be deemed to have unconditionally accepted such Products and waived all of its claims for breach of warranty or otherwise in respect of such Products.

8.3. Customer may only return the Products to Seller with Seller's prior written approval. If the return has been approved by Seller, Customer shall return the Products to Seller at Customer's sole risk and expense to the destination directed by Seller.

8.4. Complaints of Customer in connection with the shipping or transport shall be directed to the carrier promptly upon receipt of the delivery or the freight documents.

9. LIMITED PRODUCT WARRANTY

9.1. Seller warrants to Customer that the Products will be free of defects in material and workmanship and conform with the requirements set forth in the applicable Confirmed Order for a period of twelve (12) months from the date of delivery for new business Products and ninety (90) days for after sales Products. (the "Limited Product Warranty").

9.2. Unless expressly agreed to in writing by Seller, Seller makes no warranty that the Products comply with applicable law, regulations, or specifications in any jurisdiction in which the Products may be used, integrated or incorporated. Any governmental or other approvals necessary in connection with the use, integration or incorporation of the Products shall be Customer's sole responsibility.

9.3. The Limited Product Warranty shall be void if the Defect (as defined below) resulted from (a) improper or inadequate use, storage, handling, operation, integration, incorporation, assembly, maintenance, or unauthorized alteration, modification, repair of the Products (including without limitation, the use storage, handling, operation, or integration of the Products contrary to written instructions and/or recommendations of Seller or inadequate training of personnel), (b) changes to construction and materials pursuant to Customer's requests, (c) use of improper tools, resources, or accessories including those but not limited to any third party tools, resources, or accessories that are not approved by Seller or not in accordance with Seller's recommendations, instructions, or directions, (d) acts or omissions of Customer or third parties following delivery of the Product, (e) Customer's failure to properly communicate Seller's instructions and warnings to users of the Products, (f) Customer's, its employees, agents, representatives, customers or any third party's non-compliance with applicable laws, rules and regulation, (g) Force Majeure, or (h) ordinary wear and tear of the Products (e.g., sweep bristles).

9.4. In the event of an alleged breach of the Limited Product Warranty (a "Defect"), Customer shall, at Customer's sole expense, send the Product to Seller. Seller shall conduct the necessary tests on such Product within a reasonable period. If Seller confirms the Defect, Sellershall, at its sole option and discretion, repair or replace the Defective Product. If the repair or replacement of the Defective Product is commercially unreasonable to Seller, Seller may, at its sole discretion, issue a refund to Customer in the amount Seller deems adequate. Such repair, replacement, or refund shall be the sole liability of Seller and the sole remedy of Customer with respect to a Defect. In no event shall any warranty claims for a Defect be made after twelve (12) months from the date of Customer's receipt of the Products. Any Products or parts returned to Seller for removal or repair under this Section 9.4 shall be the property of Seller. Any applicable Limited Product Warranty period shall not start anew with the repair or replacement of the Defective Product (or any portion thereof).

9.5. Except for Limited Product Warranty, SELLER HEREBY EXPRESSLY EXCLUDES AND DISCLAIMS ANY AND ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NONINFRINGEMENT. Seller makes no other warranties with respect to the Products, and no person is authorized to make any warranties on behalf of Seller that are inconsistent with the warranties set forth under this Section 9.

10. LIMITATION OF LIABILITY

10.1. IN NO EVENT SHALL SELLER BE LIABLE TO CUSTOMER, ITS CUSTOMERS, EMPLOYEES, AGENTS, AND OTHER REPRESENTATIVES FOR ANY INDIRECT, INCIDENTAL, PUNITIVE, SPECIAL OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO, DAMAGES FOR LOSS OF PROFITS, REVENUE, GOODWILL, OR USE, WHETHER IN AN ACTION IN CONTRACT, TORT, STRICT LIABILITY, OR IMPOSED BY STATUTE, OR OTHERWISE, EVEN IF SELLER WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. NOTWITHSTANDING ANY OF THE TERMS CONTAINED HEREIN, SELLER'S LIABILITY FOR ANY CLAIM WHETHER BASED UPON CONTRACT, TORT, EQUITY, NEGLIGENCE, OR ANY OTHER LEGAL CONCEPT SHALL IN NO EVENT EXCEED THE PURCHASE PRICE PAID BY THE CUSTOMER FOR THE PRODUCTS, GIVING RISE TO SUCH CLAIM. CUSTOMER HEREBY ACKNOWLEDGES AND AGREES THAT THE PROVISIONS OF THESE TERMS FAIRLY ALLOCATE THE RISKS BETWEEN SELLER AND CUSTOMER, THAT SELLER'S PRICING REFLECTS THIS ALLOCATION OF RISK, AND BUT FOR THIS ALLOCATION AND LIMITATION OF LIABILITY, SELLER WOULD NOT HAVE ENTERED INTO AN AGREEMENT WITH CUSTOMER FOR THE SALE OF THE PRODUCTS.

10.2. Seller shall not be liable for, and Customer assumes responsibility and shall indemnify, defend, and hold Seller harmless for any and all claims, including without limitation claims for personal injury or property damages, resulting from (a) the improper or inadequate use, storage, handling, operation, assembly, integration, incorporation, assembly, maintenance, or unauthorized alteration, modification, or repair of the Products (including without limitation, the use storage, handling, operation, or integration of the Products contrary to written instructions and/or recommendations of Seller or inadequate training of personnel), (b) changes to construction and materials pursuant to Customer's requests, (c) use of improper tools, resources, or accessories including those but not limited to any third party tools, resources, or accessories that are not approved by Seller or not in accordance with Seller's recommendations, instructions, or directions, (d) acts or omissions of Customer or third parties following the delivery of the Products, (e) Customer's failure to properly communicate Seller's instructions and warnings to users of the Products, or (f) Customer's, its employees, agents, representatives, customers or any third party's non-compliance with applicable laws, rules and regulation, (g) Force Majeure, or (h) ordinary wear and tear of the Products (e.g., sweep bristles).

10.3. In jurisdictions that limit or preclude limitations or exclusion of remedies, damages, or liability, such as liability for gross negligence or willful misconduct or do not allow implied warranties to be excluded, the limitation or exclusion of warranties, remedies, damages, or liability set forth in these Terms are intended to apply to the maximum extent permitted by applicable law, and these Terms shall be deemed amended to comply with such limitations or exclusions. Customer may also have other rights that vary by state, country or other jurisdiction.

11. CONFIDENTIALITY

11.1. "Confidential Information" means: (i) any know-how, trade secrets, and other business or technical information of Seller that is confidential or proprietary or due to its nature or under the circumstances of its disclosure the Customer knows or has reason to know should be treated as confidential or proprietary, including but not limited to quotations, drawings, project documentation, samples and models.

11.2. Confidential Information does not include information that: (i) is or becomes generally known to the public through no fault or breach of these Terms by the Customer; (ii) is rightfully known by the Customer at the time of disclosure without an obligation of confidentiality; (iii) is independently developed by the Customer without use of Seller's Confidential Information; (iv) is rightfully received by the Customer from a third party without restriction on use or disclosure; or (v) is disclosed with Seller's prior written approval.

11.3. Customer shall not use Seller's Confidential Information except as necessary to use the Products and will not disclose such Confidential Information to any third party except to those of its employees, agents, subcontractors, or representatives who have a bona fide need to know such Confidential Information to enable Customer to use the Products; provided that each such employee, agent, subcontractor, and/or representative is/are bound by a written agreement that contains use and nondisclosure restrictions not less stringent than the terms set forth in this Section 11.3. The Customer will employ all reasonable steps to protect Seller's Confidential Information from unauthorized use or disclosure, including, but not limited to, all steps that it takes to protect its own information of like importance. The foregoing obligations will not restrict the Customer from disclosing Seller's Confidential Information: (i) pursuant to the order or requirement of a court, administrative agency, or other governmental body, provided that the Customer gives reasonable notice to Seller to contest such order or requirement; (ii) to its legal or financial advisors; and (iii) as required under applicable securities regulations.

11.4. In the event of a violation or threatened violation of Customer's obligations under this Section 11, Seller shall be entitled to seek equitable relief, including in the form of a restraining order, orders for preliminary or permanent injunction, specific performance and any other relief that may be available from any court, without the requirement to secure or post any bond, or show actual monetary damages in connection with such relief. These remedies shall not be deemed to be exclusive but in addition to all other remedies available under these Terms, at law, or in equity.

12. INTELLECTUAL PROPERTY

12.1 Seller reserves the sole and exclusive ownership of the intellectual property rights in the Products (including but not limited to the technology used to manufacture the Products) and any improvements thereof regardless of inventorship or authorship. Customer shall not (and shall cause its employees, agents, representatives and customers to not) reverse engineer, decompile, disassemble, or decode any of Seller's intellectual property embedded or used in any of the Product.

13. FORCE MAJEURE

13.1. Seller shall not be responsible for any failure or delay in its performance under these Terms due to causes beyond its reasonable control, including, but not limited to, disruptions of the public power supply, communications, and transportation infrastructure, governmental measures, malware or hacker attacks, fire, extraordinary weather events, epidemics, pandemics (or any government restrictions implemented as a result thereof), nuclear and chemical accidents, earthquakes, war, terrorist attacks, labor disputes, strikes, lockouts, shortages of or inability to obtain labor, energy, raw materials or supplies, or other acts of God.

14. MISCELLANEOUS

14.1. If any provision contained in these Terms or any Confirmed Order is held by final judgment of a court of competent jurisdiction to be invalid, illegal, or unenforceable, such invalid, illegal, or unenforceable

provision shall be severed from the remainder of these Terms or such Confirmed Order, and the remainder of these Terms or such Confirmed Order shall be enforced. In addition, the invalid, illegal, or unenforceable provision shall be deemed to be automatically modified, and, as so modified, to be included in these Terms, such modification being made to the minimum extent necessary to render such provision valid, legal, and enforceable.

14.2. Seller may assign its rights and/or delegate its liabilities under any Confirmed Order at any time. Customer may not assign its rights or delegate its responsibilities under a Confirmed Order without Seller's prior written consent.

14.3. Seller's waiver of any breach or violation of these Terms or the provisions of any Confirmed Order by Customer shall not be construed as a waiver of any other present or future breach or breaches by Customer.

14.4. The parties hereto are independent contractors and nothing in these Terms will be construed as creating a joint venture, partnership, employment, or agency relationship between the parties.

14.5. Notices by a party regarding the exercise of rights and obligations under these Terms must be signed by authorized representatives of such party, and delivered via courier, mail, or e-mail to the other party's address indicated in the applicable Confirmed Order, provided that a notice by e-mail shall only be validly given if receipt thereof is acknowledged in writing by the recipient.

15. ENTIRE AGREEMENT; CONFLICTS.

15.1. These Terms, including the applicable Confirmed Order, constitute the entire and exclusive agreement of the parties regarding the subject matter hereof and supersede any and all prior or contemporaneous agreements, communications, and understandings (both written and oral) regarding such subject matter. In the event of a conflict between the provisions of these Terms and the provisions of a Confirmed

Order, the provisions of the Confirmed Order will govern and control. Seller may amend or modify these Terms from time to time. Seller may, at its sole discretion, provide Customer with written notice of any such changes, revisions, amendments, or modifications, provided, however that any such changes, revisions, amendments, or modifications shall become effective without any further action by any party and that they shall not apply to any Confirmed Order prior to the effective date of such changes, revisions, amendments, or modifications.

16. APPLICABLE LAW AND JURISDICTION

16.1. These Terms and the Confirmed Orders shall be governed by and construed in accordance with the laws of the State of Wisconsin without giving effect to any choice or conflict of law provision or rule that would defer to or cause the application of the substantive laws of any jurisdiction other than Wisconsin. The parties hereby expressly exclude the application of the 1980 United Nations Convention on Contracts for the International Sale of Goods.

16.2. Any dispute, controversy, or claim arising out of or relating to these Terms and any Confirmed Order, including but not limited to the execution, performance, or termination thereof or to any issue of liability arising out of the performance of these Terms or any Confirmed Order, which the parties have not been able to settle amicably shall be submitted to the exclusive jurisdiction of the state or federal courts with jurisdiction in the County of Calumet, Wisconsin, provided that notwithstanding the foregoing, Seller shall be entitled to seek specific performance and injunctive relief in any court of competent jurisdiction. Each party hereby waives any and all claims, pleas, or defenses (including without limitation a plea for forum non conveniens) that would permit such party to seek the jurisdiction of any courts or arbitration tribunals other than those set forth in the preceding sentence.

16.3. EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THESE TERMS.

General Terms and Conditions for the Sale of Goods by Subsidiaries of ASH North America, Inc

1. SCOPE AND VALIDITY

1.1. These General Terms and Conditions for the Sale of Goods (these "Terms") govern the sale and delivery of all goods and products (the "Products"), and all transactions incidental thereto, by such subsidiary of ASH North America, Inc. identified on the respective Confirmed Order (as defined below) as the seller or supplier ("Seller") to any of its customers (each a "Customer"). The liability of each such subsidiary under these Terms or any Confirmed Order shall be several and not joint. Customer acknowledges and agrees that nothing in these Terms or any Confirmed Order shall be construed as implying joint liability in any case of ASH North America, Inc. or any of its subsidiaries. Each Seller shall be solely responsible for its own acts or omissions under the respective agreement with Customer.

1.2. No other terms or conditions shall be of any force or effect unless otherwise specifically agreed upon by Seller in a writing duly executed by an authorized officer of Seller. These Terms supersede any and all prior oral quotations, communications, agreements, or understandings of the parties in respect to the sale and delivery of the Products. The Seller may issue additional Terms and Conditions of Sale for certain products. These shall apply in addition to the present Terms. Any additional or different terms or conditions contained in Customer's Order (as defined below), response to Seller's confirmation, or any other form or document supplied by Customer are hereby expressly rejected and are rendered null, void, and of no effect. These Terms may not be modified, amended, waived, superseded, or rescinded, except by written agreement signed by an authorized officer of Seller. Delivery of the Products by Seller does not constitute acceptance of any of Customer's terms and conditions and do not serve to modify or amend these Terms.

1.3. The issuance of an Order (as defined below) by Customer to Seller or any communication or conduct of Customer which confirms an agreement for the delivery of Products by Seller, as well as acceptance in whole or in part by Customer of any delivery of Products by Seller, shall be construed as Customer's acceptance of these Terms.

2. OFFERS, ORDERS AND CONFIRMATION

2.1. Unless otherwise specified by Seller in writing, all offers made by Seller are not binding and may be revoked by Seller at any time without any liability to Customer.

2.2. Customer shall issue to Seller orders for the purchase of Products, in written form via the order process determined by Seller from time to time (each, an "Order"). By issuing an Order to Seller, Customer makes an offer to purchase the Products pursuant to these Terms and the terms set forth on such Order. Provided that the Order contains the same terms as in Seller's corresponding offer, the Order shall be binding on Customer for six (6) weeks after Seller's receipt of such Order.

2.3. Seller may refuse an Order for any or no reason. No Order is binding upon Seller until Seller's acceptance of the Order in writing, the issuance of any governmental permit, license, or authority to Seller, as may be required under applicable laws, rules and regulations, and the receipt by Seller of a resale license to be provided by Customer (a "Confirmed Order").

2.4. Specifications and other information on drawings, data sheets, pictures, plans, brochures, catalogs, or Seller's website shall not be binding on Seller unless such specifications and information have been agreed to in writing by Seller in a Confirmed Order. Notwithstanding a Confirmed Order, Seller shall have no obligation to deliver Products to Customer or otherwise fulfill any of its obligations set forth in a Confirmed Order if Customer is in breach of any of its obligations hereunder or any Confirmed Order.

2.5. Customer may submit to Seller written requests to change the terms of a Confirmed Order (each such request, a "Change Order Request"). Seller may, at its sole discretion, consider such Change Order Request, provided that Seller will have no obligation to perform any Change Order Request unless and until Seller has agreed in writing to adopt such Change Order Request. If Seller elects to consider such a Change Order Request, then Seller shall promptly notify Customer of any adjustment to the applicable purchase price for the Products.

2.6. In the event Customer cancels any Confirmed Order for any reason, Customer shall reimburse to Seller all of Seller's costs and

expenses associated with or incurred due to such cancellation, including but not limited to the cost of raw materials, labor, and storage if cancellation occurs before Seller's commencement of production. In the event Customer cancels any Confirmed Order for any reason and Seller has started the production of the Product on the respective Confirmed Order, Customer shall pay to Seller the full purchase price.

2.7. Each Confirmed Order shall be considered a separate agreement between the parties, and any failure to deliver the Products under any Confirmed Order shall have no consequences for other deliveries of Products.

3. PRICES

3.1. Unless otherwise agreed to by the parties in the applicable Confirmed Order, the prices of the Products shall be FCA (agreed delivery location on the applicable Confirmed Order), Incoterms 2022.

3.2. Unless otherwise agreed by the parties in a Confirmed Order, the price of the Products shall not include transportation, insurance, packaging, and Tooling (as defined below) and other materials used for the manufacturing and delivery, sales or Heavy Vehicle Use Tax (HVUT), other use tax or any other similar applicable federal, state or foreign taxes, duties, levies, or charges in any jurisdiction in connection with the sale or delivery of the Products ("Taxes"). Such Taxes shall be payable by Customer, and if Seller is responsible for the collection thereof, such Taxes shall either be added to the price invoiced or be separately invoiced by Seller to Customer. Any special requests concerning shipping, transportation, and insurance shall be communicated to Seller in a timely manner and subject to Seller's prior written approval. Customer shall bear all costs resulting from such requests. In case of lead delivery times of more than two (2) months, Customer hereby acknowledges and agrees that Seller, may, at its sole discretion, increase or decrease the agreed prices on any Confirmed Order in the event of material price changes in wages, materials, energy or raw material after the date of the Confirmed Order.

4. PAYMENT TERMS

4.1. Except as set forth in Section 4.2 or unless otherwise agreed in writing by Seller, the purchase price for the Products and all other amounts due under a Confirmed Order shall be due and payable in US dollars within thirty (30) days following the date of Seller's invoice for such Products without any discount, deduction or offset whatsoever. In no event shall any loss, damage, injury or destruction, Force Majeure (as defined below), or any other event beyond Customer's control release Customer from its obligation to make the payments required herein. Payment of all amounts due hereunder shall be made by bank transfer or in any other manner set forth on Seller's invoice. Customer shall be solely responsible for any bank fees, or other fees, incurred due to the wire transfer or any other selected payment method. If Seller agrees to payment by credit card, Seller shall charge an appropriate transaction fee, which the Customer shall also pay.

4.2. In the event Seller becomes aware of circumstances or has reason to believe that there are circumstances that may have an adverse effect on Customer's financial condition, Seller may require the Customer to pay the total amount of the purchase price or fees, or a portion thereof prior to the delivery of the Products. Seller may, without any liability to Customer, refuse the delivery of any Product in the event the Customer fails to make the payment as required under this Section 4.2.

4.3. Time is of the essence for the payment of all amounts due to Seller under any Confirmed Order. If Customer fails to make payments of any amount when due, Customer shall pay interest to Seller at the rate of one percent (1%) per month or such lesser amount as may be permitted by applicable law starting from the due date until payment to Seller of such amount in full. In addition to the interest, Seller may, at its sole discretion, charge the Customer a flat fee of \$40 for each reminder notice issued to Customer due to late payments. If Customer fails to comply with these Terms or a Confirmed Order, or if Customer becomes insolvent, all balances then due and owing to Seller shall become due immediately, notwithstanding any payment terms agreed by the parties. All costs and expenses incurred by Seller with respect to the collection of overdue payments (including, without limitation, reasonable attorney's fees, expert fees, and other expenses of litigation) shall be borne by Customer. Every payment by Customer shall first be

applied to pay for Seller's cost of collection, then interest owed by Customer, and then to the oldest outstanding claim.

4.4. Notwithstanding anything in the foregoing Section 4.3 or Section 5, if the parties agreed on installment payments in a Confirmed Order and Customer fails to make any installment payment when due, the remaining balance including accrued interest, and any expenses incurred by Seller shall be due and payable to Seller promptly upon Customer's receipt of written notice of delinquency from Seller.

5. SECURITY INTEREST

5.1. If Seller extends credit to Customer for the purchase price for any Products (including but not limited to pursuant to Section 4.1.), or any other amounts due to Seller, Customer hereby grants to Seller as security for the timely payment and performance of all Customer's payment obligations to Seller, a first priority security interest (the "Security Interest") in all Products heretofore or in the future delivered to Customer and in the proceeds thereof for as long as such Products shall not have been sold by Customer in the ordinary course of business (the "Collateral"). Seller shall be entitled to file any and all financing, continuation, or similar statements under the Uniform Commercial Code in any jurisdiction and take any and all other action necessary or desirable, in Seller's sole and absolute discretion, to perfect its Security Interest in the Collateral and to establish, continue, preserve, and protect Seller's Security Interest in the Collateral. Customer agrees to take any and all actions and provide Customer with all information necessary to enable Seller to perfect and enforce its Security Interest in all jurisdictions and vis-à-vis any of Customer's creditors, and hereby irrevocably grants to Seller a power of attorney to execute all necessary statements or documents in Customer's name for the perfection and enforcement of such Security Interest. The Security Interest shall remain in force until payment in full of the entire purchase price for such Products, and any other amounts due to Seller by Customer. Seller may, without notice, change or withdraw extensions of credit at any time.

6. OBLIGATIONS OF CUSTOMER

6.1. Customer shall use the Products solely for their intended purpose and pursuant to Seller's instructions, and agrees to use only qualified personnel for the handling of the Products. Customer shall ensure that its customers, employees, agents, and other representatives comply with this Section 6.1. and shall be responsible for their acts and omissions.

7. DELIVERY AND ACCEPTANCE

7.1. Unless otherwise agreed in writing by Seller, all deliveries of Products shall be made FCA (agreed delivery location) (Incoterms 2020) and title to and risk of loss for the Products shall pass to Customer upon delivery pursuant to this Section 7.1.

7.2. Any delivery and performance times or dates communicated by or on behalf of Seller are estimates and shall not be binding on Seller. Seller may make partial delivery of Products to be delivered under any Confirmed Order and invoice Customer separately for such partial deliveries or performance. If Customer has not received the Products after six (6) weeks from the estimated delivery date, Customer may make a written request to Seller for delivery. Customer hereby acknowledges and agrees that the actual delivery date of the Products is conditioned upon the complete, accurate and timely delivery of materials from Seller's vendors and suppliers. No delay in delivery of any Products shall relieve Customer of its obligation to accept the delivery or performance thereof and make payments of any amounts due in accordance with these Terms, including but not limited to delays caused governmental restrictions on exports or imports and similar measures.

7.3. Customer's failure to accept the delivery of Products pursuant to a Confirmed Order shall not release or excuse Customer from its obligation to timely pay all amounts due in connection with such Confirmed Order. The Products shall be deemed delivered at the time they have been made available to Customer. If Customer rejects or revokes acceptance of Products, or fails to pay any amounts when due, Seller, in its sole and absolute discretion, may extend the period of delivery of Products by such period as Seller may deem reasonable with such period not exceeding three (3) months from the agreed delivery date, or withhold or cancel delivery of any Products, or cancel any or all Confirmed Orders without any further obligations to Customer whatsoever.

In such event, Customer shall be responsible for any and all costs and expenses incurred, or damages or losses suffered by Seller in connection with any such delay notwithstanding any action or inaction by Seller with regard to such delay. Any remaining Products that have not been accepted by Customer within the extended delivery period determined by Seller will be delivered and invoiced by Seller to Customer and Customer agrees to accept such delivery and pay for the purchase price and other amounts payable for the delivered Products.

8. EXAMINATION AND CONFORMITY TO ORDER

8.1. Promptly upon receipt of any Products, Customer shall conduct a full and complete inspection of such Products as to any defects and to confirm compliance with all requirements of the applicable Confirmed Order. Customer shall notify Seller in writing of any packaging defects, apparent defects, or non-compliance of such Products with the applicable Confirmed Order that Customer has or could reasonably have discovered during such inspection within seven (7) days from the date of receipt of such Products, and Customer shall notify Seller in writing within three (3) days of the date on which Customer shall first have become aware of any hidden defect or non-compliance which could not reasonably have been discovered during Customer's initial inspection of the Products. Such notification shall include reasonable details (including images) on the alleged defects including lot, batch, or Order numbers.

8.2. If Customer fails to timely notify Seller of any defects or other non-compliance of any Products delivered or Customer (or its customers, employees, agents, or representatives) uses, destroys, or modifies any Products that Customer knows or should have known to be defective or non-compliant without Seller's prior written consent, Customer shall be deemed to have unconditionally accepted such Products and waived all of its claims for breach of warranty or otherwise in respect of such Products.

8.3. Customer may only return the Products to Seller with Seller's prior written approval. If the return has been approved by Seller, Customer shall return the Products to Seller at Customer's sole risk and expense to the destination directed by Seller.

8.4. Complaints of Customer in connection with the shipping or transport shall be directed to the carrier promptly upon receipt of the delivery or the freight documents.

9. LIMITED PRODUCT WARRANTY

9.1. Seller warrants to Customer that the Products will be free of defects in material and workmanship and conform with the requirements set forth in the applicable Confirmed Order for a period of twelve (12) months from the date of delivery for new business Products and ninety (90) days for after sales Products. (the "Limited Product Warranty").

9.2. Unless expressly agreed to in writing by Seller, Seller makes no warranty that the Products comply with applicable law, regulations, or specifications in any jurisdiction in which the Products may be used, integrated or incorporated. Any governmental or other approvals necessary in connection with the use, integration or incorporation of the Products shall be Customer's sole responsibility.

9.3. The Limited Product Warranty shall be void if the Defect (as defined below) resulted from (a) improper or inadequate use, storage, handling, operation, integration, incorporation, assembly, maintenance, or unauthorized alteration, modification, repair of the Products (including without limitation, the use storage, handling, operation, or integration of the Products contrary to written instructions and/or recommendations of Seller or inadequate training of personnel), (b) changes to construction and materials pursuant to Customer's requests, (c) use of improper tools, resources, or accessories including those but not limited to any third party tools, resources, or accessories that are not approved by Seller or not in accordance with Seller's recommendations, instructions, or directions, (d) acts or omissions of Customer or third parties following delivery of the Product, (e) Customer's failure to properly communicate Seller's instructions and warnings to users of the Products, (f) Customer's, its employees, agents, representatives, customers or any third party's non-compliance with applicable laws, rules and regulation, (g) Force Majeure, or (h) ordinary wear and tear of the Products (e.g., sweep bristles).

9.4. In the event of an alleged breach of the Limited Product Warranty (a "Defect"), Customer shall, at Customer's sole expense, send the Product to Seller. Seller shall conduct the necessary tests on such Product within a reasonable period. If Seller confirms the Defect, Sellershall, at its sole option and discretion, repair or replace the Defective Product. If the repair or replacement of the Defective Product is commercially unreasonable to Seller, Seller may, at its sole discretion, issue a refund to Customer in the amount Seller deems adequate. Such repair, replacement, or refund shall be the sole liability of Seller and the sole remedy of Customer with respect to a Defect. In no event shall any warranty claims for a Defect be made after twelve (12) months from the date of Customer's receipt of the Products. Any Products or parts returned to Seller for removal or repair under this Section 9.4 shall be the property of Seller. Any applicable Limited Product Warranty period shall not start anew with the repair or replacement of the Defective Product (or any portion thereof).

9.5. Except for Limited Product Warranty, SELLER HEREBY EXPRESSLY EXCLUDES AND DISCLAIMS ANY AND ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NONINFRINGEMENT. Seller makes no other warranties with respect to the Products, and no person is authorized to make any warranties on behalf of Seller that are inconsistent with the warranties set forth under this Section 9.

10. LIMITATION OF LIABILITY

10.1. IN NO EVENT SHALL SELLER BE LIABLE TO CUSTOMER, ITS CUSTOMERS, EMPLOYEES, AGENTS, AND OTHER REPRESENTATIVES FOR ANY INDIRECT, INCIDENTAL, PUNITIVE, SPECIAL OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO, DAMAGES FOR LOSS OF PROFITS, REVENUE, GOODWILL, OR USE, WHETHER IN AN ACTION IN CONTRACT, TORT, STRICT LIABILITY, OR IMPOSED BY STATUTE, OR OTHERWISE, EVEN IF SELLER WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. NOTWITHSTANDING ANY OF THE TERMS CONTAINED HEREIN, SELLER'S LIABILITY FOR ANY CLAIM WHETHER BASED UPON CONTRACT, TORT, EQUITY, NEGLIGENCE, OR ANY OTHER LEGAL CONCEPT SHALL IN NO EVENT EXCEED THE PURCHASE PRICE PAID BY THE CUSTOMER FOR THE PRODUCTS, GIVING RISE TO SUCH CLAIM. CUSTOMER HEREBY ACKNOWLEDGES AND AGREES THAT THE PROVISIONS OF THESE TERMS FAIRLY ALLOCATE THE RISKS BETWEEN SELLER AND CUSTOMER, THAT SELLER'S PRICING REFLECTS THIS ALLOCATION OF RISK, AND BUT FOR THIS ALLOCATION AND LIMITATION OF LIABILITY, SELLER WOULD NOT HAVE ENTERED INTO AN AGREEMENT WITH CUSTOMER FOR THE SALE OF THE PRODUCTS.

10.2. Seller shall not be liable for, and Customer assumes responsibility and shall indemnify, defend, and hold Seller harmless for any and all claims, including without limitation claims for personal injury or property damages, resulting from (a) the improper or inadequate use, storage, handling, operation, assembly, integration, incorporation, assembly, maintenance, or unauthorized alteration, modification, or repair of the Products (including without limitation, the use storage, handling, operation, or integration of the Products contrary to written instructions and/or recommendations of Seller or inadequate training of personnel), (b) changes to construction and materials pursuant to Customer's requests, (c) use of improper tools, resources, or accessories including those but not limited to any third party tools, resources, or accessories that are not approved by Seller or not in accordance with Seller's recommendations, instructions, or directions, (d) acts or omissions of Customer or third parties following the delivery of the Products, (e) Customer's failure to properly communicate Seller's instructions and warnings to users of the Products, or (f) Customer's, its employees, agents, representatives, customers or any third party's non-compliance with applicable laws, rules and regulation, (g) Force Majeure, or (h) ordinary wear and tear of the Products (e.g., sweep bristles).

10.3. In jurisdictions that limit or preclude limitations or exclusion of remedies, damages, or liability, such as liability for gross negligence or willful misconduct or do not allow implied warranties to be excluded, the limitation or exclusion of warranties, remedies, damages, or liability set forth in these Terms are intended to apply to the maximum extent permitted by applicable law, and these Terms shall be deemed amended to comply with such limitations or exclusions. Customer may also have other rights that vary by state, country or other jurisdiction.

11. CONFIDENTIALITY

11.1. "Confidential Information" means: (i) any know-how, trade secrets, and other business or technical information of Seller that is confidential or proprietary or due to its nature or under the circumstances of its disclosure the Customer knows or has reason to know should be treated as confidential or proprietary, including but not limited to quotations, drawings, project documentation, samples and models.

11.2. Confidential Information does not include information that: (i) is or becomes generally known to the public through no fault or breach of these Terms by the Customer; (ii) is rightfully known by the Customer at the time of disclosure without an obligation of confidentiality; (iii) is independently developed by the Customer without use of Seller's Confidential Information; (iv) is rightfully received by the Customer from a third party without restriction on use or disclosure; or (v) is disclosed with Seller's prior written approval.

11.3. Customer shall not use Seller's Confidential Information except as necessary to use the Products and will not disclose such Confidential Information to any third party except to those of its employees, agents, subcontractors, or representatives who have a bona fide need to know such Confidential Information to enable Customer to use the Products; provided that each such employee, agent, subcontractor, and/or representative is/are bound by a written agreement that contains use and nondisclosure restrictions not less stringent than the terms set forth in this Section 11.3. The Customer will employ all reasonable steps to protect Seller's Confidential Information from unauthorized use or disclosure, including, but not limited to, all steps that it takes to protect its own information of like importance. The foregoing obligations will not restrict the Customer from disclosing Seller's Confidential Information: (i) pursuant to the order or requirement of a court, administrative agency, or other governmental body, provided that the Customer gives reasonable notice to Seller to contest such order or requirement; (ii) to its legal or financial advisors; and (iii) as required under applicable securities regulations.

11.4. In the event of a violation or threatened violation of Customer's obligations under this Section 11, Seller shall be entitled to seek equitable relief, including in the form of a restraining order, orders for preliminary or permanent injunction, specific performance and any other relief that may be available from any court, without the requirement to secure or post any bond, or show actual monetary damages in connection with such relief. These remedies shall not be deemed to be exclusive but in addition to all other remedies available under these Terms, at law, or in equity.

12. INTELLECTUAL PROPERTY

12.1 Seller reserves the sole and exclusive ownership of the intellectual property rights in the Products (including but not limited to the technology used to manufacture the Products) and any improvements thereof regardless of inventorship or authorship. Customer shall not (and shall cause its employees, agents, representatives and customers to not) reverse engineer, decompile, disassemble, or decode any of Seller's intellectual property embedded or used in any of the Product.

13. FORCE MAJEURE

13.1. Seller shall not be responsible for any failure or delay in its performance under these Terms due to causes beyond its reasonable control, including, but not limited to, disruptions of the public power supply, communications, and transportation infrastructure, governmental measures, malware or hacker attacks, fire, extraordinary weather events, epidemics, pandemics (or any government restrictions implemented as a result thereof), nuclear and chemical accidents, earthquakes, war, terrorist attacks, labor disputes, strikes, lockouts, shortages of or inability to obtain labor, energy, raw materials or supplies, or other acts of God.

14. MISCELLANEOUS

14.1. If any provision contained in these Terms or any Confirmed Order is held by final judgment of a court of competent jurisdiction to be invalid, illegal, or unenforceable, such invalid, illegal, or unenforceable

provision shall be severed from the remainder of these Terms or such Confirmed Order, and the remainder of these Terms or such Confirmed Order shall be enforced. In addition, the invalid, illegal, or unenforceable provision shall be deemed to be automatically modified, and, as so modified, to be included in these Terms, such modification being made to the minimum extent necessary to render such provision valid, legal, and enforceable.

14.2. Seller may assign its rights and/or delegate its liabilities under any Confirmed Order at any time. Customer may not assign its rights or delegate its responsibilities under a Confirmed Order without Seller's prior written consent.

14.3. Seller's waiver of any breach or violation of these Terms or the provisions of any Confirmed Order by Customer shall not be construed as a waiver of any other present or future breach or breaches by Customer.

14.4. The parties hereto are independent contractors and nothing in these Terms will be construed as creating a joint venture, partnership, employment, or agency relationship between the parties.

14.5. Notices by a party regarding the exercise of rights and obligations under these Terms must be signed by authorized representatives of such party, and delivered via courier, mail, or e-mail to the other party's address indicated in the applicable Confirmed Order, provided that a notice by e-mail shall only be validly given if receipt thereof is acknowledged in writing by the recipient.

15. ENTIRE AGREEMENT; CONFLICTS.

15.1. These Terms, including the applicable Confirmed Order, constitute the entire and exclusive agreement of the parties regarding the subject matter hereof and supersede any and all prior or contemporaneous agreements, communications, and understandings (both written and oral) regarding such subject matter. In the event of a conflict between the provisions of these Terms and the provisions of a Confirmed

Order, the provisions of the Confirmed Order will govern and control. Seller may amend or modify these Terms from time to time. Seller may, at its sole discretion, provide Customer with written notice of any such changes, revisions, amendments, or modifications, provided, however that any such changes, revisions, amendments, or modifications shall become effective without any further action by any party and that they shall not apply to any Confirmed Order prior to the effective date of such changes, revisions, amendments, or modifications.

16. APPLICABLE LAW AND JURISDICTION

16.1. These Terms and the Confirmed Orders shall be governed by and construed in accordance with the laws of the State of Wisconsin without giving effect to any choice or conflict of law provision or rule that would defer to or cause the application of the substantive laws of any jurisdiction other than Wisconsin. The parties hereby expressly exclude the application of the 1980 United Nations Convention on Contracts for the International Sale of Goods.

16.2. Any dispute, controversy, or claim arising out of or relating to these Terms and any Confirmed Order, including but not limited to the execution, performance, or termination thereof or to any issue of liability arising out of the performance of these Terms or any Confirmed Order, which the parties have not been able to settle amicably shall be submitted to the exclusive jurisdiction of the state or federal courts with jurisdiction in the County of Calumet, Wisconsin, provided that notwithstanding the foregoing, Seller shall be entitled to seek specific performance and injunctive relief in any court of competent jurisdiction. Each party hereby waives any and all claims, pleas, or defenses (including without limitation a plea for forum non conveniens) that would permit such party to seek the jurisdiction of any courts or arbitration tribunals other than those set forth in the preceding sentence.

16.3. EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THESE TERMS.

CITY COUNCIL AGENDA REPORT

DATE: March 3, 2025
DEPARTMENT: Administration
PREPARED BY: Sandy Haima
AGENDA ITEM NUMBER: 11.A.

MEETING TYPE

Regular Meeting

AGENDA ITEM

Boards/Commission Appointments

ACTION TO BE CONSIDERED OR DESIRED OUTCOME

Appoint Advisory Board and Commission members.

OVERVIEW

The Mayor and/or City Council appoint individuals to represent the City on various Advisory Boards and/or Commissions each year. A meet & greet with applicants was held on February 24, 2025, prior to the start of the scheduled Work Session meeting.

Current Board/commission openings are as follows:

Occupation

Program Manager

Qualifications

Please answer the following questions.

Do you have any special qualifications that you feel would help you be effective on a board or commission (i.e. work experience, education, volunteer experience, etc.)?

Currently serving second year as alternate on LMRWO board. Extensive community work in youth outdoor activities(Scouting, Coaching). As a program manager I oversee large transformation projects and solutioning across a wide variety of domains including environmental sustainability.

List two or three goals that you would like to see accomplished during your service.

I would love to continue the work to find additional grants to support the community and all of the water that feeds the Mississippi River.
I want to continue to ensure that we have effective public outreach across a variety of programs to continue to improve the usability of our lakes and rivers.

What is your primary interest in serving on a City of SSP Advisory Board or Commission?

Improving our community and supporting important work that is critical to keeping South Saint Paul a gem of a place to live in our state.

Qualifications

Please answer the following questions.

Do you have any special qualifications that you feel would help you be effective on a board or commission (i.e. work experience, education, volunteer experience, etc.)?

I have an Associates Degree in Interior Design so I have some knowledge of space planning. I am also passionate about ADA accessibility.

I am currently the Executive Director of SSP4ALL Nonprofit, an LGBTQ+ organization that I co-founded.

List two or three goals that you would like to see accomplished during your service.

I would like to be able to use my voice as someone who has a mobility issue to make sure that our handicapped residents have access to as much of our city as possible.

Help spotlight the needs of our city and possible solutions to remedy the need.

What is your primary interest in serving on a City of SSP Advisory Board or Commission?

To learn more about how the city runs, and to connect with residents of SSP in a setting other than the nonprofit or being an Election Judge.

Occupation

Individual and business income tax policy lead

Qualifications

Please answer the following questions.

Do you have any special qualifications that you feel would help you be effective on a board or commission (i.e. work experience, education, volunteer experience, etc.)?

Yes. My education background includes a Masters of Business Administration degree, a professional certificate in policy analysis, and licensure as a Certified Fraud Examiner. Additionally, my primary work responsibilities over the last 13 years have been:

- Reviewing, explaining, and planning for potential enactment of legislative proposals,
- Developing policy and technical proposals for possible inclusion in the Governor's bill,
- Analyzing recent policy and law changes to determine if stated objectives were achieved, and proposing modifications to better achieve those objectives.
- Designing implementation and administration strategies for newly enacted tax laws, and doing the work implement those laws,
- Updating Minnesota tax forms and instructions to reflect existing, and new laws.

It has been an honor to serve on the planning commission the last 4 years, and I hopeful to be able to continue this service.

List two or three goals that you would like to see accomplished during your service.

1. Seeing the city continue to focus on responsible, commercial development that thoughtfully encourages investment while not detracting from the family friendly, small-town feel. I believe it's important this development and redevelopment is done in a way that respects the city's unique history, while continuing to prioritize the exciting future for South St. Paul.
2. Continuing to make the permitting, variance, and similar processes easier and more approachable to residents and business owners while respecting the importance of these processes. It is my hope this will encourage investment in our community and disincentivize unpermitted projects.
3. Increase working relationships with other advisory bodies, such as between the Planning Commission and Parks and Recreation Advisory Commission, to leverage each body's knowledge, skills, and abilities to achieve the best outcome for the city.

What is your primary interest in serving on a City of SSP Advisory Board or Commission?

I am an aspiring long-term resident of South St. Paul.

Community service and giving back are important to me. Additionally, I have a desire for government to be more approachable and thus better able to serve residents.

Occupation

Employee Experience Program Manager

Qualifications

Please answer the following questions.

Do you have any special qualifications that you feel would help you be effective on a board or commission (i.e. work experience, education, volunteer experience, etc.)?

For my profession, I run and oversee a program called business resource groups. These groups help employees growing their professional development skills, connect with each other, and give back to their community. In my role, I oversee the governance of these groups and strategically plan and coordinate making the biggest impact in the cities where our employees live and work. I regularly complete "health checks" on the program to ensure it is fitting the needs of employees and supporting the company core values and strategies.

These skills directly translate to serving on an advisory commission. I am used to working with a governed group and know how to identify strengths in each unique individual that better the mission of a group as a whole. I also have worked with community members - both in South St Paul and surrounding cities - and will continue to bring that experience to the board.

List two or three goals that you would like to see accomplished during your service.

- Build more relationships with local organizations that can support the stellar SSP Parks and Rec mission. SSP is in the heart of the metro and close to 14+ Fortune 500 companies. There are a lot of opportunities to work with these organizations on sponsorships and community support.
- Ideate on events and initiatives that are relevant to our community. SSP is home to a diverse community in terms of age, race and ethnicity, socioeconomic status and more. There is a big opportunity to expand the scope of our programming to reach a larger audience.

With the new Parks Master Plan, it is the perfect opportunity to dive into these goals.

What is your primary interest in serving on a City of SSP Advisory Board or Commission?

I enjoy contributing to my community, meeting my community members and supporting city initiatives.

Qualifications
Please answer the following questions.

Do you have any special qualifications that you feel would help you be effective on a board or commission (i.e. work experience, education, volunteer experience, etc.)?	-Previous board member of the SSP Library Advisory Board
--	--

List two or three goals that you would like to see accomplished during your service.	Come to better understand & put into action the overall goal(s) of the Parks & Recreation presence in SSP & how it is hoping to improve the quality of life for its residents Would like to improve transparency & communication of what the parks & rec department is doing within the community (ie activities, initiatives, opportunities etc)
--	---

What is your primary interest in serving on a City of SSP Advisory Board or Commission?	As a mother of 3 children & a relatively recent resident of SSP (4yrs in March) I have a high interest in the parks & rec presence in my community. I feel being a part of this committee would allow a fresh look on matters that may be new & old to the parks dept. I am passionate about community connections as well as improved quality of life for individuals. I believe that public parks, nature spaces & community engagements offered through this avenue can play a large role in the health & happiness of its surrounding community.

Qualifications

Please answer the following questions.

Do you have any special qualifications that you feel would help you be effective on a board or commission (i.e. work experience, education, volunteer experience, etc.)?

I have years of experience in project planning, policy planning, project and operations implementation, team building, team management, collaborative skills, functional deadlines, all work related. I have worked years in the service industry, and am goal focused. Both of my children have purchased home in SSP, I am vested.

List two or three goals that you would like to see accomplished during your service.

I would like to replace all the trees we have lost to Emerald Ash Borer.
I would also like to use social media or some other electronic outreach to be in contact with more residents. We have the ability to reach many more residents. Holding a monthly 'meet n greet' or Happy Hour with our city council and other representatives is a good way to hear what residents have to say in a less formal atmosphere. This would be great for city health and outreach. We struggle quite a bit to keep restaurants in town. We should encourage support of local business more vigorously.
Lastly, there are some great places for community gardens. The fenced in area connected to Lorraine splash pool is untapped space, as is Southview Park. They are connected to a water source, if needed, and could be a somewhat secure spot.

What is your primary interest in serving on a City of SSP Advisory Board or Commission?

As stated before, I have family CHOOSING to live in SSP, as I did 25 years ago. This is my home and I am willing and able to do the task.

Qualifications

Please answer the following questions.

Do you have any special qualifications that you feel would help you be effective on a board or commission (i.e. work experience, education, volunteer experience, etc.)?

As a 20-year resident of South St Paul, I have been so proud to become an ACTIVE member of our community. Starting with dedication to our local business and non-profits, and an excited participant in our city events and celebrations, I have committed myself to advocating for the city of South St Paul, encouraging it's citizenry to be informed and engaged, and to hold it's public officials to their highest standards.

I have been an active member and volunteer with Townsquare Television since 2008, working on a large variety of community productions. In 2011, I was encouraged to join the executive board, serving as the board Chair from 2015-17. It was an incredibly active period to be involved: experiencing a Comcast franchise renewal, a comprehensive strategic planning effort (including work sessions to rework the organization's mission statement and logo), a massive studio remodel, and so much more! After reaching my term limit and a short break, I was asked to return to the board in 2021, and again, graciously excepted the nomination for Chair in September of 2023. This most recent term has been incredibly productive: successfully diversifying our board makeup, assisting with three new fundraising campaigns (Flapjack FUNdrasier, a community-rich Give to the Max Show, and our Cheers to Volunteers event), and building marked legislative progress in protecting our member-cities' rights of way and on finding a new and sustainable means of funding our operations in the face of declining revenues. Finally, I was able to assist leading the organization through a tremendous transition: securing a new Executive Director (to be announced VERY soon) following the retirement of Jodie Miller (after an incredible 35 years of service).

Outside of TST, I keep busy two active kids in the SSP school system and have at various times served as their soccer coach with SSP Community Soccer (now Dakota Soccer Club).

Lastly, in 2022, I helped form and continue to serve as a member of SSP's Sustainability Task Force.

List two or three goals that you would like to see accomplished during your service.

- Continuing to foster community engagement with ALL of South St Paul
- Continuing to improve government transparency
- Helping to find creative ways to improve our city's tax base

What is your primary interest in serving on a City of SSP Advisory Board or Commission?

To continue to serve my community and to help improve the lives of the citizens of South St Paul.

Qualifications

Please answer the following questions.

Do you have any special qualifications that you feel would help you be effective on a board or commission (i.e. work experience, education, volunteer experience, etc.)?

I have an Airport Management & Planning degree from Arizona State University, I have work experience at two commercial airlines, American Airlines(formerly America West Airlines) and Delta Airlines(formerly Northwest Airlines. My area of work was Dispatch, Aircraft Routing, and Ramp Operations.

List two or three goals that you would like to see accomplished during your service.

1. Promote the airport and how it has a positive impact in the community.
2. Be involved in critical decision making for the airport
3. Promote the aviation industry and how it is important for others to get involved in.

What is your primary interest in serving on a City of SSP Advisory Board or Commission?

To keep connected to the aviation community. Aviation is a passion of mine and how all the parts fit together.

Qualifications

Please answer the following questions.

Do you have any special qualifications that you feel would help you be effective on a board or commission (i.e. work experience, education, volunteer experience, etc.)?

I have worked for the City of West St. Paul since 2019. During this time, I have sat on the Development Review Committee, performed site plan reviews, and provided recommendations to developers on the city's behalf. I have extensive knowledge of city ordinances, zoning, land use, right-of-way, surveying, engineering, plans, easements, utilities, and streets.

List two or three goals that you would like to see accomplished during your service.

The primary goal I would like to achieve is to connect more of the community wants/needs with future developments. This could be as simple as recommending more pedestrian facilities along developing properties, or requesting more enhanced landscaping. I would like to promote South St. Paul's vision, but also ask the questions about why we do things the way we do. Are there better alternatives? Does the zoning make sense? Do our ordinances and policies align with what we want to achieve, and how does the market overall view them?

What is your primary interest in serving on a City of SSP Advisory Board or Commission?

I moved to South St. Paul at the age of 24 in 2019. I bought my first house, and took a job for the city of West St. Paul. Since then, I have been very engaged with WSP, and their developments as a city. I have seen South St. Paul making similar strides, and wanted to get more involved in my own city. Having worked for 10+ years in reconstructing properties, roads, and infrastructure, I believe I bring a great background for this role and can make an impact. I also understand the limitation these commissions have, and how to navigate within the channels.

Organization Membership Information

Are you currently serving on other Boards, Commissions, or Committees?

No

If yes, which

Qualifications

Please answer the following questions.

Do you have any special qualifications that you feel would help you be effective on a board or commission (i.e. work experience, education, volunteer experience, etc.)?

Earning my MBA brought me a basic understanding of the business/ financial pieces involved in managing and making decisions when it comes to large ventures and long term investments.
I enjoy being active in my community and volunteering. I have lived in SSP since 2010. I enjoy fitness that has a focus on local outdoor activities like biking, walking, hiking, frisbee, volleyball, etc in and around parks and trails (as opposed to treadmill/gym)

List two or three goals that you would like to see accomplished during your service.

I have served a couple of years on the parks and rec commission and we've just begun the work on the Parks Master plan-- I would really love to continue this work. Particularly, I will be sure to focus on getting the community excited for each park as it is upgraded, continuing the decision-making on whether and where there is feasibility for pool(s). Additionally, I'd like to do whatever I can to facilitate keeping us on a reasonable and realistic timeline for getting the top priority items done first.

What is your primary interest in serving on a City of SSP Advisory Board or Commission?

My primary interest is a passion in seeing the community improved incrementally over time, and finding a true enjoyment in being a part of that. Whether I'm on a commission or not, I will continue to help. I feel that I can do more when I'm on a team of people that are also of this mindset and have that similar goal in mind.

Qualifications

Please answer the following questions.

Do you have any special qualifications that you feel would help you be effective on a board or commission (i.e. work experience, education, volunteer experience, etc.)?

I feel being in the Jaycees and in many leadership roles, including JCI MN State President, has taught me a lot that can be beneficial to the commission.

List two or three goals that you would like to see accomplished during your service.

To see the ongoing progress of the Parks Master Plan. To help see that our sports fields, especially baseball/softball, continue to be the best fields in the area.

What is your primary interest in serving on a City of SSP Advisory Board or Commission?

I am currently serving my second term and have thoroughly enjoyed being part of the foundational stages of the Parks Master Plan. I am passionate about its development and would like to continue contributing as a voice in its ongoing progress.

Occupation

Community Engagement Coordinator

Qualifications

Please answer the following questions.

Do you have any special qualifications that you feel would help you be effective on a board or commission (i.e. work experience, education, volunteer experience, etc.)?

I believe my lifelong residency in South St. Paul provides me with a unique and valuable perspective. Having lived here my entire life, I possess an in-depth understanding of our community's history, its evolving needs, and the priorities of its residents. This deep-rooted connection, coupled with my passion for civic engagement, motivates me to contribute positively to our city's future.

My experience on the Leadership Advancement Committee has provided me with practical experience in strategic planning and community outreach. I've actively participated in discussions focused on identifying opportunities for growth and developing strategies to better serve our community. This experience has honed my ability to think critically, collaborate effectively, and contribute meaningfully to group decision-making processes. I am confident that these skills, combined with my intimate knowledge of South St. Paul, would make me an effective and dedicated member of this board or commission.

List two or three goals that you would like to see accomplished during your service.

My goal is to help create a community where everyone feels welcome, valued, and respected, regardless of their background. This involves promoting cross-cultural understanding, supporting inclusive programs, and ensuring equitable access to resources and opportunities.

I want to showcase South St. Paul as a vibrant and welcoming community that embraces its diversity and offers a high quality of life for all its residents. This could involve highlighting our diverse businesses, cultural events, and community initiatives through targeted marketing and outreach efforts.

What is your primary interest in serving on a City of SSP Advisory Board or Commission?

As a lifelong resident of South St. Paul, I'm deeply invested in the well-being of our community. Serving on the Planning Commission is a way for me to actively contribute to the city I call home. I'm particularly interested in the Commission's work in preserving our history, enhancing public spaces, promoting economic development, etc. I believe that citizen involvement is essential for a healthy democracy, and I'm eager to dedicate my time and energy to serving the residents of South St. Paul.

Attorney

Qualifications

Please answer the following questions.

Do you have any special qualifications that you feel would help you be effective on a board or commission (i.e. work experience, education, volunteer experience, etc.)?

I have been flying for more than 50 years and have served on this commission since its inception. I am a Fleming hangar owner and run an aviation business on the field. In addition, I am a pilot for the Commemorative Air Force wing located on the field. Before the commission was formed, I was the president of the tenant's association that advocated for the creation of the commission. I have been a practicing attorney in Dakota County for 39 years and have been a fierce advocate for our wonderful airport for that entire time.

List two or three goals that you would like to see accomplished during your service.

1. Continue upgrading the surface facilities and buildings
2. Draw new hangar owners to build on available sites
3. Work to retire airport debt with the city

What is your primary interest in serving on a City of SSP Advisory Board or Commission?

To see that this marvelous asset continues to serve its primary users and the community in which it rests. Fleming Field is unique in what it has to offer the metro, and I wish to continue advocating for its full development.

Qualifications

Please answer the following questions.

Do you have any special qualifications that you feel would help you be effective on a board or commission (i.e. work experience, education, volunteer experience, etc.)?

I have over 20 years experience managing design and construction of large scale construction projects as both a business owner and owner's representative. I am also a Commercial Pilot, owning and operating private aircraft based at Fleming Field. From a background perspective, I am an enrolled member of the Eastern Band of Cherokee Indians, possess an MBA from the University of North Carolina and enjoy family connections in South St. Paul.

List two or three goals that you would like to see accomplished during your service.

I would enjoy the opportunity to provide insights and support to ongoing capital improvements, business development for Fleming Field growth and expand stakeholder awareness of the benefits of the resource that Fleming provides to the City and its regional neighbors.

What is your primary interest in serving on a City of SSP Advisory Board or Commission?

To give back to the community and airport operation that facilitated my growth as a pilot and aircraft owner. I earned my pilot certifications at Fleming, and enjoy the community of pilots, businesses and people that make up the experience there.

Employer	Rice Creek Watershed District
----------	-------------------------------

Occupation

Outreach and Communications Manager

Qualifications

Please answer the following questions.

Do you have any special qualifications that you feel would help you be effective on a board or commission (i.e. work experience, education, volunteer experience, etc.)?

I have over 9 years of experience in natural resource management, focusing on watershed management and ecological restoration. I have direct work experience, various volunteer experiences, and education all related to water resources and watershed management.

I hold a Master's degree in Natural Resources and a Bachelor's degree in Environmental Science from the University of Minnesota. In my current role as the Communications and Outreach Program Manager at the Rice Creek Watershed District, I lead community education initiatives and build partnerships with local governments. My leadership skills have been key in coordinating projects and managing teams to achieve our goals.

Also, my field experience includes overseeing water quality projects, conducting wetland delineations, and managing restoration projects. This hands-on work has given me a solid understanding of water resource issues and the importance of community engagement. I'm passionate about improving water quality and believe my professional background will help me contribute effectively to the committee.

List two or three goals that you would like to see accomplished during your service.

Collaborate with local cities/counties and local stakeholders to implement targeted stormwater management practices, nutrient reduction strategies, and in-lake treatment projects to address the nutrient impairments in Lake Augusta and Thompson Lake. Focus on high priority water bodies in WMP and bring to state standards.

Leverage and use more state and federal grants and cost-sharing opportunities to fund stormwater management projects.

Support watershed staff and local watershed partners in order to accomplish high priority WMP goals.

What is your primary interest in serving on a City of SSP Advisory Board or Commission?

I'm passionate about protecting our natural resources and making sure they're healthy and protected for future generations. I know how important our lakes, streams, and the Mississippi River are to our community. They're part of what makes this area special, but they also face challenges like pollution, runoff, and erosion.

Even though I'm new to this area, I bring experience and education in watershed management and conservation that will greatly benefit South St. Paul and the entire watershed for years

to come. I've worked on projects to improve water quality, manage stormwater, and engage communities, and I'm excited to bring that knowledge to this role.

I want to serve on the LMRWMO Board to make sure South St. Paul's voice is heard and that we're getting the support we need to protect and improve our water resources. I'm all about finding practical solutions that work for both the environment and our community, whether it's improving water quality, managing stormwater, or helping residents get involved in caring for the watershed.

----------	---------------------------------

Occupation

Emergency Communications Supervisor

Qualifications

Please answer the following questions.

Do you have any special qualifications that you feel would help you be effective on a board or commission (i.e. work experience, education, volunteer experience, etc.)?

I will have completed a bachelors degree in business administration by the end of 2024 with a degree/graduation date of May 2025. I'm currently a department supervisor for a 911 center and have previously worked as a Director for a village owned ambulance service in Wisconsin. In the later role, I reported to an EMS board quarterly and am intricately familiar with the operation of and important function of oversight boards and their role in a flourishing and functioning government body.

List two or three goals that you would like to see accomplished during your service.

My first goal with the planning commission would be smart growth to enhance and grow SSP's tax base. With limited vacant land across the city, it's becoming crucially important to see that SSP continues to grow to meet the financial demands of the city (expanding the tax base) while ensuring that the character of the city continues to be that of a thriving inner ring suburb. SFH tax base will only be able to support the city for so long.

My second goal would be to work towards developing enhancement zones where, as an inner ring suburb and well connected city, SSP could become an easily accessible area for food/culture/community. With smart growth and proper planning, SSP could be attractive to commercial development in the form of breweries, restaurants, arts center(s), and more.

My third goal would be to see SSP develop stronger neighborhoods through smart zoning allowing targeted mixed use development. Similar to the neighborhoods of Minneapolis and St. Paul like Frogtown, Longfellow, Standish, etc, SSP could develop growth zones or corridors that bring in small shops and restaurants.

What is your primary interest in serving on a City of SSP Advisory Board or Commission?

I have always been civically minded working in public safety since 2001, having been a volunteer firefighter, EMT, and career as a 911 dispatcher. Strong cities are only strong because of the people that work and volunteer in them. For the first time in over 20 years, I have a set schedule that allows me the ability to join a commission and I want to take advantage of that and give back to my city.

City Advisory Board or Commission Application

Application for Appointment to City Advisory Board or Commission
One of the highest ideals of citizenship is personal involvement in the democratic process. City Advisory Boards and Commissions provide participation in issues concerning the community and its residents. We welcome your application to serve on a City Advisory Board or Commission. Please furnish complete information to assist us in giving your application full consideration. Additional information, which further qualifies you, may be attached to this application.

Qualifications

Please answer the following questions.

Do you have any special qualifications that you feel would help you be effective on a board or commission (i.e. work experience, education, volunteer experience, etc.)?

Our parks are one of our most valuable assets in South St. Paul. I believe my combination of professional experience, education, and volunteer work make me well-qualified for the South St. Paul Parks and Recreation Advisory Commission as I have demonstrated my commitment to fostering community engagement, promoting smart growth, and supporting infrastructure that benefits all residents. As we revitalize our parks system over the next several years, I think my experiences would allow me to make valuable contributions to the commission and the residents of South St. Paul.

As the President of the Minnesota Council for the Social Studies, a member of the State Capitol Preservation Commission, and as a former school board member, I would bring project management, communication, financial oversight, and strategic planning skills that would help the commission understand the evolving needs of our community. As a social studies teacher, I have created unit & lesson plans that focus on the power of place. As we continue to develop and reimagine our parks system in South St. Paul, we have an opportunity to redefine what place-based learning can look like, not only in a classroom setting but throughout our community as a whole.

Throughout my 16-year career as a social studies teacher, I have taught students how to critically think, research, and engage in critical inquiry in order to ask clarifying questions and make well-informed decisions. My experience running for mayor of South St. Paul solidified my understanding of the importance of community engagement and the impact of policy decisions on various groups. I believe that experience, along with the numerous experiences and opportunities I have been lucky enough to have been a part of will enable me to contribute thoughtfully and effectively to the work with the South St. Paul Parks and Recreation Advisory Commission, city staff, and the city council.

List two or three goals that you would like to see accomplished during your service.

During my service on the South St. Paul Parks and Recreation Advisory Commission, I hope to help revitalize and modernize our parks system to meet the evolving needs of our community. One key goal is to foster place-based learning in our parks by creating spaces that reflect the rich history and cultural diversity of South St. Paul. These spaces could serve as outdoor classrooms where residents of all ages engage with local history and nature in meaningful ways, enhancing both education and community pride, in addition to being places of recreation.

I would also like to help build a stronger coalition for revitalizing South St. Paul's park system through collaborations with local organizations like the St. Paul Arts Council and the business community. This would allow us to create joint initiatives that celebrate the arts and culture within the parks. For example, public art installations, performances, or community events could be integrated into park spaces. Partnering with local businesses could bring in funding, volunteer support, or resources for park improvements while ensuring that revitalization efforts align with the broader goals of economic growth and community engagement.

Another priority would be to promote accessibility and inclusivity throughout our parks, ensuring that all residents, regardless of ability or background, can enjoy these vital public spaces. I would focus on improving ADA compliance and creating safe, welcoming areas that encourage community interaction. We need to ensure that accessibility features and Inclusive play equipment are just as much a part of our new designs as open space, greenery, rest areas, and of course, safety and comfort.

It is crucial to have a well-planned timeline and scope for the restoration of South St. Paul's park system to ensure that revitalization efforts are both effective and sustainable over the next 10-30 years. Developing a clearer timeline (how, when, where) to allocate funds will allow for the strategic allocation of resources, prioritizing the most critical areas for improvement while ensuring that long-term projects are completed on schedule. By establishing both short-term and long-term plans, we can address immediate needs such as ADA compliance and safety, while also setting the stage for future enhancements, such as expanding educational programming or adding new recreational facilities. This structured approach ensures that progress is made systematically, providing the community with consistent improvements and fostering continued engagement, rather than an emergency-style situation in which all parks need major improvements all at the same time and without proper funds to make repairs/additions.

What is your primary interest in serving on a City of SSP Advisory Board or Commission?

I want to serve on the South St. Paul Parks and Recreation Advisory Commission because I am passionate about improving our community. As we consider aspects of our recent Parks Master Plan, we have an opportunity to create spaces that foster engagement, education, and inclusivity. Serving on this commission would give me the opportunity to be directly involved in shaping the city's growth, ensuring it meets the needs of all residents.

Organization Membership Information

Are you currently

Yes

serving on other
Boards, Commissions,
or Committees?

If yes, which

Yes, but not within the city of South St. Paul.

Have you served on a

CITY COUNCIL AGENDA REPORT

DATE:

March 3, 2025

DEPARTMENT:

Planning & Zoning

PREPARED BY:

Michael Healy

AGENDA ITEM NUMBER:

11.B.

MEETING TYPE

Regular Meeting

AGENDA ITEM

Second Reading: Ordinance Updating the Zoning Code's Parking Regulations for Residential and Mixed-Use Properties

ACTION TO BE CONSIDERED OR DESIRED OUTCOME

Approve Ordinance 1432 updating the zoning code's parking regulations for residential and mixed-use properties.

OVERVIEW

Applicant

The Applicant is the City of South St. Paul. *The Planning Commission discussed parking regulations for residential and mixed-use properties at their January 2025 meeting and reviewed a draft ordinance. The Planning Commission requested that the ordinance be brought to their February 2025 meeting for a public hearing, and they voted unanimously to recommend approval.*

Purpose of Proposed Ordinance

In 2019, the City began a multi-step update of its parking ordinance because the old requirements were making it difficult for the City to attract new investment. Additionally, the old requirements made it illegal to build infill development that matched South St. Paul's existing walkable small-town character. Most of SSP's existing buildings were "grandfathered" but if a building burned down and lost its grandfather rights, it could not be rebuilt because all new buildings required a very large parking lot which would not fit on a standard-sized parcel. The City adopted new parking rules for non-residential properties in 2022 which legalized SSP's existing commercial areas and made it possible to build infill development that matched the character of these areas. However, the City still needs to update its parking rules for residential properties and mixed-use properties as this was not addressed in the 2022 update.

The current parking rules for residential buildings and mixed-use buildings do not align with market conditions. Consequently, almost every significant residential development that has been

approved in recent decades has involved a parking variance or Planned Unit Development (PUD) flexibility that has greatly reduced the overall parking requirement. This approach introduces uncertainty into the development process because variances and PUD flexibility can become politicized and divide the community. The City Council and the South St. Paul Economic Development Authority (EDA) have been laying the groundwork for the past decade to redevelop the northeast corner of Grand Avenue and Concord Street North into a mixed-use neighborhood known as the Hardman Triangle. A link to the Hardman Triangle Redevelopment Plan is included at the end of this memo. It will be much more difficult for the redevelopment of the Hardman Triangle to move forward if the City does not update its code to align with market conditions with modern parking standards for residential and mixed-use projects.

Background

Like many communities in Minnesota, South St. Paul adopted a new parking ordinance in the 1950's that took away landowners' ability to make their own decisions about how large their parking facilities would be. Instead, City Staff would decide the minimum size of each parking facility using a set of formulas related to the size and use of each building. The City Code was written to incorporate a peak demand approach, meaning that each new building was required to have an oversized parking lot that could handle 100% of the cars that might show up on the busiest day of the year. Church parking lots needed to be sized to handle all cars that might show up on Christmas Day. Retail parking lots needed to be sized to handle all cars that might show up on Black Friday. It was also made generally illegal to move a new type of business into an existing commercial building without expanding its parking lot to meet the new requirements. South St. Paul is a fully built out community so expanding a parking lot typically means demolishing a neighboring building.

Interestingly, the City Code's parking requirements were never really enforced. The Planning Commission and the City Council have long understood that the rules were not well-calibrated and have been extremely generous with large parking variances and PUD flexibility to allow projects to move forward. Unfortunately, many businesses and developers fear the uncertainty of the variance process and avoid investing in cities where a parking variance is needed for most projects. South St. Paul is a walkable community and parking lots do not need to be quite as large as they are in outer ring suburbs because not everybody uses a car for all trips and off-street parking lots are not the only parking option. Most roads in SSP have on-street parking which can be used for special events and short-term guest parking. The City Council recently had Concord Street and Concord Exchange reconstructed and added extra-wide parking lanes and some new angled parking to make it even easier for customers to park on the street. On-street parking in SSP is intended to have frequent turnover and is not supposed to be used for long-term storage of vehicles. The City Code prohibits a car from being parked in the same spot on any public street for longer than 20 hours.

In 2019, the City launched a project to update its parking requirements. At their October 2nd meeting in 2019, the Planning Commission unanimously recommended approval of an ordinance that would update parking requirements for nonresidential properties, residential properties, and mixed-use properties. The City Council was supportive of the proposed ordinance, but they tabled it during the second reading and requested an additional Worksession

discussion to talk about parking requirements for schools. Unfortunately, the parking ordinance update was then paused due to staff turnover and the onset of the Covid-19 pandemic.

In 2021, the City completed a corridor study and created the new MMM-Mixed Markets and Makers mixed use district on Concord Street North. The MMM district was envisioned as an innovation corridor with a market-driven approach to development. Nonresidential uses were given flexibility to work with the Planning Commission and City Council to design their parking facility instead of being assigned a strict minimum parking stall count by City Staff. Residential projects were given a reduced minimum parking requirement so the market can help guide how much parking is built. In 2022, the parking ordinance was updated to implement the MMM district's business-friendly approach in all the City's commercial districts when it comes to nonresidential uses. The 2022 update also established a new collaborative process for reviewing and approving parking plans for institutional uses such as churches and schools when they are in residential neighborhoods. The 2022 update did not include any changes to parking regulations for residential projects or dwelling units in mixed-use buildings, which is why another code update is still needed.

2040 Comprehensive Plan and Master Housing Strategy Guidance

The Economic Development, Housing, and Land Use chapters of the 2040 Comprehensive Plan all call for updating the City Code's parking requirements to promote the efficient use of land, grow the tax base, and protect community character from the negative impacts that can be caused by excessively large surface parking lots.

The City Council adopted a Master Housing Strategy in June of 2020 which includes the following statement:

“Based on feedback received from developers, South St. Paul’s zoning code creates a number of barriers to townhomes and apartment developments. The most problematic sections of the code include Section 118-267- Multifamily residential, townhouses and cluster developments and Section 118-354 - Off-street parking requirements. Changes to these sections could alleviate red tape for future townhomes or apartment developments.”

A link to the full text of the Master Housing Strategy and its supporting documents is included at the end of this memo.

Summary of Existing Parking Ordinance

The current minimum parking requirements for residential developments are as follows:

- In all zoning districts except for the MMM district, the City Code requires two parking stalls for each residential dwelling unit. This requirement applies to single-family homes, units in a duplex, and all apartment units including studio and 1-bedroom units. The only exception to this requirement is that senior housing only requires one parking stall per unit.

- The MMM district on Concord Street North has different requirements than the other zoning districts:
 - Single family homes require at least 2 parking stalls.
 - Two-family homes require at least 3 parking stalls.
 - Three-family homes require at least 4 parking stalls.
 - Multifamily units in large residential buildings and mixed-use buildings require at least 1 parking stall if they are a studio or 1-bedroom unit. All other units require 2 parking stalls.

- In residential zoning districts, each unit in a townhome development is also required to provide an extra 1½ off-street parking stalls for guest parking. *This requirement may make sense in townhome developments with narrow private roads that have no on-street parking for guests. As written, however, the requirement also applies to townhome buildings constructed on normal public streets where ample on-street parking is available.*

Summary of Proposed Ordinance

The proposed ordinance would apply the current MMM minimum parking requirements to residential buildings and mixed-use buildings citywide. Staff believes this is the minimum that it would take to align the City Code with market conditions and reduce the need for every housing project to obtain a parking variance or PUD flexibility. The new default minimum parking requirements for residential dwelling units across the city would be:

- Single family homes require at least 2 parking stalls.
- Two-family homes require at least 3 parking stalls.
- Three-family homes require at least 4 parking stalls.
- Multifamily units in large residential buildings and mixed-use buildings require at least 1 parking stall if they are a studio or 1-bedroom unit. All other units require at least 2 parking stalls.

The proposed ordinance also includes some creative changes to the zoning code that could have a positive impact on economic development efforts and help support new development that matches SSP's traditional neighborhood character:

1. The requirement that townhome developments must provide an extra 1½ stalls of guest parking for each unit would be modified to only apply to townhome buildings that are on private roads where there is no on-street parking. The requirement would be set at 1 guest parking stall per unit.

2. The MMM district on Concord Street North is intended to be an innovation district that is very sensitive to market conditions and can adjust quickly if the market changes. The corridor has significant topographical challenges and has struggled with decades of disinvestment so the City has made a concerted effort to remove zoning barriers that could stand in the way of new investments. In keeping with the MMM zoning district's purpose and intent, Staff is proposing to have the parking requirement for dwelling units in that district be a flat "at least 1 parking stall is required for each dwelling unit."
3. Residents have made it clear that they want to see more retail and restaurant activity in SSP and would like to see the City encourage mixed-use residential developments that include a commercial component. It can be very difficult for mixed-use developments to pencil out, and it is often impossible to develop a functional floor plan for a mixed-use development if too much off-street parking is required. The extra parking eats up space within the first floor of the building that might otherwise be turned into first floor commercial space. Staff would propose adding two new rules to the City Code that would support mixed-use developments in areas that are within ¼ mile of a fixed transit line (Metro Transit Route 68 and Route 71) where it is possible to live comfortably without a car or with just one car per household:
 - a. The first four dwelling units in a mixed-use building would not require dedicated parking stalls if the ground floor contains a commercial space that is at least 50% of the footprint of the building or 5,000 square feet in size, whichever is less. Each additional unit beyond the first four units would require one dedicated parking stall per unit.

This is inspired by an approach that the City of Winona has taken to encourage the development of small mixed-use buildings where there is a retail store or restaurant on the ground floor with a few apartment units above it. These buildings greatly add to the architectural character of a mixed-use area and adding just a few rentable dwelling units can help a small infill project pencil out. Residents living in these buildings may not have a car, they may park on the street, they might park overnight in stalls that are used by a business during the day, or they may lease a space in a parking facility on a nearby property. There are already several small mixed-use buildings like this on Marie Avenue and Southview Boulevard which do not have dedicated on-site parking facilities.

- b. In the C-1 Retail Business district, residential buildings that are co-located on the same parcel as a commercial building would not require dedicated parking stalls for the first four units. One parking stall must be provided for each additional unit. The C-1 district zoning rules would be updated to establish a conditional use permit process for constructing a commercial building on a corner lot that already has a residential building

taking up part of the property, but this would be limited to Southview Boulevard.

Due to development decisions that were made in the late 1800's, the land along Southview Boulevard is laid out in a challenging way that makes it difficult to get the type of commercial-retail development that the City wants to see. Most of the platted lots are oriented towards the side streets instead of being oriented towards Southview Boulevard. The platted lots are 40-feet wide and 125-feet deep, but the long side is parallel to Southview. This means that only 40-foot-deep commercial buildings can be accommodated unless a developer acquires multiple lots and demolishes existing houses on the side streets to create a deeper parcel through lot combination.

For much of SSP's existence, people who owned corner lots with frontage on Southview Boulevard found a creative solution to realize the "highest and best use" of their property. Many people built a home at one end of the lot and then built a commercial building at the other end of the lot. This approach is part of what gives Southview Boulevard its unique architectural character and there are several examples of surviving buildings with this setup- Pounce and Fetch sits on the same lot as a fourplex, D & G Jamaican Restaurant (formerly Wellness Café) sits on the same lot as a single-family home, and The Coop restaurant sits on the same lot as a single-family home.

The City Code does not currently allow corner lots with C-1 zoning to have a commercial building and residential building co-located on the same parcel. The three properties that already have this setup are lawful nonconforming ("grandfathered") and cannot be expanded without variances or rebuilt if they burn down and lose their grandfather rights. Staff believes that there could be an opportunity here for creative economic development that could give Southview Boulevard a better street life with more storefronts. If the City Code were updated to allow co-location of buildings with a conditional use permit in the C-1 district, that would allow corner lot homeowners whose houses have C-1 Retail Business zoning to turn their yards into new commercial buildings that could house small businesses and make Southview Boulevard a more visually interesting streetscape. Currently, these homeowners must demolish their house if they want to add a commercial building to their C-1 zoned property and this makes it much more difficult, if not impossible, for small infill projects to pencil out.

Discussion

City Staff feels very strongly that the proposed ordinance will improve the City Code, benefit the local community, and help South St. Paul attract the type of investment that it wants to attract. The Planning Commission and City Council have already been using the variance and PUD process to attract investment using roughly the same standards that are now being proposed. The proposed ordinance will make it possible to develop the Hardman Triangle without every project needing a parking variance.

Staff wants to provide the City Council with some food for thought to emphasize how important this type of local zoning reform is to the long-term health of the community:

- There is substantial evidence that the private sector does a better job of right-sizing parking facilities than local government ever can. Local parking ordinances are usually only updated every few decades and therefore fail to account for development trends and changes in consumer behavior. Political disagreements and a lack of staff capacity often make it difficult to update these ordinances even when it is clear that the standards are out of date. Case in point, many cities still require retailers to build parking lots that can accommodate a Black Friday sales event that would have taken place in the 1990's before the rise of online shopping. Black Friday sales events are nowhere near as busy as they were 30 years ago, so a parking lot built with that size will be mostly empty even on Black Friday and is a waste of land.
- Developers are still free to build extra parking beyond what the code requires if they believe that is what they need for their project to be successful. They can take factors into account like topography and whether the development is in a walkable area or close to bike trails and transit lines. In cities that have taken a market-driven approach and reduced their City-mandated minimum parking requirements, many developers and business owners will still decide to build significantly more parking stalls than the new minimums require.
- Each parking stall that is added to a housing development increases the cost of the development (more land acquisition, more site preparation, higher construction costs, and ongoing maintenance costs). One recent national study found that each underground parking stall adds at least \$50,000 to the cost of an apartment project. These costs are passed on directly to tenants in the form of higher monthly rents. If a City requires every studio apartment to have two parking stalls, even if the second stall is almost never used, that is going to increase the monthly rent on every studio apartment without providing the tenant with a benefit.
- Many of the classic multifamily housing styles that are beloved in older communities because of their architectural character are almost impossible to build if more than one off-street parking stall is required for each unit. Most of the old brownstones, row houses, and classic small apartment buildings in SSP and throughout the metro have no more than one parking stall per unit because it is usually not possible to have this type of building design with a larger parking facility. If the parking facility gets too large, the project will no longer fit on a standard-sized parcel. Instead, a developer needs to acquire multiple parcels and can only make this work financially if they abandon their plans to build a small multifamily building and instead build a large multifamily building that no longer fits with the character of the neighborhood but does meet zoning requirements.

- Many US states have housing shortages, and a lot of blame is being placed on local governments for stifling housing development with expensive and project-killing zoning requirements such as 2-stall-per-unit minimum parking requirements. State legislatures across the country have recently begun punishing cities for this behavior by taking away local zoning authority and imposing new statewide zoning rules. This has happened in Republican-controlled states (i.e. Montana), Democrat-controlled states (i.e. California and Massachusetts), and states with a mix of politics (i.e. Maine and Oregon). In Minnesota, there was a bipartisan effort during the 2024 legislative session to limit local zoning authority and enact new statewide zoning rules. The Minnesota effort had the support of a large coalition of liberal and conservative political action groups, homebuilders, realtors, and environmentalists. One of the statewide zoning rules that the Minnesota State Legislature was considering in 2024 was a rule that municipalities cannot require more than 1 off-street parking stall for each housing unit. Local government leaders throughout Minnesota banded together to oppose the 2024 efforts to enact statewide zoning rules and argued that zoning reform should take place at the local level. The statewide zoning reform effort was temporarily defeated in 2024, but it will likely resurface in upcoming legislative sessions. It is important that South St. Paul and other communities implement local zoning reforms if there is truly a desire to fix zoning issues at the local level to avoid a heavy-handed intervention by the Minnesota State Legislature.

Planning Commission Public Hearing and Recommendation

The Planning Commission held a public hearing at their February 5th meeting. No members of the public attended the hearing or submitted comments. The Planning Commission recommended approval of the proposed ordinance with a unanimous 6-0 vote.

Recommended Action

Approve Ordinance 1432 updating the zoning code's parking regulations for residential and mixed-use properties.

A first reading was held at the February 18, 2025 meeting.

**City of South St. Paul
Dakota County, Minnesota**

Ordinance No. 1432

**AN ORDINANCE AMENDMENT UPDATING THE ZONING CODE'S PARKING
REGULATIONS FOR RESIDENTIAL AND MIXED-USE PROPERTIES**

The City Council of the City of South St. Paul does ordain:

SECTION 1. AMENDMENT. South St. Paul City Code Section 118-126 is hereby amended as follows:

Sec. 118-126. C-1, retail business district.

(b) *Uses by conditional use permit.* The following uses shall require a conditional use permit:

- (16) Residential dwelling units in a building that contains a ground-floor nonresidential use, subject to the following standards:
 - a. For new buildings, at least 90 percent of any building façade facing a public street shall be Class I, Class II, or Class III materials as defined in section 118-9. In addition to the listed materials, finished wood siding and engineered wood siding may also be used. For additions onto existing buildings, the addition must be architecturally consistent with the existing building.
 - b. For new buildings, exterior building walls facing a public street shall not exceed 50 feet in length without including at least two of the following: change in plane, change in texture or masonry pattern, windows, or an equivalent element that subdivides the wall into human scale proportions. Additions onto existing buildings shall follow this requirement as much as is practical.
 - c. To be eligible for the conditional use permit, the property must be guided "mixed use" in the comprehensive plan.
 - d. No individual mixed-use building may contain more than 12 dwelling units. No mixed-use development shall be permitted to exceed the maximum density established in the comprehensive plan.
- (17) Body art establishment that offers body art procedures other than micropigmentation and cosmetic tattooing (defined and regulated by section 118-276).
- (18) A commercial or mixed-use building that is located on a corner lot with frontage on Southview Boulevard and is on the same lot as an existing residential building, subject to the following standards:

- a. The commercial or mixed-use building must be oriented towards Southview Boulevard and shall have a maximum setback of 10 feet from the property line along Southview Boulevard.
- b. Each principal building on the lot shall have its own separate sewer and water utility connection.

(19) Lot Split of a commercial or mixed-use building that is located on a corner lot with frontage on Southview Boulevard and is on the same lot as a residential building, provided that each parcel has at least 30 feet of street frontage, each building has its own separate sewer and water utility connection, and all building code requirements are met.

SECTION 2. AMENDMENT. South St. Paul City Code Section 118-127 is hereby amended as follows:

Sec. 118-127. – MMM, Mixed Markets & Makers District.

(e) *Design and development standards.*

(10) *Parking.*

- d. The site design requirements for the parking facilities of single-family dwellings, two-family dwellings, and three-family dwellings in the MMM1 sub-district shall be the site design requirements that are in place for two-family dwellings in the R-2 district.

~~e. *Parking minimums, residential.*~~

- ~~1. *A minimum of two spaces is required for a single family dwelling.*~~
- ~~2. *A minimum of three spaces is required for a two family dwelling.*~~
- ~~3. *A minimum of four spaces is required for a three family dwelling.*~~

~~f. *Parking minimums, multi-family.* In multi-family buildings, one-bedroom and efficiency units shall provide at least one parking space per unit. All units with more than one bedroom shall provide at least two parking spaces. Dens, libraries, and other extra rooms within dwelling units that can be converted to a legal bedroom shall each count as one bedroom.~~

~~e. *Parking minimums, residential.* At least one parking space shall be provided for each dwelling unit. In a mixed-use building that includes a commercial space that occupies at least 50% of the ground-floor level or 5,000 square feet, whichever is less, there shall be no minimum parking requirement for the first four dwelling units.~~

~~f-g~~. *Parking minimums, nonresidential uses.* See section 118-352.

~~g-h~~. All provisions of article vii of the zoning ordinance, which regulates off-street parking and loading, shall be in effect in the MMM districts unless explicitly stated otherwise in this section. In situations where there is a conflict between the MMM ordinance and article VII, the provisions of the MMM ordinance shall prevail.

~~h-i~~. *Screening on public street frontage.* Where parking fronts a public ROW it shall be screened with an edge planting, decorative fence, wall, or a combination of these elements to a minimum height of three feet. The maximum height of fences and walls is regulated by section 118-199. The screening shall also include one overstory tree per 30 feet, on center, of lot perimeter unless this requirement is waived or modified by the city engineer in situations where the parking setback area is not sufficiently wide to allow the planting of overstory trees without damaging adjacent infrastructure. The graphic below shows an example of screening that could be employed to satisfy this requirement.

SECTION 3. AMENDMENT. South St. Paul City Code Section 118-267 is hereby amended as follows:

Except in the case of planned unit developments, as provided for herein, not more than one principal building shall be located on a single lot unless a zoning provision explicitly allows for the co-location of multiple principal buildings on one lot by conditional use permit.

SECTION 4. AMENDMENT. South St. Paul City Code Section 118-267 is hereby amended as follows:

Sec. 118-267. Multifamily residential, townhouses, and cluster developments.

(j) *Townhouses.* Townhouse developments and twin houses ~~developments~~ consist of the placing of common wall residential dwelling units in compact groupings. Townhouse developments and twin houses ~~developments~~ shall be permitted in such residential districts as permit multiple dwellings of comparable size and number.

g. Each dwelling unit which contains two or more bedrooms shall be provided at least two off-street parking spaces, at least one of which shall be fully enclosed. Each dwelling unit that contains just one bedroom must provide at least one parking space which shall be fully enclosed. If a townhouse development is built with units that front private roads which are not wide enough to accommodate on-street parking for guests, each of these units shall be provided with at least one additional off-street parking space for guests. Each required guest parking space shall be located within 100 feet of the applicable dwelling unit. ~~, and an additional 1½ off-street parking~~

~~spaces for guests. Guest parking shall be located within 100 feet of each dwelling unit.~~

SECTION 5. AMENDMENT. South St. Paul City Code Section 118-353 is hereby amended as follows:

Sec. 118-353. Design and maintenance of off-street parking areas.

- (l) *Minimum distance from building.* In any zoning district other than for one-family, ~~and~~ two-family, ~~and three-family~~ homes, no parking space shall be closer than five feet to any building, except for garage parking.

SECTION 6. AMENDMENT. South St. Paul City Code Section 118-354, and 118-355 are hereby amended as follows:

Sec. 118-354. Off-street parking spaces required.

Under section 118-352, some land uses in certain zoning districts do not have a set parking requirement and certain other land uses may secure a modified parking requirement with the approval of the city council. Unless a land use is granted a modified parking requirement under section 118-352, the default off-street parking spaces required by various land uses shall be as follows:

- (1) ~~Single-family, two-family, and three-family dwellings: One family and two family residences: Two spaces per dwelling unit.~~
 - ~~a. A minimum of two spaces is required for a single-family dwelling.~~
 - ~~b. A minimum of three spaces is required for a two-family dwelling.~~
 - ~~c. A minimum of four spaces is required for a three-family dwelling.~~
- (2) ~~Multiple dwellings: Two spaces per dwelling unit. Multifamily buildings with four or more dwelling units, townhouse developments, and residential dwelling units that are part of a mixed-use development:~~
 - ~~a. A minimum of one space is required for each one-bedroom or efficiency unit.~~
 - ~~b. A minimum of two spaces is required for each unit with more than one bedroom.~~
 - ~~c. The following exceptions to these requirements shall be provided for properties with commercial or mixed-use zoning that are within 1,320 feet of a stop on a fixed-route transit line, measured from the transit stop to the nearest property line of the parcel:~~
 - ~~(1) Mixed-use buildings that include a commercial space which occupies at least 50% of the ground-floor level or 5,000 square feet, whichever is less. There shall be no minimum parking requirement for the first four dwelling units. At least one parking stall shall be provided for each additional dwelling unit.~~

(2) Residential buildings that are co-located on a parcel that also contains a commercial or mixed-use building in the C-1 Retail Business zoning district. There shall be no minimum parking requirement for the first four dwelling units that are located on these parcels. At least one parking stall shall be provided for each additional dwelling unit.

SECTION 7. SUMMARY PUBLICATION. Pursuant to Minnesota Statutes Section 412.191, in the case of a lengthy ordinance, a summary may be published. While a copy of the entire ordinance is available without cost at the office of the City Clerk, the following summary is approved by the City Council and shall be published in lieu of publishing the entire ordinance:

The ordinance modifies parking requirements for residential buildings and residential dwelling units within mixed-use buildings. It also establishes a conditional use permit process for co-locating a commercial building with a residential building in the C-1 Retail Business zoning district.

SECTION 8. EFFECTIVE DATE. This ordinance shall become effective upon publication.

Approved: _____

CITY COUNCIL AGENDA REPORT

DATE: March 3, 2025
DEPARTMENT: Economic Development
PREPARED BY: Ryan Garcia
AGENDA ITEM NUMBER: 11.C.

MEETING TYPE

Regular Meeting

AGENDA ITEM

Hardman Triangle Conceptual Masterplan & District Stormwater Guide

ACTION TO BE CONSIDERED OR DESIRED OUTCOME

Motion to approve Resolution 2025 - 28.

OVERVIEW

The City's [2017 Economic Development Strategy \(Updated in 2021\)](#) identified an approximately 20-acre area lying between Concord Street, Hardman Avenue, and Grand Avenue as a key focus area for redevelopment. The City's [2040 Comprehensive Plan](#), adopted by Resolution 2019 - 180, formalized the City's intentions to "Establish a community mixed-use destination area in the vicinity of the Hardman/Concord Triangle" (Goal 4.26). In early 2020, the City's [Hardman Triangle Redevelopment Plan](#), which established a framework for development of a vital mixed-use district at this key location in the community. Following the approval of these cornerstone policy documents, Staff and the EDA have made progress towards positioning the City for successful revitalization of the Hardman Triangle, including leveraging state and Met Council grant opportunities to assess the opportunities and constraints related to future development of this area, being opportunistic in assembling property for future redevelopment, and engaging the development community to illuminate the untapped potential of this river-adjacent district.

The 2020 Redevelopment Plan established a high-level framework to demonstrate the development potential of the Hardman Triangle, but it was not intended to establish with any detail how new public infrastructure within the Triangle would be laid out internally or integrate into existing public infrastructure at the site's edges. With this in mind, on November 4, 2024 the EDA approved a proposal for professional services with Tushie Montgomery Architects (TMA) and Barr Engineering to develop a District Master Plan to provide a specific focus for the following elements of future site development:

- Future site and development parcel boundaries
- Refined development and land-use mix
- Future street and utility rights-of-way
- Future green space
- Site and regional Stormwater Management Infrastructure and Facilities

As the Council is aware, a Preliminary Development Agreement with ZAS, LLC for the southern portion of the Hardman Triangle area was approved by the EDA on November 4, 2024, while the South Triangle Redevelopment Tax Increment Finance District Plan was approved by the EDA and City Council on February 3, 2025. At Monday's meeting, we look to take another important step in realizing the City's vision for the Hardman Triangle by reviewing and approving the attached District Master Plan and Stormwater Guide. Upon approval, the Master Plan will serve to guide the City's, EDA's and the private development community's future actions related to property subdivision, road and utility extensions, stormwater management, and site development for the Hardman Triangle. The Council and interested members of the public are encouraged to review the master plan in its entirety prior to Monday's meeting, but a few high-level notes to highlight:

- Existing subsurface conditions (Page 4) are critical factors that shape the development possibilities for this site.
 - Weak, slow-draining soils and underlying swamp deposits are highly susceptible to ongoing settlement under heavy weight. What this means is that multi-story buildings especially can not be supported by the current soils as they will be at ongoing risk of foundation cracking, differential settlement, and other detrimental building impacts, so "ground improvement" techniques are necessary to support most buildings in this area.
 - Groundwater is very near the surface throughout the site. This limits the ability to excavate for underground parking without significant de-watering (and potentially encountering contaminated soil and groundwater), which in turn limits the overall feasible density of development at the site. Thankfully, the grade change between Concord Street and "ground level" within the Hardman Triangle allows for a level of under-building parking so that the Concord Street frontage will not be lined with the wall of a parking garage.
- Current zoning allows for up to 75 dwelling units per acre. Given the conditions mentioned above and the associated costs related to these and other challenges (environmental), residential development will likely need to come close to this density in order to remain economically viable (between 570 - 680 units overall in multiple buildings and phases over a period of approximately 10 years).
- The plan incorporates the Restaurant/Destination Retail component (approximately 35,000 square feet) which has been proposed as part of the ZAS preliminary development agreement, and also envisions potential future mixed-use and commercial development (envisioning a mid-format grocer and other retail uses totaling another 40,000+ square feet) along Hardman Avenue. These future uses are conceptual - to be clear there is not currently a developer committed to pursuing these concepts - and the sites are laid out to allow for flexibility of uses and scales of development along Hardman in the future.
- An interconnected public roadway system, with on-street parking and sidewalk, is proposed to be introduced within the triangle as development progresses south to north. Alignment with existing Bridgepoint Drive for the main north-south entrance into the district from Grand attempts to mitigate the challenges of offset intersections and acknowledges the transition from more industrial-focused traffic (to the south) to the

more residential/retail proposed within the triangle.

- To most efficiently and feasibly develop this neighborhood, the plan suggests that a central, "district" stormwater management area be implemented as development progresses from south to north at the site. This central stormwater feature, in addition to serving a critical water quality and flood management function, is envisioned to serve as a mostly passive recreational feature for the neighborhood and community.

The Master Plan is intended to serve as a guide for the phased, thoughtful, cohesive, and attainable redevelopment of the Hardman Triangle. While we are at a preliminary development agreement for the southwestern portion of the Hardman Triangle today and at this time we are not engaged with the development community on the other sites within the Hardman Triangle, the depth and breadth of this Master Plan provides a level of direction and predictability to the City, EDA and market for future development opportunities within the district. Staff is proud of this work and we are hopeful that the Council finds the Master Plan to provide clear direction and expectations for this key site.

Evan Jacobsen, Principal Architect with TMA and project manager for the Master Plan, will be in attendance to deliver a summary presentation and answer any questions from the Council.

SOURCE OF FUNDS

The City utilized a Livable Communities Demonstration Account Pre-Development Grant for master planning in the Hardman Triangle, with matching funds through the City's Development Fund (20284) also allocated for this project.

Hardman Triangle Masterplan

Section 01 | Hardman Triangle Site

01 Site | Site Background

History

The Hardman Triangle is a small but historically significant area in South St. Paul, Minnesota. Located at the intersection of Concord Street, Grand Avenue, and Hardman Avenue, it lies in the heart of the city.

In the late 19th and early 20th centuries, South St. Paul was a major industrial hub, driven by the meatpacking industry and railroads. For many years, the Hardman Triangle played a key role in the city's economic activity, housing a variety of businesses, industrial firms, and transportation services. However, as industrial activity shifted elsewhere, the area experienced a decline.

Today, the Hardman Triangle represents a unique blend of South St. Paul's industrial heritage and its evolving modern landscape. The area has transformed into a mixed-use neighborhood, reflecting the city's shift from heavy industry to a more diverse, vibrant community.

01 Site | Architectural Context

Surrounding Architecture

The Hardman Triangle's origins trace back to the early 20th century when South St. Paul was an industrial powerhouse. The area was once filled with warehouses, factories, and other commercial buildings that supported the city's role as a major hub, especially in the meatpacking and stockyards industry. The architecture of the time was typically of early-20th century industrial design---large, utilitarian brick buildings, wide loading docks, and steel framed structures that served the needs of the industrial economy.

In recent years, the Hardman Triangle and the surrounding area has undergone a transformation. Efforts to revitalize the area have turned it into a modern, mixed-use urban space. The new architecture blends restored historical buildings with sleek, contemporary design. Modern buildings featuring clean lines, glass facades, and open layouts now sit alongside the older industrial structures creating a dynamic contrast that honors the past while embracing the future.

The area's development emphasizes pedestrian-friendly spaces, including parks, public squares, and gathering areas that foster community interaction. This transformation is part of a larger trend of re-purposing industrial areas for modern needs, while preserving their historical character and identity.

Today, the Hardman Triangle is a vibrant mix of South St. Paul's industrial legacy and its modern aspirations---transforming from an industrial zone to a sustainable, community-focused urban space that integrates both old and new architecture.

Soil

The Hardman Triangle site consists of a mix of fill soils, including silty sands, clayey sands, and sands with silt, with depths ranging from 1 to 10 ½ feet. These soils are weak, slow-draining, and prone to freeze-thaw cycles. Beneath the fill, swamp deposits are highly compressible, low-strength, and slow-draining. Below these, coarser materials like silty sands, sands, and sands with silt have moderately low strength and moderate compressibility, with varying drainage speeds and frost susceptibility. Interspersed clayey sands and sandy lean clays have low to moderate strength, high compressibility, and moderate frost risk. At deeper levels (20-83 feet), high-strength, low-compressibility Dolostone bedrock is present, which is very slow-draining.

Groundwater

Groundwater is present across the site at depths ranging from 3 to 11 feet. Due to the layering of slow-draining soils and faster-draining materials, perched water levels are probable.

Building Footing Considerations

Given these conditions, excavation and refilling for building support structures would require extensive and costly efforts. To ensure structure stability, deep foundations extending to the bedrock would be ideal for supporting future building footings and slabs across the Hardman Triangle site. Site surcharging as a ground preparation technique can be a viable option for site support of lighter buildings in lieu of deep foundation options.

Takeaways

- 1. Foundations:** Options include foundation systems of driven piles, micropile foundations, rammed aggregate piers, with structural slabs at grade, site surcharging for lighter buildings.
- 2. Groundwater:** Given groundwater depths of 3-11', underground parking opportunities will be limited, if possible at all, and special consideration will need to be taken at elevator pits, drain tile and footing design.
- 3. Bedrock:** Generally, bedrock is highest at the west boundary of the Hardman Triangle, approximately 19' below grade (boring 3), and lowest at the east of the site approximately 85' under grade (boring 11).

Shoreland Overlay (300' to Mississippi River, OHWL)		
*All of the properties in the Hardman Triangle have CA-UM MRCCA Zoning		

Concord Gateway Mixed-Use

The purpose of the Concord Gateway mixed-use (CGMU) district is to facilitate compact, mixed-use development made mutually compatible through careful planning, urban design and coordinated public and private investment. The mixture of land uses within the district is essential to establishing the level of vitality and intensity needed to support retail and service uses. The placement of building edges and the treatment of building, parking, landscaping, and pedestrian spaces is essential to creating the pedestrian-friendly environment envisioned for the CGMU.
City Code Section 118-125.a

Takeaways

Increased density aligns with the forecasted city growth in population, households and employment.

- 75 units/acre (other city mixed use: 60 units/acre)
- *City approval required for density transfer options exceeding 75 units/ acre
- Build-to-line setbacks apply to front and side yard
- At least 60% of the street frontage of any lot shall be occupied by the building facades meeting the build-to line (0-10 feet)
- Building height: 50' maximum, except as allowed by conditional use permit, 24' minimum (MRCCA - 65' maximum or as allowed by conditional use permit)
- Shoreland Overlay: The total area of all impervious surfaces on a lot shall not exceed 30% of the total lot area, and no structure shall exceed 35 feet in height, unless such structures are approved as part of a planned unit development.
- City has approved several with ~70% impervious area without DNR opposition

01 Site | Conceptual Masterplan Objectives

Marketable Site Boundaries

Identify and plan potential future property parcels on the Hardman Triangle site, strategically positioned and sized to support a mix of residential and commercial development. A centrally located park will be incorporated to seamlessly connect both residential and commercial areas, while also serving as a key site for stormwater management.

Right-of-Way

Right-of-way planning will accommodate vehicle circulation, additional site parking, pedestrian movement, and necessary utilities throughout the Hardman Triangle site. Most of the site's right-of-way will feature residential or commercial developments on one side, with open space and parks on the opposite side, fostering a strong community connection within the overall development.

Stormwater

The stormwater collection system across Harman Triangle will be designed to efficiently manage and filter runoff, ensuring compliance with city standards. The park's centralized design will integrate various methods of stormwater collection and filtration, enhancing both functionality and environmental sustainability. These features will be seamlessly incorporated into the park's public spaces, providing an interactive experience for visitors while promoting ecological responsibility.

Phasing

The proposed parcels, right-of-way, and stormwater management infrastructure are designed to accommodate phased development opportunities. The stormwater plan outlined ensures sufficient capacity, allowing for either full installation or a phased approach that meets applicable standards while aligning with the city's development goals and the future parcels needs.

Hardman Triangle Masterplan

 - 7 Mixed Use | Multifamily Residential**
3.052 acres
180,000 FSF
128 units shown | 228 units allowed*
172 - 210 parking stalls | 1.64 ratio
 - 8 Public Right of Way**
3.062 acres
32 parking stalls
- * City approval required for density transfer options exceeding 75 units/ acre

Marketable Land

The proposed re-platting of the 18.7 acre Hardman Triangle site creates 12.5 acres of developable land across 6 parcels. Mixed use, residential and retail uses align with the permitted uses in the CGMU-1 zoning district.

Greenspace

A centralized 3.5 acre park becomes a dedicated space acting as both a canvas for stormwater management and community interaction.

Right-of-Way

A city owned right-of-way corridor through the Hardman Triangle site with access from Grand Avenue and Hardman Avenue is at the core of the development. This right-of-way corridor will be home to the public utilities to each parcel.

679 residential units possible on developable parcels per Comprehensive Plan update to 75 units per acre*

Roadway and ROW geometry to be developed in coordination between City of South St. Paul and Roadway Engineer to consider width, curvature, radius and alignments.

Public Site Connection

The right-of-way through Harman Triangle will accommodate essential public utilities, facilitating connections across the site. It will also serve as a dedicated area for transportation and parking, strategically located between the building perimeters and public spaces. This design ensures seamless circulation and efficient access while integrating functional infrastructure into the overall layout.

Contech CMP Detention System

Surface Filtration:

Basin carved into surface landscape collects water that is filtered through media and routed downstream.

Lynmar Basin, Edina MN

Hassenbank Stormwater Park – Woodbury, MN

Enhanced Filtration:

Enhanced filter media is needed to achieve >50% total phosphorus reduction.

Media physically traps particulate phosphorus bound to sediment.

Media chemically reacts to bind dissolved phosphorus in stormwater (e.g., iron, calcium carbonate).

Seasons Park CC-17 Filter – Woodbury, MN

03 Stormwater | Education, Habitat & Connection

- 02 Seminary Pond Iron Enhanced Sand Filter
- 03 SEA School & Wildwood Park, Golden Valley

Multi-Benefit Opportunities

Visible and safely accessible stormwater management features provide opportunities for public engagement. Educational signage, trails, and seating areas provide passive recreation. Vegetative BMPs also provide biodiversity, pollinator habitat, and other ecological benefits.

Stormwater features provide an opportunity for social spaces, education, and vegetative habitat while providing treatment.

03 Stormwater | Rate Control Considerations

Stormwater Sizing Plan

1" = 200'

- Watershed Divide
- Existing Discharge
- Flow Direction

Existing Stormwater Conditions

The existing conditions of the site drain similar watersheds to storm sewer along Hardman Ave and Grand Ave. Existing storm sewer outlets are undersized relative to new Atlas 14 precipitation amounts and intensities. Existing pipes restrict flow, requiring storage on-site to meet rate control requirements.

Stormwater needs of the site are based on the land use characteristics of each parcel (e.g., percent impervious of each parcel) and stormwater performance requirements of the City of South St. Paul, Lower Mississippi River Watershed Management Organization (LMRWMO), and MPCA's Construction Stormwater General Permit (CSW). Design Standards for rate control require approximately equal distribution of runoff to be directed to Hardman Ave and Grand Ave.

Barr used models to evaluate the proposed site design and identify and size best management practices (BMPs) to achieve the required volume control, water quality and rate control performance. Barr used HydroCAD and PCSWMM to estimate hydrology and hydraulics for the existing and proposed conditions. Barr used P8 to model the pollutant reduction of phosphorus and sediment for the proposed BMPs.

Stormwater Standards			
	City of South St. Paul	LMRWMO	MPCA CSW
Volume Control	Capture and retain on-site 1.1 inches of runoff from the impervious surfaces in post construction conditions.	Reduce volume equal to 1 inch of runoff from impervious surfaces (if volume reduction is feasible).	Not applicable due to the next increase of impervious area <1 acre.
Water Quality	Meet via volume control; or treat to 60% total phosphorus removal if infiltration is not feasible.	Meet via volume control; or treat to 50% total phosphorus removal if infiltration is not feasible.	Not applicable due to the next increase of impervious area <1 acre.
Rate Control	No increase in peak flow from the site during the 2-year, 10-year, and 100-year, 24-hour storm events as compared to pre-redevelopment conditions.	No increase in peak flow from the site during the 2-year, 10-year, and 100-year, 24-hour storm events using Atlas 14 precipitation values as compared to redevelopment conditions.	None.

03 Stormwater | Layout & Phasing

Stormwater Phasing Plan

1" = 200'

- Stormwater Main
- Phase 1
 - BMP at 0.40 acre Footprint
 - BMP at 0.35 acre Footprint
- Phase 2
 - BMP at 1.30 acre Footprint
 - BMP at 0.40 Footprint

Proposed Above Ground Filtration at North

Treating parcels 4, 5, 6, 7 and north half of ROW
Treatment Volume = 0.57 acre-feet
Storage Volume = ~3 acre-feet + freeboard
BMP footprint = 0.4 - 1.3 acres

Proposed Underground Filtration at South

Treating Parcels 1, 2, 3 and south half of ROW
Treatment Volume = 0.43 acre-feet
Storage Volume = ~0.8 acre-feet
BMP footprint = 0.35 - 0.4 acres

03 Stormwater | BMP Design & Sizing Constraints

- 01 Surface Filtration
- 02 Surface Filtration
- 03 Underground Storage & Treatment

Existing Site Conditions

Infiltration at the site is not feasible due to high groundwater levels and the potential for soil contamination, which prevents on-site volume control. As an alternative, the City allows water quality treatment using filtration practices sized for a volume equivalent to the volume control requirement.

Limited vertical drop between the existing ground surface and downstream storm sewer networks also impacts the design of feasible best management practices and requires larger footprints to store and treat stormwater runoff than would otherwise be needed.

Proposed BMPs

The design, layout, and size of each proposed BMP reflects the need to meet volume control, water quality, and rate control requirements. The existing storm sewer discharging towards Hardman Avenue and Grand Avenue restrict flow under current conditions, resulting in stringent rate control requirements. To achieve future peak flows at or less than current conditions (and thus meet rate control requirements), significant on-site storage is needed, particularly in the proposed surface filtration system discharging towards Hardman Avenue. Essentially, under current conditions and in large storm events, there is significant unintentional on site flood storage which would need to be accommodated in a proposed redevelopment.

The footprint of the surface filtration system in the north end of the site could be significantly reduced (approximately 0.4-acre footprint) if the system were designed only for water quality considerations without rate control considerations. Further study of the regional storm sewer system downstream of the site is needed to determine if there is capacity in the system to allow greater discharge rates from the site. Alternatively, other methods of rate control could be employed on site, such as the use of restricted outlets on building rooftops to store and slowly release runoff from large rain events.

03 Stormwater | Hydrologic and Hydraulic Analysis

Storm Sewer System	Required Treatment Volume (ac-ft)	Planned Treatment Volume (ac-ft)	P8 Modeled Average TSS Reduction (%)	P8 Modeled Average TP Reduction (%)
Hardman Avenue Discharge	0.57	0.8	89%	74%
Grand Avenue Discharge	0.43	0.8	88%	73%

Treatment volume exceeds requirements due to need for additional storage. Volume for north surface filtration assumes 1 foot of storage over basin bottom footprint. Preferred design may use only smaller portion of the basin for treatment.

Technical Results

Barr used the hydrologic, hydraulic and water quality models (HydroCAD, PCSWMM, and P8) to assist in the conceptual design of the proposed stormwater practices to meet the City's and LMRWMO's stormwater requirements. See Appendix A.

Preliminary concept-level analysis demonstrates that the proposed BMPs meet all requirements and:

- Treat a volume in excess of 1.1" of runoff from the impervious surfaces
- Achieve peak flow rates equal to or less than existing conditions for the 2-year, 10-year, and 100-year 24-hour storm events
- Achieve total phosphorus reduction >60%

Storm Sewer System	Existing 2-yr, 24-hr Peak Flow (cfs)	Future 2-yr, 24-hr Peak Flow (cfs)	Existing 10-yr, 24-hr Peak Flow (cfs)	Future 10-yr, 24-hr Peak Flow (cfs)	Existing 100-yr, 24-hr Peak Flow (cfs)	Future 100-yr, 24-hr Peak Flow (cfs)
Hardman Avenue Discharge	18.9	3.8	18.9	9.1	18.9	16.3
Grand Avenue Discharge	20.9	13.1	31.5	17.4	32.1	32.2

Note: Under existing conditions, discharge to Hardman Ave via 24" pipe exceeds capacity for 2-year, 24-year event and greater

03 Stormwater | Next Steps & Future Considerations

Conceptual Masterplan

1" = 200'

Hardman Triangle Stormwater

The Hardman Triangle district-scale stormwater analysis demonstrates that developing district-scale (regional) stormwater systems can effectively and efficiently manage stormwater across multiple parcels and the proposed City right-of-way to meet the City's and LMRWMO's requirements, in a manner that can be stacked with public space needs. An observation is that rate control considerations drive the storage volumes necessary in the proposed BMP design. This is particularly true for the proposed surface filtration system at the north end of the site. Barr Engineering recommends the following for future study and considerations:

1. Performing additional analysis of the regional stormwater system may determine that increased peak flow rates relative to current conditions may be permissible without adverse upstream or downstream impacts. On-site rate control features (e.g., roof top storage) may also provide storage upstream of proposed BMPs.
2. Work with potential developers, relevant City departments, and LMRWMO to strategize about critical considerations in developing a successful district-scale stormwater management plan. Key questions to discuss and develop strategies include determining which entity will lead, and which entities need to be involved in each of these critical steps:
 - a. Planning
 - b. Development of a legal framework
 - c. Design and construction. Depending on phasing, there may be multiple leads.
 - d. Ownership
 - e. Operations and maintenance

City of South St. Paul
Dakota County, Minnesota

RESOLUTION NO. 2025-28

**A RESOLUTION APPROVING
THE HARDMAN TRIANGLE CONCEPTUAL MASTERPLAN AND DISTRICT
STORMWATER GUIDE**

WHEREAS, the City of South St. Paul (“City”) is a fully developed city with limited opportunities for economic development and the approximately 25 acre area located at the northeast corner of Grand Avenue East and Concord Street North was the historic site of the Swift & Company Meatpacking Plant, which ceased operations in the late 1960s and left conditions of significant blight and other conditions detrimental to the health, safety, welfare and morals of the City that have persisted to the present day; and

WHEREAS, the above-mentioned area has become commonly referred to as the “Hardman Triangle” in City planning and policy documents; and

WHEREAS, the City’s 2040 Comprehensive Plan, adopted by Council Resolution 2019 – 180, identified a need for the City and its Economic Development Authority (“EDA”) to “establish a community mixed-use destination are” (Goal 4.26) and “establish a small are plan and market study” for the Hardman Triangle; and

WHEREAS, since 2019, the EDA has acted in accordance with Minnesota Statutes Sections 469.090 to 469.1081 (the “EDA Act”) to acquire right, title, and interest in real property for economic development purposes throughout the Hardman Triangle; and

WHEREAS, as of March 2025, the EDA owns approximately 50% of the property located within the Hardman Triangle; and

WHEREAS, considering its significant ownership stake in the Hardman Triangle, the EDA solicited professional services proposals from qualified architectural, planning and engineering firms to complete a District Masterplan for the Hardman Triangle in October 2024, and at its regular meeting on November 4, 2024 the EDA approved a professional services agreement with Tushie-Montgomery Architects to prepare the Masterplan; and

WHEREAS, the plan that was prepared, the “Hardman Triangle Conceptual Redevelopment Master Plan and District Stormwater Guide” (the “Plan”) is intended to serve as a guide for future redevelopment actions within the Hardman Triangle that may be undertaken by the City, the EDA and other public and private development partners, which may include re-platting, extension of public roads, utilities, and pedestrian and bicycle infrastructure, property acquisition and assembly, site development, creation of public open space and shared stormwater management areas, and more; and

WHEREAS, the Plan establishes that the City’s and the EDA’s expectation is for the Hardman Triangle to develop in a phased manner with a mixture of land uses, including restaurant, retail, essential community services, and residential development providing a range of

housing choices that appeal to and are attainable by both existing and future South St. Paul community members.

WHEREAS, City Council has reviewed and considered the proposed Plan, and finds the Plan to be in furtherance of the City's Comprehensive Plan and Economic Development Strategy.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of South St. Paul, Minnesota that the Hardman Triangle Conceptual Masterplan and District Stormwater Guide is hereby approved and shall serve as the definitive plan for the redevelopment of the Hardman Triangle.

Adopted this 3rd day of March, 2025

City Clerk
